Dear Parents and Friends of St Clare’s

As part of the St Clare’s Environment Day last Tuesday the gardens around the school hall were officially opened. A great deal of time, effort and thought has gone into the construction, planting and mulching of the garden area and its completion has given a real lift to the school grounds. The students and staff who have worked on the area have made a great contribution to how the school looks and feels. Feedback about the gardens has been very complementary.

The significance of Environmental day was further emphasised by whole school prayer at the start of the day and the burying of a time capsule at lunch which contained photos of staff, students and existing buildings, plans for future construction and other memorabilia.

A part of the garden development, near the playing fields has been set aside as a memorial garden to former student Adam Augey who passed away in 2013. Mrs Carol Healy spoke about Adam, his love of sport and his strong commitment to his friends. Adam’s mother, Dominique Augey was able to attend and a plaque was unveiled to commemorate the naming of the garden.

My thanks to students and staff who attended each of these ceremonies and to staff members Carol Healy and Sam Bielby and student members of the Environment group who made the day so successful.

You may have noticed that the school has been advertising for staff for the 2016 school year. This week we interviewed for a permanent Maths Coordinator. Next week the executive will interview candidates for two Pastoral Coordinator positions and for the Learning Support Coordinator. I will publish the names of the successful candidates as they are appointed.

The next phase of our uniform review will be underway shortly. Parents and Friends President Jackie Burley and I met with Janelle and Barry from school uniform supplier Workwise on Thursday to set a timeline to look at the redesign of the girls sport shorts and the girls trousers. We also began discussion about being sun smart in our choice of head ware. Staff and students will be further consulted about the uniform through meetings at school. Interested parents can contact the school, attend P and F meetings or contact the P and F through the school website.
People who prepare well to meet a challenge are far more likely to be successful than those who are motivated by fear. It is important that our Year 12 students approach the upcoming exams with a clear expectation of themselves to revise well, ask questions when in doubt and to contact staff if they need advice. Students and parents who are unsure about work or further study post HSC exams should contact Carol Healy or Ian Evans for advice. Pastoral teachers can also offer excellent insight and support to students over the coming weeks.
If all else fails we could follow the advice of Mary Crowley in a Canopy of Stars
Every night
I turn my worries over to God…….
He’s going to be up all night anyway.

God Bless

Moving Onward

As I face each day
I am called to the new;
I am invited to take
The leap of faith:
To step out on the unknown path;
To embrace God's call once more.

Perhaps today I am urged
To trust more fully;
Or maybe I'm dared to love
More deeply:
To enter more fully into Him.
Do I have the courage
To surrender myself?
Am I willing to embrace
The mystery unfolding?
Can I accept today's need?
Of myself I am unable;
Jesus has promised to be with me.
I place my hand in His;
With His yoke on my shoulder
I walk the path with Him.

Mary MacKillop painting by
Aboriginal artist Hector Chundaloo

Mary MacKillop had a love for aboriginal people. She would be part of the aboriginal people's struggle today.

Hector Chundaloo was born in Turkey Creek in the Warmun Community in the Kimberley. He was a talented bush artist, Dreamtime story teller, station hand and a stockcamp cook on many cattle drives out of Texas Downs and Rosewood Stations, en-route to the facilities at Wyndham. He died in 2006.

Hector’s painting of Mary MacKillop has Mary, at the centre of the picture who is the Manampurra, the dreamtime person, a spiritual leader, as special lady like Our Lady, Jesus’ mother. The bush tucker minyjiwarra (bush plum tree) on either side of Mary is a sign of how her spirit nourishes the Australian people, of how she follows the Ngapuny way (God's way). Mary calls us to follow her spirit and join her in heaven when we die. The hill country represents her different camping places here on earth.

'Mary MacKillop had a love for aboriginal people. She would be part of the aboriginal people struggle today. She was a great lady for Aboriginal people. She had hard times, so do we have hard times and she can help us in these hard times particularly in the political issues of this time. Follow her in a Ngapuny way.'

PRAYER POINT 23RD Sunday in Ordinary Time 6 September
Mark tells us that “……they brought him a deaf man who had an impediment in his speech; and they asked him to lay his hand on him.”
I can just imagine the scene; a group of ordinary people waiting expectantly for Jesus, hesitantly asking Jesus for help. I can see their workday clothes, their humility and their faith. They’re not quite sure that Jesus can cure the man but they’re quietly hopeful. There’s no fanfare—this is just an ordinary day….an Ordinary Sunday.
Have a good week

Congratulations to Adam Mayers Year 12 who has gained entry into the Australian National University National Scholars program. Being an ANU National Scholar brings with it a range of benefits, including:

- An unconditional offer to study at ANU;
- Financial support;
- A Leadership Seminar at ANU Open Day on 29 August.

