Dear Parents, Students, Staff and Friends of St Clare’s

Temptation has been around since the dawn of time, from the original temptation story of Adam and Eve in the garden from the book of Genesis.

One of the highest rating TV shows for many years hosted by Tony Barber was ‘Sale of the Century’, which was originally known as ‘The Great Temptation’. These highly popular game quiz shows dominated the 7 pm time slot for nearly twenty years! The American R&B/Soul Group the Temptations ranked in the Top 100 greatest artist of all time, using the name as a moniker to persuade you to listen to their music. Temptations are something we are faced with on a daily basis, in reality it is about choice and sometimes having the resilience and strength to say no! The psyche of advertising is largely based on temptation, getting us to buy material goods or services, often when we do not necessarily need them, but are drawn in by the prestige, image, persuasion and concept that a product or service is a ‘must have’ in your home. Guilt is also used very effectively especially in lifestyle and cleaning products.

For our youth today in the technological age, temptation is even greater, especially through social media that our young ones spend so much time with. The question always asked is, how can we protect our children? This is not easy, but the best form of protection is education, not just academically but with a real focus on their physical and mental wellbeing. This is why at St Clare’s we are currently reviewing, evaluating and updating our Pastoral Care Policy and procedures to help ensure we are offering your sons and daughters the best possible education and care.

Regards

Mr Gibney
Assistant Principal

**PRAYERS:** Please pray for those who are currently experiencing health difficulties and continue to pray for community members experiencing challenges, pain, sickness and grief in their lives at this time.
**CHAPLAINCY/PASTORAL CARE:** A reminder to all that the school has a Chaplain. Please feel free to contact our Chaplain, Deacon Vince Ryan, through the school office if he can be of assistance to you or any member of our whole school community.

**LEAVE NOTES & STUDENT MESSAGES:** It would be appreciated if parents/guardians would send in a written note if their child needs to leave early for appointments etc. Notes should be handed in at the front office in the morning before roll call. If parents/guardians need to notify their child of a change of afternoon arrangements, it is necessary to phone the school prior to 2:25 pm (End of Lunch – Monday, Tuesday, Wednesday & Friday) or prior to 1:55 pm (End of Lunch – Thursday Sport) as it is often difficult to locate students if their last lesson is a PE Prac or there has been a room change.

Students cannot be collected from the school during school hours by anyone other than a parent or guardian without written permission. Thank you.

**LATE NOTES:** Lateness to school is recorded as a partial absence and must be explained to the school the same way as other forms of absence. **Arriving Late for school requires a handwritten note from a parent/carer or a phone call from a parent/carer** or the absence is recorded as an unexplained partial absence. Thank you.

**SCHOOL CLINIC:** Students are reminded that if they are unwell whilst at school they are to advise their teacher who will then send them to the Front Office. If necessary, the office staff will contact a parent while the student waits in the Clinic. **Students are not to contact parents on their mobile phones** as this leaves teachers and office staff unaware of the situation and is also in breach of the school policy – use of mobile phones. Thank you.

FROM THE SENIOR SCHOOL: Year 12 students are becoming more aware of scholarship and award availabilities. One award which is about to open is the Australian Defence Force ‘Long Tan Leadership & Teamwork Award.’ This award offers $550 for a Year 12 student and $250 for a Year 10 student in every high school in Australia. The school selects one recipient for each award. Details of the nomination and selection process can be obtained from Year 12 Student Coordinator, Mr Ian Evans, and Year 10 Student Coordinator, Mrs Karen McCann. Someone at St Clare’s will be successful for each category. There is no requirement for the recipients to undertake any duties – this is merely recognition for services rendered to date.

Year 11 students continue their Preliminary Mid-Course Examinations with normal classes recommencing on Wednesday, 27 May 2015. There are still a few students who, for various reasons, have not attempted one or more examinations. These students are expected to attempt these assessment tasks as soon as possible. For most, the experience of senior examinations has highlighted the need for careful planning and thorough revision prior to such an examination block. Students will be receiving results on returning to lessons and Mid-Course Examination Reports will be handed to students before the end of Term 2. The Parent/Teacher/Student Interviews for Years 10 and 11 will be held in Week 1 of Term 3 on Thursday, 16 July, in the Hall. Bookings for these interviews will be on-line with ‘How to book’ instructions available later in Term 2.

