Dear Parents and Friends of St Clare’s

Over the past two weekends I have travelled interstate to attend a funeral and a wedding. Each gathering brought me into contact with people I had not seen for a long period of time. Both gatherings emphasised the important role family and friends play at critical times in our lives and the strength we gather from those who are closest to us at times of loss, stress and strain.

These themes are a constant presence in this week’s newsletter. Mr Evans reminds us that our HSC students will receive their results next week. Their joy and sense of achievement will be shared first with those closest to them; their family and closest friends, those who have shared the highs and lows of the journey.

The photos of the TAFE award ceremony that Ian Evans and I attended this week show our students enjoying the rewards of hard work and the sense of accomplishment that they have achieved through the help of the teachers, peers and family.

These sentiments were reflected with great pathos at the poppy ceremony held on Friday at Taree RSL Club. Year 9 students read excerpts from the diaries and letters of men serving at Gallipoli. Amongst the descriptions of the land and action was a strong sense of disconnection and loss that could only be countered by contact with family and loved ones.

Our successful debaters and Year 7 animators all realise that when the going gets tough it is usually those who love them and care for them who are best able to support them.

As we draw close to Christmas we can gain much by ensuring that our relationships with those we love are in a fit and robust state and that we haven’t been taking those close to us for granted. Pope Francis reminds us not to be afraid of tenderness. Recent events have reminded me that my family and friends, though spread far and wide across Australia, are with me in times of need.

God Bless

Principal
**PRAYERS:** Please pray for those who are currently experiencing health difficulties and continue to pray for community members experiencing challenges, pain, sickness and grief in their lives at this time.

**CHAPLAINCY/PASTORAL CARE:** A reminder to all that the school has a Chaplain. Please feel free to contact our Chaplain, Deacon Vince Ryan, through the school office if he can be of assistance to you or any member of our whole school community.

**VINNIES CHRISTMAS HAMPER APPEAL:** Our appeal will finish on Tuesday morning, after which the baskets will be collected by our friends at Vinnies Taree for preparation into approximately 100 hampers that will bring great joy to many families in the Taree area. A big thank you to all who have contributed to our appeal. It shows a great community spirit at St Clare’s that is willing to support many in need.

If you haven’t contributed or still wish to contribute please do so on either Monday or Tuesday morning. **Deacon Vince**

**PRAYER POINT: 3RD SUNDAY OF ADVENT - 13 DECEMBER**

Today St Paul, says to us:

“I want you to be happy, always happy in the Lord; I repeat, what I want is your happiness. Let your tolerance be evident to everyone: the Lord is very near. There is no need to worry; but if there is anything you need, pray for it, asking God for it with prayer and thanksgiving, and that peace of God, which is so much greater than we can understand, will guard your hearts and your thoughts, in Christ Jesus.”

Now that’s a Christmas present!

Have a great week.

**Denise Ryan, Ministry Coordinator**

**Words from Pope Francis - 12 December**

‘When God meets us he tells us two things. The first thing he says is: have hope. God always opens doors, he never closes them… The second thing he says is: don’t be afraid of tenderness.’
In a few moments I will have the joy of opening the Holy Door of Mercy. We carry out this act—as I did in Bangui—so simple yet so highly symbolic, in the light of the word of God which we have just heard. That word highlights the primacy of grace. Again and again these readings make us think of the words by which the angel Gabriel told an astonished young girl of the mystery which was about to enfold her: “Hail, full of grace” (Lk 1:28).

The Virgin Mary was called to rejoice above all because of what the Lord accomplished in her. God’s grace enfolded her and made her worthy of becoming the Mother of Christ. When Gabriel entered her home, even the most profound and impenetrable of mysteries became for her a cause for joy, a cause for faith, a cause for abandonment to the message revealed to her. The fullness of grace can transform the human heart and enable it to do something so great as to change the course of human history.

The feast of the Immaculate Conception expresses the grandeur of God’s love. Not only does he forgive sin, but in Mary he even averts the original sin present in every man and woman who comes into this world. This is the love of God which precedes, anticipates and saves. The beginning of the history of sin in the Garden of Eden yields to a plan of saving love. The words of Genesis reflect our own daily experience: we are constantly tempted to disobedience, a disobedience expressed in wanting to go about our lives without regard for God’s will. This is the enmity which keeps striking at people’s lives, setting them in opposition to God’s plan. Yet the history of sin can only be understood in the light of God’s love and forgiveness. Sin can only be understood in this light. Were sin the only thing that mattered, we would be the most desperate of creatures. But the promised triumph of Christ’s love enfolds everything in the Father’s mercy. The word of God which we have just heard leaves no doubt about this. The Immaculate Virgin stands before us as a privileged witness of this promise and its fulfilment.

