Dear Parents and Friends of St Clare’s  

Our HSC students received their results yesterday. Our students received excellent results. My congratulations and thanks to all our students and staff members for their hard work over the years of their secondary education. Thank you also to our colleagues in our local primary schools for their great work in preparing their young people for life beyond grade 6. Congratulations to Sarah Locker who is Dux for St Clare’s 2015. A copy of the information released to the press is included in this newsletter.

This week our senior leaders organised and ran an assembly to thank departing staff for their service to the school community. Staff members Michael Knight, Leann Sullivan, Morag Aitchison, Anne Larbalestier, Sue Morris, Anne Little and Carol Healey were acknowledged for their passion and commitment to learning and teaching in the St Clare’s community. The assembly combined fun and a tangible level of respect for these fine people who have given great teaching and leadership to our school. The ceremony was invested with great dignity and I thank staff member Catherine Eady and the Senior Leadership group for their thoughtful and engaging efforts on behalf of our retiring and relocating colleagues.

Yesterday the school acknowledged students from Years 7, 8, 9, and 11 who have excelled in their learning throughout the year. I am extremely grateful for the large number of parents and members of the local community who were able to attend and support the young people and their learning. Special thanks to Fr Greg and Fr George, Sr Ellen, Sr Louise and Sr Kathryn, Mr Darcy Elbourne, Mr Bob Coombes and Mr Dennis Lawrence from the RSL Sub-Branch, Mr Gerard Mowbray of the Catholic Schools Office, Mayor Paul Hogan, Mrs Jackie Burley, President of the St Clare’s Parents and Friends Association and all our guests for their time and support.

Year 10 had a busy week following their camp. Their Awards Assembly was attended by a great number of parents and I thank them for the support of the school and their sons and daughters. The assembly acknowledged the excellent work that our students invest in their studies and the fine support our staff offer our young people as they learn and grow. The Assembly was followed by the annual Year 10 Social which was a great success. It was lovely to see the young men and women enjoying the feeling of being dressed formally and enjoying the company of their peers. Thanks to Karen McCann, Marian Parvin, Carol Healey and the team for their organisation of the camp and the Year 10 social.
It is with pleasure that I provide a list of staff for 2016 further in this newsletter.

For most of us Christmas is a time of joy. For others in our community Christmas is a time when they feel neglected and without hope. The St Vincent de Paul Society, through its visits and food hampers, does much to alleviate the feelings of isolation and despair that some experience over the Christmas New Year period. I was very pleased to see that the “Vinnies” food collection was very well supported by our families and that over 40 baskets of food will be distributed to people in need in our community. Thanks to Deacon Vince Ryan and to the school’s Vinnies organisation for their great work.

The holidays have arrived and the scramble to buy presents, prepare food and places for the visitors to stay may be a major preoccupation at your place. As you and your family gather can I ask you to spare a minute to reflect on the peaceful nature of our country?

There is nothing more corrosive to a healthy lifestyle than fear. There are people and organisations inside and outside our country who want us to be afraid to exercise our rights. They are willing to use violence to create fear and animosity between people in our community. The simplest antidote to this evil is to do what we do and when the opportunity exists; welcome a stranger.

Thank you for your support for our staff and students throughout the year.

I wish you all a happy, safe and Holy Christmas

God Bless

Principal

P & F – NEXT MEETING, WEDNESDAY, 10 FEBRUARY 2016
6 PM SCHOOL LIBRARY

PRAYERS: Please pray for those who are currently experiencing health difficulties and continue to pray for community members experiencing challenges, pain, sickness and grief in their lives at this time.

CHAPLAINCY/PASTORAL CARE: A reminder to all that the school has a Chaplain. Please feel free to contact our Chaplain, Deacon Vince Ryan, through the school office if he can be of assistance to you or any member of our whole school community.
How Will We Reflect Christ to Others this Christmas?
December 25, 2015
From the early days of the Congregation until the 1960s, Christmas was a busy time.