During next week, Year 11 students will be meeting with Principal, Mr Nicholls, and Liturgy Coordinator, Mrs Denise Ryan, to address a number of issues. First, and foremost, will be the commencement of planning for the Senior Retreat, a MANDATORY EVENT, which will be held in Term 4.

Another item for mention at this meeting will be the upcoming RYDA (Rotary Young Driver Awareness) Program. RYDA, a not-for-profit company, has developed a road safety education program to be delivered to the youth of Australia through Rotary Clubs. The program is about road safety and is directed to young people at the period in their life when they start driving a car and ride as a passenger in a car driven by one of their peers.

In this RYDA Program, students in Year 11 attend a one day event held at a non-school site that coordinates the efforts of road safety experts, including driver instructors, police, recovering survivors of car crashes, drug and alcohol educators and motoring service personnel.

**Date:** Thursday, 25 June, 2015
**Venue:** Taree-Wingham Race Course – students come to school first and return to school at 3 pm
**Cost:** $10 which includes the program, a ‘sausage sizzle’ and drink for lunch and bus fares to and from the venue

Attendance at this course fulfils the **mandatory government requirement** for all Stage 6 (Years 11 and 12) students to undertake road safety education during their final two years of high school.
The Year 11 **senior jackets** have arrived – these will be distributed over the next few days. We remind students, especially those who did not purchase this jacket, that the only outer or visible garment to be worn is the **school** senior jacket, **school** jumper or **school** tracksuit top.

**Ian Evans, Year 12 Student Coordinator and Bronwen Davidson, Year 11 Student Coordinator**

CAREERS CORNER: This week we had the opportunity to have the *Women in the Australian Defence Force Expo* at our school. Unfortunately, Years 10 and 11 were on examinations but I have much information for those students. The three services were represented and students were given information as well as hands-on activities.

Year 12 students are busy gaining information about possible career paths based on their Mid-Course Examination results. All students are encouraged to have a plan A their dream, plan B realistic goal, Plan C what I would be happy to do if A and B do not happen. These plans can include university, TAFE, employment or gap year. Being well-organised prevents stress levels rising.

HOSPITALITY HAPPENINGS: Hospitality students in Years 10, 11 and 12 had the opportunity last Saturday to put theory into practise by being involved in catering for the Lansdowne Players Theatre Restaurant. The day began at 11 am when the students transformed the hall into a restaurant by setting tables. Then students prepared the food and at 7 pm served the 106 guests attending. Several staff members also assisted students. Then of course there was the washing up and cleaning. Students were very professional and are to be congratulated on their efforts. Thank you to **Mr and Mrs Nicholls, Mr and Mrs Evans, Ms Anne Little, Mrs McFarlane and Mr Laurent.** The night served two purposes: practical experience for students and a fundraiser for the hospitality department. Funds raised goes to fray the cost of the eLearning program used by students. **Carol Healey, VET Coordinator**
GIRLS WINTER TIGHTS: The only tights to be worn are those purchased from Workwise (to ensure consistency of colour and denier). If they develop holes, the tights must be replaced.

Purchase price:

- Microfibre Tights $11

INSTITUTE OF ENGINEERS DISCOVER ENGINEERING INFORMATION EVENING: The Newcastle branch of Engineers Australia in conjunction with universities and industry will be hosting the information evening for students interested in the idea of engineering as a career. As many Year 10 & 11 students are starting to think about career prospects with the impending HSC electives and work experience, this information evening is most topical. All the university representatives who speak on behalf of their engineering faculties reinforce the importance of studying Physics, Maths (to the highest level you are comfortable with) and Engineering Studies.

Engineering is a popular profession and if you were wondering what engineering is all about then this information evening is a must. I have attended several of these presentations over the past years and students and parents alike find the evening very informative and interesting. Give it some consideration and see me about further details if you are interested. Mr O’Neill, TAS Teacher
We welcome baby Aidan John Koenig who arrived safely last Thursday. Congratulations to Mr Koenig and his family.

**TAREE EISTEDDFOD:** Cadence will compete in the Taree Eisteddfod on Tuesday, 2 June. The vocal ensemble will present two contrasting songs. Best of luck to Mrs McKendry and the students.

**CELEBRATION OF PENTECOST:** This Sunday is Pentecost Sunday. As part of the celebration members of Cadence will be singing at the 9:30 am Mass.

**ST CLARE’S VOCAL GROUP:** The Vocal Group is preparing for the African Children’s Choir tour and concert to be held at the Manning Entertainment Centre on Monday, 1 June. Our final rehearsals with Mrs Brotherton and the wonderful Joey’s choir will take place next week and on the day of the concert.