This Extraordinary Year is itself a gift of grace. To pass through the Holy Door means to rediscover the infinite mercy of the Father who welcomes everyone and goes out personally to encounter each of them. It is he who seeks us! It is he who comes to encounter us! This will be a year in which we grow ever more convinced of God’s mercy. How much wrong we do to God and his grace when we speak of sins being punished by his judgment before we speak of their being forgiven by his mercy (cf. Saint Augustine, De Praedestinatione Sanctorum, 12, 24)! But that is the truth. We have to put mercy before judgment, and in any event God’s judgement will always be in the light of his mercy. In passing through the Holy Door, then, may we feel that we ourselves are part of this mystery of love, of tenderness. Let us set aside all fear and dread, for these do not befit men and women who are loved. Instead, let us experience the joy of encountering that grace which transforms all things.
Today, here in Rome and in all the dioceses of the world, as we pass through the Holy Door, we also want to remember another door, which fifty years ago the Fathers of the Second Vatican Council opened to the world. This anniversary cannot be remembered only for the legacy of the Council’s documents, which testify to a great advance in faith. Before all else, the Council was an encounter. A genuine encounter between the Church and the men and women of our time. An encounter marked by the power of the Spirit, who impelled the Church to emerge from the shoals which for years had kept her self-enclosed so as to set out once again, with enthusiasm, on her missionary journey. It was the resumption of a journey of encountering people where they live: in their cities and homes, in their workplaces. Wherever there are people, the Church is called to reach out to them and to bring the joy of the Gospel, and the mercy and forgiveness of God. After these decades, we again take up this missionary drive with the same power and enthusiasm. The Jubilee challenges us to this openness, and demands that we not neglect the spirit which emerged from Vatican II, the spirit of the Samaritan, as Blessed Paul VI expressed it at the conclusion of the Council. May our passing through the Holy Door today commit us to making our own the mercy of the Good Samaritan.

FROM THE SENIOR SCHOOL:

HSC RESULTS: Year 12 students will receive their 2015 HSC results via email and text message from 6am next Wednesday, 16 December. Students should visit Students Online before 5pm on Tuesday, 15 December to ensure their contact details are correct.

Students can also access their results online from 6am on Wednesday 16 December, via Students Online or one of the other HSC delivery sites, www.hscresults.nsw.edu.au or www.hsc-results.nsw.edu.au, using their student number and HSC PIN (created when they activated their Students Online account).

At the same time, the school will access our students HSC results via Schools Online.

Students will be able to download, save and print their full HSC credentials from Students Online from Wednesday, 30 December. Eligible students will also receive a HSC testamur in the post from Wednesday, 20 January 2016. More details are available on the Students Online homepage.

The 2015 HSC merit lists will be published progressively on the BOSTES website from Tuesday, 15 December:

- First in Course – students who come first in an HSC course (provided their result is also in the top band).
- Top Achievers in Course – students who are in the top places in each course and who have also achieved a top band result.
- Distinguished Achievers – students who have received a top band result in one or more HSC courses.
- All-round Achievers – students who are distinguished achievers for courses totalling 10 or more units.

For more information, contact: Students Online > Results > Getting your results OR ring the HSC Inquiry Centre (1300 13 83 23). This phone service offers a valuable opportunity for students to speak to experienced BOSTES staff about all aspects of their results.

ATAR RESULTS: On Thursday, 17 December 2015 (the day following the release of HSC results) those students who applied will receive their Australian Tertiary Admission Rank (ATAR). ATARs can be accessed from 9am at http://www.uac.edu.au/undergraduate/atar/

Students will need their Year 12 student number and your UAC PIN to log in. Families are reminded that, although the school has the student numbers, we do NOT have access to each student’s PIN.

Visit the ATAR website to read about how the ATAR is calculated and more information on getting results. In general, the ATAR provides a measure of a student’s overall academic achievement in relation to that of other students and helps universities rank applicants for selection into their courses. Each .05 increment has about 50 students i.e. there are about 50 students who will receive an ATAR of 67.85. So, the highest ATAR of 99.95 will contain the top 50 students in the state – it does NOT mean that they got an average mark of 99.
In terms of our ability to identify the **2015 Dux** and to make recommendations to students in future years, it is vital that all Year 12 students contact the school to inform us of their ATARs. By comparing these ATARs with HSC marks, it enables us to gauge trends which assist us in supporting our next cohort, the Class of 2016, with regard to post school options. This information will NOT be released unless approval is given by a student.