The Sisters packed up their belongings, left their small remote communities and gathered in larger houses. There they made a retreat and were told their mission (destination) for the following year. Therefore, each year they brought with them their few possessions in case they had to move. There was no going back to the place a Sister had left to pack up her things - hence the big packup before leaving. Christmas was also ‘catch up’ time for rest and relax with friends and companions. Each year, Mary MacKillop sent a Christmas letter to the Sisters, often with practical details of the gathering, but always with a message about the feast.

Although the festival of Christmas is long established in the Christian tradition it was not always a separate feast. It was the fourth century before the Nativity came to be celebrated on December 25th. Even after it became regular practice, the feast of the first coming of the Lord was always remembered in light of the resurrection: ‘The word became flesh and dwelt amongst us’. This core meaning of Christmas in the tradition continues to be, not the small baby in the manger, but the incarnation: God becoming human. On Christmas day we celebrate the mystery that Christ’s humanity made it possible for us to share in his divinity and so enjoy the fullness of everlasting life.

As Josephites we are women (and men) of the incarnation. Like Mary we are Christ bearers, being Christ for others and finding Christ in in our sisters and brothers. Christ today is most visible in the refugee and asylum seeker, those caught in a war zone and those struggling to survive without sufficient shelter and food. Christ is perhaps less visible in those who are lonely and depressed, the parents who feel wretched because they are unable to provide presents or special treats for their children, some of whom are our neighbours or even our own loved ones. Least of all, might Christ be recognised in those who are so caught up in the excesses of Christmas, the food, drink and expensive gifts that they have forgotten the original reason for the feast. And yet all of these are the Christ we serve.

How will we reflect Christ to others this Christmas day? Our day will begin with the Eucharist, when we experience the mystery of Christ’s Body sacramentally amongst those gathered and in word and table. From the Eucharistic banquet we go out, perhaps to share this day with our family, friends or community, or to reach out to the stranger, the lonely person or a recently arrived refugee family.

For us Christmas is an everyday event – each day the Word becomes flesh in our lives.

In December 1899, Mary wrote her Christmas greeting: ‘Happy indeed in the love of God, and true religious peace, I hope yours will be. Though many of us will be far apart, we can be united in spirit, and pray for each other at the Crib, and at the Altar.’ In 2015 when our world is scarred by war, terrorism and natural and human related environmental disasters, let us echo Mary’s message - a message of hope and peace.

How Do We Hear God's Whisper?
December 08, 2015

Most of us know that Advent is a time of expectant waiting and preparation for the celebration of the birth of the child Jesus at Christmas.

As we repeat these rituals, year after year following the same routine, are we filled with the childlike curiosity of expecting and waiting for something exciting to happen while preparing the sets? How can an event that happened over two thousand years ago happen again today?

We know the wisdom of living in the present. So the challenge is to see how the story of two thousand years ago can be present today, right where we are. Mary MacKillop says it is possible: 'There where you are you will find God'. If we allow the scriptures to do 'time travel' and bring us to the village where the young Mary lived, we can visit her and share her human feelings about being a young mother bearing a child who she was told would be so important. How does Joseph participate in the pregnancy in a village under the foreign laws of the Romans? If these 'time travel' experiences happened at the dinner table in our family during Advent, we might have a very different Christmas this year.

Advent waiting involves listening.
Mary MacKillop says: 'Believe in the whispering of God in your own heart'.
How do we hear God’s whisper?

In this fast-moving and changing world we are bombarded with noise from TV programs, movies, ads, and never-ending debates about social events happening in the world. Celebrating the foundations of our Christian faith hardly gets a look in.

Perhaps, we say, we can hear whispers only in times of silence. Silence creates space around us and in our heart. I think of the awful silence in the moments following the recent devastation of violence in Paris. God’s whisper of sorrow and pain almost shouts its challenge. The small cry of a new-born baby brought hope in occupied Bethlehem 2,000 years ago. We need to cultivate mindfulness if we are consciously to create a space where we can hear the whispers of God in our hearts, and greet God anew.

Mindfulness also suggests that Advent is a time to let go of our hurts, of grudges that have burdened us during the current year. The cradle of forgiveness can then receive hope.

Advent may find us preparing Christmas presents, planning family holidays or providing occasions for gatherings. But let us remember the meanings behind these actions – to spread harmony, joy and happiness. These gifts can be received at a personal level, bringing peace, delight and hope.