The busy and exciting times have started for Year 12 as they start to receive offers. Important dates for year 12 include: STAR program closes 9\textsuperscript{th} September, students will be advised of the outcome on 9\textsuperscript{th} November and offers will be made on 3\textsuperscript{rd} of December providing the course is first preference on UAC.

E12 applications for Sydney University close on 11\textsuperscript{th} September.

North Coast Institute TAFE applications for 2016 require students to ring 1300 628 233 and register for the course and when the TAFE has finalized how applications will proceed the students who have registered will be contacted.

Advice to all students be organised and have a realistic plan A, B, C and stress will be minimal.

Hospitality Happenings

Year 10 Hospitality students competed in the Cupcake challenge, choosing a winner was difficult. Congratulations to all.
FROM THE SENIOR SCHOOL

**Year 12 students** have only 2 weeks of classes left as high school students. The events supported by the school during this time are:

Prior to leaving school on Friday, 18th September, students should have purchased Graduation tickets for Friday, 13th November, and arranged tables. **Most tables seat 16: this equates to 4 students and their respective 3 guests.** Students are to organise who sits together on the tables. The school recognises that there can be some special circumstances regarding a request for extra tickets – contact Mrs Healey or Mr Evans.

It is critical that students continue to closely **monitor their school emails** – messages from Mrs Avery, Mr Evans and especially Mrs Healey will be sent at regular intervals.

**Year 11 students** have commenced their Final Preliminary HSC Course Examinations which run until Friday, 11th September, 2015. While most students are complying with the advertised attendance requirements, some are not abiding by the examination condition that, if a student has a morning and afternoon examination scheduled for the same day that a student is to REMAIN AT SCHOOL ALL DAY unless a parental note is supplied. Also, if students only have a morning examination then leave the premises thereafter, they are NOT TO RETURN to the school. These requirements are necessary to ensure that parents/carers and the school know with whom the responsibility for duty of care lies.

The Year 11 **Senior Retreat** will be held at the Uniting Church Conference Centre, Elanora Heights, in northern Sydney. It is a **MANDATORY EVENT** which will be held from Wednesday 21st October until Friday 23rd October. The cost is **$250 per student and is now 2 weeks overdue.** Thank you to those many families who have already made this payment.

Yr 11 Business Studies

Year 11 Business Studies conducted their annual virtual Business Trade Show recently. Thanks to all the students in Year 10, Year 11 and the many teachers who participated in the day purchasing shares in the companies and buying various different products. The Make School Cool business was very popular and won the goodwill award on the day for the most popular business and also achieved the most shares in their company. The ladies with Adopt me Baby made the most sales on the day as their cute animals grabbed the attention of the customers. The ladies with ProCharacter won the Creative Award.

Year 10 History Excursion to Port Macquarie

On Tuesday, 25th August, the two Year 10 History classes travelled to Port Macquarie to investigate some of the history of the local area. Students were split into three groups with each group rotating through three venues. At the Heritage Museum, students examined artefacts from the early settlement of Port Macquarie as a penal colony. From washing machines to toys and games, students gained a valuable insight into life in the early 1900s. Then to the Historic Courthouse, students were given some history as to the application of law and order of the early settlement, and an opportunity to re-create a court case and consider a verdict. Led by local heritage officer, Mitch McKay, we visited St. Thomas’ Anglican Church. Built by convict labour using 365,000 hand-made bricks, the church dates back to 1824. Aspects of restoration and conservation were discussed before nerves were tested as students scaled three floors via a wooden ladder to the observation tower. Thanks to Mr Solomon, Mrs Thomas and Mr Bielby who attended on the day. All venues commented on the excellent conduct of our students, and a good day was enjoyed by all.

Year 10 Geography Excursion to Old Bar

Year 10 Geography enjoyed a beautiful warm day at Old Bar Beach investigating coastal issues and the state of the eroding beach. We investigated the long shore drift, the impact of the waves and constructed a transect of the beach. Thanks to Club Old Bar who were very accommodating and efficiently served us lunch. The food was hot and very yummy. Thanks to Kim Mundey for helping me organise the menu and the venue for lunch and our guest speaker, Elaine Pearce. Elaine always comes well prepared to talk about the current situation facing Old Bar Beach. We were given the updated details of the progress with the beach erosion plan. Jaidyn Vella helped on the day taking photos of us all in action, thanks Jaidyn. Thanks to Mrs Grant, Mrs Davidson, Mrs Dunn, Robin Davies and Mrs Tilbrook for a great day out.