We prefer students to come to school to speak with staff, especially Mrs Healey, Mrs Avery and Mr Evans, but, if that is not possible, then a phone call (6552 3300) to the office is fine.

Students who phone will be asked to respond to 3 questions:

1. What is your ATAR?
2. In light of this ATAR, what is your intended career choice for 2016 (i.e. further study, employment, gap year)?
3. Can the school release your information/photograph to the wider community including local press?

Mrs Healey, Mrs Avery, Mr Nicholls and Mr Gibney and Mr Evans will be available on:

- **Thursday, 17 December, until 1 pm** - (start of the staff off-site Christmas Lunch)
- **Friday, 18 December, until 3 pm** - (start of the School Summer Holidays).

A detailed report on the HSC results for the Class of 2015 will be included in next week’s final 2015 edition of this school newsletter.

**Year 11 students** might be feeling a little ‘under the pump’ at present with a series of formal assessment tasks being held. Despite support from home, from teachers, mini-study hint lessons from Mrs Healey, the recent Elevate Studyskills Program, the availability of School Counsellor, Tania Gorton, and a whole Preliminary Course of preparation in HSC skills, some students are feeling uneasy to the point of distress. Stress is a positive motivator, but once it becomes distress, it is a negative influence.

Planning is an excellent tool to reduce stress/distress. Students have been trained and encouraged to **commence work on assessment tasks as soon as they are issued** (minimum of two weeks prior to the due task date) and to speak to teachers in order to clarify expectations so that a plan to address the requirements of the task can be made: Prior Preparation Prevents Poor Performance. This planning is essential and, according to the old proverb, "**Failing to plan means planning to fail**". In the current educational paradigm, ‘to fail’ means not meeting the prescribed outcomes of a course rather than not achieving a certain number of marks (e.g. 50%). If, despite prior planning and proper preparation, students still feel distressed rather than a bit stressed, they should talk to parents and Year Coordinator, **Mrs Bronwen Davidson**, so that extra support can be organised.

Ian Evans, Year 12 Student Coordinator and Bronwen Davidson, Year 11 Student Coordinator
CAREERS CORNER: Next week, we will celebrate the achievements of Year 12 students and their families as the HSC results are released for all students and, for most students, ATARs accessed.

This week, however, we have had cause to celebrate some Year 11 special achievements through the North Coast TAFE NSW (Taree) Student Awards Presentation evening.

In a very large gathering attended by our Principal, Mr Nicholls, and 2016 Careers Adviser, Mr Evans, three students received awards.

The first recipient, Ashley Doorey, was recognised through the Major Community Award, Year 11 Mid Coast Connect TVET, Excellence in Work Placement Award, through her outstanding accomplishments in her placement at Happy Rompers childcare centre. This was undertaken as part of her Certificate III in Early Childhood Education & Care.

Under the Community Services Award (Aged Care) awards category, both Abbey Dawson and Karly Formby received the TVET Year 11 Achievement Award. These students are studying Certificate III in Aged Care.
The St Clare’s High School Careers website (http://www.stclarescareers.com/) is up and running and in the process of being attached to the whole school website. This should be completed over the coming Summer Holidays in preparation for the 2016 academic year. Access is also available to jobjump (www.jobjump.com.au). Both these sites are sources of useful information and can be accessed by parents. The password for jobjump is monkeys and the St Clare’s site does not have a password. Parents are encouraged to access these sites with their child.

DEBATING SYDNEY 2015: On 6 November, two of our debating teams competed in Sydney at Catherine McCauley Catholic College at Westmead. The four regions of NSW known as Hunter, South Coast, North Coast and Western challenged each other to produce the NSW Regional Champions, and then these Regional winners competed that night against the winners of the Metropolitan.

Our Year 8 team Bianca Debono, Abbey Last and Miguel Guthridge, valiantly debated the prepared topic, ‘That we are slaves to fashion’ being the affirmative team. Unfortunately they lost this first debate but after their initial understandable disappointment, they vowed to be back next year. This team has been the winning Year 8 team of our diocese so we are very proud of them.
Our Year 9 team, Ben de Berg, Finn Fagerstrom and Luke Strong were also the affirmative, in their first debate, with the topic, ‘That fear rules our lives.’ Due to winning this debate they went on to their next debate and became the winners of the NSW Regional Debating Competition.

This meant returning that night to compete against the winning Metropolitan Team. Three adjudicators are used and everyone chews their fingernails during this entire debate! We lost. We were told it was a split decision. But what the heck. Both teams can’t win! The boys had had a long day of debating and we are so proud of them. RUNNERS-UP STATE CHAMPIONS has a marvellous ring to it and all were presented with a plaque at the following ceremony. Well done boys!