- They can herald a new beginning that lifts us up and strengthens us to leave old grudges behind, to move forward.
- They can provide us with new hearts that fill us with the wonder of creation and widen our horizons.
- They can bring a new awareness of our relationships with other existences within the cosmos.

These are the whisperings God gifts to us.

May these whisperings radiate from us to the whole world.

Staffing for 2016

Anne Havard; Office Coordinator/Principal’s Secretary

Teaching Staff
Simon Little; RE and English for 2016
Laura Boere; Mathematics permanent
Tara O’Sullivan; Mathematics permanent
Dale Clacherty; PDHPE permanent/ School Sport Coordinator
Matthew Collier; PDHPE for 2016
Tanya Johnson; Science/Mathematics for 2016
David Constantine; .8 Hospitality for 2016

Returning staff
Stacy Posadas
Emma Gale; from maternity leave

Other Positions
English Coordinator; Jenny Watkins; replacement for 2016
PDHPE Coordinator; Karina Hogan; replacement for 2016
Careers Coordinator; Ian Evans
Vet Coordinator; Karen McCann
Year 7 Coordinator; Tim Masters
Year 8 Coordinator; Sam Bielby
Year 9 Coordinator; John Chapman
Year 10 Coordinator; Marian Parvin
Year 11 Coordinator; Karen McCann
Year 12 Coordinator; Bronwen Davidson
SRC Coordinator; Jane Polson

Cyber bullying surges in holidays

Costina Mariner

Are children prepared for the year-end holidays? Police and experts have warned parents to be on guard for cyber bullying, which spikes during the holidays. Police reports show an increase in cyber bullying among children off school. “During school holidays kids have more time on their hands to check social media accounts,” said a NSW Police Acting Commander of Operational Programs Supt. Jordan. “Children and teens may think they’re being safe because there are fewer adults around, but they don’t have the same safeguards as in school.”

“Trolling is a personal issue and parents and schools should address it with the children,” he said. “We need to be aware of the dangers involved in social media.”

Mr. Varrington said that kids need to learn to use social media appropriately and understand the consequences of their actions.

“Parents and teachers need to work together to teach students about the dangers of cyber bullying,” he said. “It’s important to educate children about the potential risks and consequences of their actions.”

Some thoughts for parents/guardians in the holidays.

“With the increase in cyber bullying, parents and guardians need to be aware of the dangers involved in social media. It’s important to educate children about the potential risks and consequences of their actions.”

MEDIA RELEASE

ST CLARE’S HIGH SCHOOL – HSC RESULTS – 2015

The Year 12 HSC class of St Clare’s High School achieved excellent results in the 2015 Higher School Certificate.

The depth and breadth of the results are very pleasing, and indicative of the hard work put in by both teachers and students. The highlights of the 2015 HSC are as follows:

Of the 91 students in the Class of 2015:

- 46 students received early entry to University of New England
- 38 students received early entry via the STAR program to Southern Cross University
- 15 students gained Early Entry into Charles Sturt University
- SRS early offers are still being finalised
- Jeremy Walker and Elizabeth Mudford received early entry to University of Notre Dame
- Lanai Mullen gained early entry to Wollongong University
- Lanai also has been offered a traineeship in Medical Records and Administration
- Victoria Lee, Brodie McCann, Thomas Avery received offers of E12 early entry program for Sydney University
- Thomas Avery has gained an Inspired by Business Scholarship for Sydney University
- Jasmine Jones has been accepted into the International College of Management Sydney
- Adam Mayers has gained himself a place in the ANU National Scholar program
- Shaye Whitton has been accepted into Bent St. Dancing Academy deferring working at Stacks the Law firm.
- Patrick Clarke, Nathan Chapman, Jess Coble have gained entry into the Defence Forces
- Michelle Arnold has gained early entry into Australian College of Physical Education
- Liah Brooks gained early entry into Macquarie University for teaching
- Brodie McCann gained an offer into Macquarie University for International Relations and Security
- Olivia Bielby gained a Newcastle Catholic Schools Office sponsored Teaching Scholarship
- 5 students have gained places in TAFE for 2016
- 19 Band 6 results across 11 subjects
- 14 subjects above state average

All students who applied for Early Entry Programs received at least one offer, many received multiple offers.