Mrs Tilbrook
The Yr 9 Excursion to Canberra and the Snowy Mountains departed from school on Sunday the 26th July. There was a bit of chaos with nearly one hundred bags scattered all over the ground, parents all looking through crowds trying to find their son or daughter so they can say goodbye. Once on the bus and on our way to Canberra the teachers got to find out how much the students were allergic to the seats. I don’t think there was a time that everyone was sitting still for more than 10 minutes. The bus trips was crazy at times, but once a movie was on and all the shouts to turn the volume up were over we finally got to the end of our bus trip with no accidents or delays.

We arrived in Canberra at five o’clock and had to try and organise people into rooms which went okay. It was rushed and everyone was running, well as best as they could while dragging along a suit case but we got settled finally and had a good meal. Everyone was dead on their feet ready to sleep but then we remembered that now the activities began.

At 6 o’clock we were stuffed back onto the bus at made our way to a night viewing of Questacon. Though many of us had been there before, the staff there continued to impress and amaze us with their new and even the old displays of science in action.

In the morning it was an early start to the day as we loaded the buses and all travelled to the centre of Canberra to first have guided tours in the old and new parliament house. The old parliament house had a new interactive feature that all the students got involved in. Parliament house is always a big thing for students to learn about and how the Australian government works and why things are happening in our country.
After our tours we stopped for a quick break before driving to the Australian War Memorial. It was at this place that we got to see our year coordinator’s love for history. Mrs Parvin had been there many times before but the excitement that came into her eyes every time she showed one of the students a different room was an amazing sight. After a long day we finally made it back onto the bus and now it was time to start our bus trip to the snow.

On Tuesday 28th, a lot of students in Year 9 saw snow for the first time. It was an exciting trip with everyone looking out the window to see who would be the first to spot snow. The weather was great with sunny skies but a good thick layer of snow covering the ground was the best part and there was no wind! Everyone had an exciting time learning how to ski. We had smiles, laughter and a whole lot of falls. Everyone had a great time learning the basics and for those who had done it before, well they were just laughing as everyone fell over.
This was the first of three great days in the snow. Some of the main experiences were the ride up to Blue Cow Mountain on the underground train, looking at the amazing view and settling down with wonderful hot chocolate. We enjoyed cheering on friends who just succeeded on their first slope, and of course the epic snowball fights which happened throughout the whole trip.

The Year 9 snow trip was the best experience and brought all of the students together as one to share the enjoyment of something so wonderful. The trip is a memory that will last a lifetime, with lots of individual moments and laughs to share.

I would like to thank all the teachers who came on the trip and enabled this to happen. Without you there would have been a lot of lost objects, soaked clothes and of course sleep deprived kids.

So thank you so much Mrs Rowsell, Mrs Wesley, Miss Aitchison, Mr Clacherty, Mr Collier, Mr Bielby and Mr Gonfond. Thank you so much for coming along and taking time out of your life to look after us and making sure we had the greatest time we could. Now I would like to give a special thank you to Mrs Parvin and Mr Carney. Without their organisation none of this could have happened and a lot of kids would have missed out on the experience of a life time. I know that the students didn’t help much with notes coming in late, wrong information needing to be chased up, money not being in on time but you two were able to work through all that and organise the best trip you could have done and have allowed all these great moments to be made that we can have with us for the rest of our years to come.

Lisa Nicholson, on behalf of Yr 9.
Thank you to the Federal Government
Students from St Clare’s have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed funding of $30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

MATHS WORKSHOP - Mathematics Workshop provides the opportunity for every student to obtain assistance and support in improving their understanding of mathematics. Four mathematics teachers are available each week to explain the concepts you are finding difficult or give assistance to enable you to complete your homework, assignments or any work that you may have missed due to absence from class.

WHEN IS IT ON?  Wednesday lunchtime - every week.
Bring your lunch!

WHERE?  Room 10
We hope to see you there!

Mrs Julie Rowsell- Mathematics Coordinator
St Clare’s Environment Day, 2015

The first annual St Clare’s Environment Day was a huge success with many students showing their support by wearing green. During recess, students took great delight in devouring the tasty cupcake creations that were supplied by members of the Environmental Group.

Many attended the opening ceremony for the Environmental Garden at lunch. During the ceremony Mr Nicholls officially opened the garden, Isaac and Odin Augey assisted in the burial of the time capsule, and a special garden in memory of their brother, Adam Augey, who also attended St Clare’s, was unveiled.

On behalf of the Environmental Group, I would like to thank everyone for their support and hard work in the lead up, and on the day. In particular, I would like to extend special thanks to Mrs Healey, who worked tirelessly in the background alongside the Environmental Group to help finish the garden. I would also like to thank the students of the Environmental Group who have given up their time to make St Clare’s a cleaner, greener and better place.