A mighty thanks must go to all the parents and family who accompanied our teams. The support was wonderful. Also a big thank you to Mrs Carmel Tapley who stayed the whole day and night to support our teams from her Newcastle Diocese. Jenny McKendry, Debating Coordinator

THE BIG SCIENCE COMPETITION: The Big Science competition was yet another success this year with students attempting the competition online. With fierce competition, students from Years 7 to 11 tested their knowledge and skills across a wide range of scientific fields. The results include:

- **Sidhant Joon** – High Distinction
- **Clare Sephton** – Distinction
- **Thomas Dayoub** – Credit
- **Casey Griffiths** – Participation
- **Levi Evans** – Participation

I would like to congratulate all who entered this year. The Big Science competition will be returning next year. For more information, please consult your Science teacher. Sam Bielby, Science Teacher

ENGLISH NEWS: From Monday, 30 November, through to Thursday, 3 December, all Year 7 students were involved in making their own Claymation film. The students mostly worked in groups of four and spent a day making their clay figures, filming and editing. The equipment and instruction was provided by a company called Digi Ed, who have been coming to the school for a number of years. The project was a means of assessing the student’s knowledge and understanding of narrative structure. It also exposed students to the use of digital technologies and allowed them to play with music, sound effects and camera angles. Every student found it to be a rewarding experience and they were given a DVD of their film to take home. Teachers were impressed with the creativity shown in creating backdrops, clay figures and engaging storylines. Some of the storylines involved shark attacks, ocean rescues, car races, a recreation ‘Red Dog’ and many more. Without a doubt, there are some very creative students in Year 7 with a great deal of potential. Maureen Busby, English Coordinator

TEXTBOOKS: A reminder to all students in Years 7 to 10 and Year 11 Preliminary that they will need to return their textbooks and library books to the bookroom so that they may be processed for 2016. Textbooks will not be lent to students next year if outstanding loans are not returned or paid for if missing. Karen Kelly, Bookroom Supervisor
RETURN OF SCIENCE TEXTBOOKS: It is now time to return any of the *Science Focus* textbooks or CDs you may have borrowed this year.

A number of *Science Focus* textbooks and *Science Focus* CDs have not yet been returned by students. In some cases students have taken another student’s textbook by mistake. It may well be sitting around in someone’s home, locker, or school bag.

I therefore am urging all students and their parents to have a good look about their home, locker, or school bag, to see if they are able to locate some of these missing textbooks and CDs.

Lost textbooks and/or CDs will be invoiced to the student in order to replace them. In some cases this may amount to fees exceeding $50. This is particularly frustrating for students and parents if the textbook has been taken through no fault of their own.

Furthermore students who have not returned textbooks from the previous year are unable to borrow the resources they need to commence the year’s classwork.

If you have lost your textbook and/or CD please speak to **Ms Sheena O’Doherty** (Studies Coordinator – Science) or **Mrs Karen Kelly** (Bookroom Manager) immediately to see if it can be traced. **Ms Sheena O’Doherty (Studies Coordinator – Science)**

POPPY INSTALLATION: Year 9 Visual Arts and Photography students installed 4000 handmade red poppies at the Taree RSL Club. As part of the 100 years of remembrance from the ANZAC Gallipoli campaign. The poppies have been created from Year 9-11 Visual Arts students from around the Maitland Newcastle Diocese. This is a travelling installation and will be installed in the home towns of every Catholic High School in the Maitland Newcastle Diocese. The Year 9 students participated in the ceremony on Friday and it was very well received by the RSL. **Jason Koenig, Creative Arts Coordinator**
CAROLS BY CANDLELIGHT: Congratulations to all the students who were involved in Our Lady of the Rosary’s Carols by Candlelight evening last Sunday; it was a fantastic night of community, celebration and Christmas spirit. St Clare’s was well represented.

Georgina Saad was brilliant as co-MC

Cadence, under the direction of Mrs McKendry performed The Advent Song and Silent Night in French, English and German. Special thanks Mrs McCann who sang with the ensemble.

Members of the Year 9 Elective Music class, Samuel Brown, Harrison Doble, Hannah Dormor, Teisha Farr, Charlotte Higgins, Samuel Holliday, Saksham Lama, Nicholas Parsons, Hamish Ross and Clare Sephton presented two items; a contemporary version of Angels We Have Heard on High, Jesus, What a Wonderful Child and a communal arrangement of The Little Drummer Boy. These students were outstanding.
Thank you to Mrs Healey, Mrs McCann and Mrs McKendry who performed with us, enriching our presentation.