This is a very exciting collaboration and is guaranteed to be an excellent concert. The combined St Clare’s and St Joseph’s choir will open the show with a variety of songs. The group will come together with the ACC for a fabulous Finale. Tickets are $25 for an adult and $15 for a child/concession. Tickets are available at the MEC or Video Ezy, Taree or online [http://themec.com.au/bookonline/african-childrens-choir/](http://themec.com.au/bookonline/african-childrens-choir/).

**DIOSOUNDS:** It is not too late to purchase your ticket for DioSounds. DioSounds is an annual event that captures the amazing musical talent of our secondary students in the diocese. Many of our outstanding St Clare’s musicians are diligently preparing the school item. The concert is on **Thursday, 4 June at 6:30 pm at the Civic Theatre, Newcastle.** All are invited to attend. Tickets are available from the Civic Theatre box office or Ticketek.

Viva la Musica,

YEAR 10 PHOTOGRAPHY REPORT: On Tuesday, 19 May, the Year 10 Photography class, Mrs Laurie and Daisy ventured to the great unknown of the abandoned old Taree Peters Factory site. Everyone was pleasantly surprised at the beautiful decaying buildings. Empty buildings that once held a great workforce. The sense of physical desolation is suggested in many photos taken of vast empty buildings, peeling paint, cracked walls and rusty smoke stacks. We took great photographs and as a class was able to understand our topic of “Urban Decay” the boundaries between decay, wasteland and vandalism were also explored. We would all like to thank Mr Evans for driving us there, Daisy especially, as she is the class mascot! Gabrielle Wyse and Renee Pettet
TWO GREEN THUMBS UP! ENVIRONMENTAL GROUP: The Environmental Group have been getting their hands dirty this week digging holes, planting plants and spreading mulch over our beautiful new garden.

So far we have completed about one third of our journey to finishing our garden, but there is still much more to be done. The Environmental Group would like to extend a thank you to the Dayoub family, the Stepowikow family, Miss Pearse and Mr Evans who have made very generous donations. These donations have assisted with the purchasing of more plants that will not only fill out our garden but also reduce our carbon footprint. The Environmental Group still needs your help however, and you can assist in the following way:

**SPONSOR A PLANT TODAY**

$5, $10, $15 OR $20

The Environmental Group is planning on beautifying the road side of the hall with various plants. We are calling upon the St Clare’s community to help us by sponsoring a plant. Anyone who wishes to participate can bring money to the bursar or see either Mr Bielby Jnr or Mrs Healey.

We will be acknowledging the sponsors through a plaque and a time capsule.

HELP US TO REDUCE OUR CARBON FOOTPRINT & MAKE ST CLARE’S EVEN MORE BEAUTIFUL!

ST CLARE'S PARENTS AND FRIENDS ASSOCIATION: The St Clare’s Parents and Friends Association (P & F) aims to promote healthy and meaningful partnerships between parents, students, parish, school and the broader community. In recent meetings we have had a very informative presentation on Cyber Safety for Kids and Parents; detailed Architects Concept Plan for Possible Expansion of St Clare’s, and an open discussion on Bring your Own Computer Device.

Our last P & F meeting was held at Holy Name Primary School, Forster. The parents acknowledged the positive direction of the P & F and were very appreciative of the P & F committee travelling to Forster.

St Clare’s P & F Meetings are held every 3rd and 7th week of the term on a Wednesday.

Our next meeting will be held at:
St Clare's Library, Wednesday, 3 June, 2015 commencing 6 pm

The focus of this meeting will be on the 'new improved yet to be released' St Clare's website and an update on the students uniform.

If you have ideas or visions that you wish for consideration, please tag the P & F meeting on your social calendar. Alternatively if you are unable to attend and wish to provide input, please email the secretary at pages16@bigpond.com

We look forward to seeing you there.

Linda Page, Secretary

MATHS WORKSHOP - Mathematics Workshop provides the opportunity for every student to obtain assistance and support in improving their understanding of mathematics. Four mathematics teachers are available each week to explain the concepts you are finding difficult or give assistance to enable you to complete your homework, assignments or any work that you may have missed due to absence from class.

WHEN IS IT ON? Wednesday lunchtime - every week.
Bring your lunch!

WHERE? Room 10
We hope to see you there!