Mr Bielby

WORLD ENVIRONMENT DAY

9.2 Geography World Environment Day picks up a record 706 pieces of rubbish in 10 minutes from the St Clare's playground.

The rubbish mainly consisted of water bottles, food wrappers, straws, bottle lids and plastic bags.

The 9.2 Geography class has been very aware of our environment since we were spoken to about the Take 3 initiative by an organisation called Take 3 from the sea which says when walking down the street or along the beach or even around the playground see if you can just pick up three pieces of rubbish so that they do not reach the sea or infect our wide life.

On Environmental Day we believed that we should take it just a step further and see how much rubbish we could pick up in under 10 minutes, all the students raced into the playground with bags and boxes to see how much of a difference we could make in so little time.
After around 7 minutes everyone brought their rubbish back into the classroom and then we counted it while putting it into a big bin, once counting for over 15 minutes we finally finished at the figure of 706.

Earlier in the day, two Year 7 classes went out and collected 500 between them, which means that in one day we could collect over 1000 bits of rubbish in less than 20 minutes.

**PARENT & STUDENT REMINDERS:**

**LEAVE NOTES & STUDENT MESSAGES:** It would be appreciated if parents/guardians would send in a written note if their child needs to leave early for appointments etc. Notes should be handed in at the front office in the morning before roll call. If parents/guardians need to notify their child of a change of afternoon arrangements, it is necessary to phone the school prior to 2:25 pm (End of Lunch – Monday, Tuesday, Wednesday & Friday) or prior to 1:55 pm (End of Lunch – Thursday Sport) as it is often difficult to locate students if their last lesson is a PE Prac or there has been a room change.

Students cannot be collected from the school during school hours by anyone other than a parent or guardian without written permission. Thank you.

**LATE NOTES:** Lateneness to school is recorded as a partial absence and must be explained to the school the same way as other forms of absence. Arriving Late for school requires a handwritten note from a parent/carer or a phone call from a parent/carer or the absence is recorded as an unexplained partial absence. Thank you.

**SCHOOL CLINIC:** Students are reminded that if they are unwell whilst at school they are to advise their teacher who will then send them to the Front Office. If necessary, the office staff will contact a parent while the student waits in the Clinic. Students are not to contact parents on their mobile phones as this leaves teachers and office staff unaware of the situation and is also in breach of the school policy – use of mobile phones. Thank you.
CREATIVE ARTS NEWS

Congratulations to Miss Morag Aitchison and Year 12 Visual Arts students for completing their Body of Works. These works will be itinerant and corporate marked early next term. All works were on display for students, parents, friends and staff last Thursday afternoon. Our young artists presented a diverse range of artworks including drawings, sculpture, ceramics, printmaking and textiles. The Exhibition of Works were all of a very high standard and were well received by all who attended. Well Done year 12 Visual Arts students now you can focus on studying for your upcoming HSC exams. Good luck.

Year 12 Music HSC Concert

The past three Sunday evenings our wonderful Year 12 Music1 students have presented their performance pieces in preparation for their HSC Exam on Wednesday, September 9. Thanks to Mr McDougall for his invaluable input and generosity of time. Special thanks to members of the Year 10 Elective Music class, Johnathon Black, Nirian Boelling-McDougall, Maddison Hayes and Tom Lee, Jordan Brown from Year 11 and Shenaye Dawson from Year 12 who are supporting the students by playing for them.

We wish EMILY McKENDRY, SARAH MURPHY and BAYLEY UNDERWOOD all the best for the Performance Examination.

St Joseph’s String Fair

The Year 9 Elective Music Class will be performing at the St Joseph’s Spring Fair on Saturday September 5 at 10.15 am. All are welcome to come along and support the students.

The St Clare’s Vocal Group rehearses each Monday at lunch. You do not have to be the best singer, just be able to enjoy singing. It is a great way to meet other students whilst having fun. New members are still very welcome to join us.

WHAT: St Clare’s Vocal Group
WHERE: Room 36
WHEN: Monday Lunch 1.
Viva la Musica,
Mrs Brown.
On the 14th of August, St. Clare’s hosted the RSPCA Cupcake Day for 2015. With the help of PC 11-2, we managed to prepare hundreds of cupcakes for the hungry mouths of the students, all of which were gone by the end of the day. In total, we managed to raise $800 for the shelter and protection of animals in the care of the RSPCA. We are, however, just short of our goal of $1000, and with your generous donations we believe we can make a real difference. If you love your animals, please click the link below and help us help them: https://rspcacupcakeday-nsw2015.everydayhero.com/au/the-cupcake-co
Many thanks to all helpers and donors, Jarrah Hudson and Thomas Dormor