Viva la Musica,
Mrs Brown

AUSTRALIAN CATHOLIC YOUTH FESTIVAL: “Blessed are the pure of heart, for they shall see God”

Last week I had the privilege of attending the Australian Catholic Youth Festival (ACYF) in Adelaide. It was most definitely a life-changing, once-in-a-lifetime experience. It gave me the chance to learn more about my faith and meet new people who share the same faith as I do, and who learnt as much as I did in the five days we attended. There was time for prayer, time for music, laughter, fun, singing and dancing. The people I met, not only from our diocese, but from other dioceses as well, also taught me more about my faith in the sense that there are many religions, but that doesn’t affect you. Your faith is all that matters to you, and if the people around cannot accept that, then that is their problem. Don’t let them bring you down with their negativity. You are so much better than that. ‘You are so much better than that,’ is something that all the speakers said in their talks.
Each day we had the opportunity to go to different talks from different people; there was Sr Hilda Scott, Fr Rob Galea, Jason Everet, Steve Angrisano and many, many more, but there were two who stood out most to me. Two things I got out of Sr Hilda’s talk was ‘Do not be afraid, for I am the Lord.’ This spoke to me, and has been in my mind since that day. Also, in Sr Hilda’s talk, we sang together, Acapella style, she would sing the words then we would sing it back to her. The lyrics were very simple, but also very effective; ‘Jesus, Jesus, Let me tell you what I know, You gave me your Spirit, I love you so.” Everyone in the room, about 500 or so, sang this with all their strength, singing to the Lord, making Him aware that we are talking to Him, and praying as a group. Also, Jason Everet whose talk was ‘Love or Lust’. He told a story of a girl who, when she was 14-16 years of age, stopped going to parties and talking to guys, and when she was asked to go to a party, she wrote a letter to her future husband. On the night of their honeymoon, at 12am, she gave him the letters saying, “Honey, I have something for you.” Surprised by this, the husband closed his eyes, held his hands out and smiled. He read the letters and started to cry. Jason was the husband. This story really touched me as I am sure it touched everyone who heard it. There were so many other speakers who were awesome as well.

All in all, it was the best experience of my life. I have to thank Deacon Vince Ryan for suggesting that I go. Without his encouragement, my faith wouldn’t be as strong as it is to me now. There were three new people I met in Adelaide who I have so much in common with, it felt like I was talking to myself, but looking at different people. We all agreed that God lead us to each other and it was his mission that we be together and become really good friends for life. Well, God, mission accomplished! Veronica Holden, Year 11

**LOST PROPERTY:** There are numerous items in the school lost property including jumpers and tracksuit jackets. Please claim any items before the end of the year as they will then be donated to St Vincent de Paul.

CHOOSE YOUR GLOBAL GIFT

THE GIFT OF WATER
Bring the joy of fresh, clean water to some of the world's most vulnerable communities. This Global Gift will help improve health, sanitation, and hygiene. With clean water, diseases can be prevented and communities begin to flourish.

THE GIFT OF FOOD
Bring the joy of nutritious food to people who don't have enough to eat due to poverty, conflicts, natural disasters or climate change. This Global Gift will give mothers access to food for their children, and could help save a life this Christmas.

THE GIFT OF AGRICULTURE
Bring the joy of sustainable agriculture and new livelihoods to some of the poorest communities in the world. This Global Gift will help support training programs that empower communities to produce sustainable crops, providing essential food and income for families.

THE GIFT OF EDUCATION
Bring the joy of education to children and adults who don't have access to schools and learning. This Global Gift will help people to learn to read and write, empowering them to create better futures for themselves and their families.

THE GIFT OF EMERGENCY RELIEF
Bring the joy of emergency relief to people stricken by war and natural disasters. This Global Gift will help provide shelter, food, water, healthcare, education and protection to people who are dealing with the immediate and ongoing consequences of an emergency situation.

THE GIFT OF HEALTHCARE
Bring the joy of healthcare to mothers and children around the world. This Global Gift will help provide mothers with education and training on preventative healthcare, dental hygiene and fund programs that provide food and medical aid to improve community health.

THE GIFT OF JOY FOR AN ENTIRE COMMUNITY
Transform lives and bring joy to entire communities. This Global Gift will help support far-reaching community programs that empower extremely poor communities to create change. Through HIV/AIDS education, agricultural training, and, improved access to water, food and sanitation, communities are able to build paths out of poverty.