According to the limited contact the school has had with students today, the student who has informed us Sarah Locker is our 2015 Dux with an Australian Tertiary Admissions Rank of 97.85. She plans to study at ANU in the area of International Studies and Economics.
Top ATARs of which the school is aware at the time of media release:

Sarah Locker 97.85  International Studies and Economics - ANU
Adam Mayers 97.1  National Scholar Program - ANU
Thomas Avery 91.65  Bachelor of Commerce, University of Sydney
Molly Gillis 91.25  UTS Communications and International Studies
Harry Carey 90.85  Studying in the Medical related field
Ellen Forbes 89.25  VET Science, James Cook University, Queensland
Emily McKendry 88.2  UTS Bachelor of Design in Fashion & Textiles
Olivia Bielby 83.5  Secondary Teaching, Newcastle University
Brodie McCann 81.55  International Relations & Security, Macquarie University
Samuel Fenech 81.35  Occupational Therapy, Newcastle University or Southern Cross

Principal’s Comment:

Congratulations to our HSC class of 2015 on their fine results which are a fitting reflection on their efforts and dedication to their studies. St Clare’s nurtures a collaborative approach to learning and I particularly want to thank our staff for their excellent teaching and our parents for the fine support that they have given their sons and daughters and the school over the past six years. I am proud of our students and St Clare’s tradition of achieving high standards in the HSC.

FROM THE SENIOR SCHOOL:

HSC RESULTS: Year 12 students have received their HSC results and ATARs. A summary is appended to this report. As per usual, there has been a variety of responses regarding these but, in general, student performances were aligned to their efforts and abilities.

The next consideration for many will be UAC offers. **Important UAC dates are listed on the inside cover of the 2016 UAC GUIDE** which each student has been given.

Students have Mrs Healey’s mobile phone number which they can ring for advice but, as students have been told:

- accept what is received for Early Entry offers and, if this is NOT the first choice, change the preferences for the UAC Main Round;
- accept what is offered for the Main Round offer and, if this is NOT the first choice, change the preferences for the UAC Second Round;
- **ACCEPTING in NOT ENROLLING** – only enrol in the final course of choice as, on enrolment, the HECS (Higher Education Contribution Scheme) process is initiated wherein, after the Semester 1 census date, a HECS debt is incurred.

Year 11 students might well enjoy the coming summer holidays as this will be their last break from study until this time next year. For some, however, these holidays will still need investment in time in order to catch up with syllabus dot point summaries and/or work on major projects in subjects that require an earlier examination or submission of work.

These subjects include:

<table>
<thead>
<tr>
<th>Course</th>
<th>Practical examination</th>
<th>Major Work</th>
</tr>
</thead>
<tbody>
<tr>
<td>Drama</td>
<td>All students have a practical examination commencing in August or September for Group Performance. During this time individual project performance is also examined. Submitted projects are due around this time as well. Refer to the Board of Studies for the latest information on dates for HSC examinations.</td>
<td></td>
</tr>
<tr>
<td>English Extension 2</td>
<td>English Extension 2 (only completed in the HSC year) requires a Major Work which is detailed in the Major Work Module of the English syllabus. Components of the internal assessment tasks are: a proposal, viva voce and a report. The Major Work product is assessed externally. A Major Work Journal must also be submitted with the Major Work. Refer to the Board of Studies for the submission date.</td>
<td></td>
</tr>
<tr>
<td><strong>Industrial Technology</strong></td>
<td><strong>Major Project</strong></td>
<td>Students develop a Major Project which they may start at the beginning of their HSC Course. The Major Project contributes 60% of the HSC Assessment component and is assessed by the Board of Studies. Parents may refer to the Stage 6 <em>Industrial Technology syllabus</em> <em>HSC External Examination Specifications</em> for more information about the Major Project.</td>
</tr>
<tr>
<td>--------------------------</td>
<td>-------------------</td>
<td>-------------------------------------------------------------------------------------------------</td>
</tr>
<tr>
<td><strong>Music 1</strong></td>
<td><strong>Practical examinations &amp; submitted works</strong></td>
<td>Practical examinations for all three music courses are held towards the end of Term 3. In addition, submitted works (compositions and musicology essays) are due before the end of Term 3. The Board of Studies has information on submission dates.</td>
</tr>
<tr>
<td><strong>Society and Culture</strong></td>
<td><strong>Personal Interest Project (PIP)</strong></td>
<td>The Personal Interest Project (PIP) is worth 30% of the total HSC course mark. It is externally assessed and it is submitted to the Board of Studies in Term 3. The process of the project may be included in the school’s internal assessment program. Parents may refer to the Stage 6 <em>Society and Culture Syllabus</em> for more information about the project.</td>
</tr>
<tr>
<td><strong>Textiles and Design</strong></td>
<td><strong>Major Textiles Project (MTP)</strong></td>
<td>Students develop a Major Textiles Project which they may start at the beginning of their HSC course. The Major Project contributes 50% of the HSC Assessment component and is assessed by the Board of Studies. Parents may refer to the Stage 6 <em>Textiles and Design syllabus</em> <em>HSC External Examination Specifications</em> for more information about the Major Textiles Project and Board submission dates.</td>
</tr>
<tr>
<td><strong>Visual Arts</strong></td>
<td><strong>Artmaking component: Body of Work</strong></td>
<td>Students are required to submit a body of work in one of the 12 expressive forms (documented forms, collection of works, drawing, painting, photomedia, printmaking, textiles and fibre, graphic design, designed objects, sculpture, ceramics, time-based forms). The body of work is worth 50% of the total HSC Course mark. It is externally assessed and it is submitted to the Board of Studies by early September. Refer to the Board of Studies for further information on submission dates. The development of the body of work is included in the school’s internal assessment program. Parents can refer to the Stage 6 <em>Visual Arts syllabus</em>.</td>
</tr>
</tbody>
</table>

We wish all a happy, Holy Christmas and a restful and safe Summer Holiday.

God bless!

*Ian Evans, Year 12 Student Coordinator and Bronwen Davidson, Year 11 Student Coordinator*
FAREWELL ASSEMBLY: As I sat in the farewell assembly for staff leaving St Clare’s I was humbled by the Year 11 students’ words in relation to my 30 years at St Clare’s. I am sad to leave, but happy in that a new stage of my life begins - retirement. Looking back over my time at St Clare’s, my role as Careers Adviser and VET Coordinator was made easier by the team effort of parents, students and myself all working for one thing - to give the best possible options for the students. St Clare’s is a great school and as I leave I would like to thank the parents, my colleagues and the students for their care and concern. I am proud to have been part of the school community. Carol Healey, Careers Adviser/VET Coordinator

Top Left to Right – Anne Little with Peter Nicholls, Michael Knight with Julie Rowsell and Leann Sullivan with Peter Hough
Bottom Left to Right – Morag Aitchison with Callam Howard, Anne Larbalestier with Julie Rowsell, Susan Morris with Phil Gibney and Carol Healey with Theresa Avery
EX-STUDENTS ENGAGEMENT IN THE SCHOOL: For two former students from the Class of 2008, becoming engaged with school activities took on a whole new meaning last week. Tom (aka ‘Daisy’) Berry chose the Junior Quad as the location to make his proposal of marriage to school sweetheart, Melanie Welch. This was where the two met in 2003 when they were placed in the same Year 7 Pastoral Care group.

Amid great secrecy involving parents and friends, Daisy planned this clandestine event with creativity unbecoming a rugby league front row forward: candles, lace table cloth, flowers, festoon lights, music, catered meal and, of course THE ring.

Mel was unaware of the venue and intent of the ‘blindfolded’ date in which she was led into the Junior Quad. We wish Daisy and Mel well and God’s blessing on the planning of their future together.

Oh, by the way, Mel said “Yes!”

Ian Evan, Year 12 Student Coordinator
HOSPITALITY HAPPENINGS: Year 11 student, Charlotte Cheney, hosted an Afternoon Tea with a Christmas Theme at the St Clare’s Trade Training Centre on Thursday, 10 December as part of her Food Technology Course.

The afternoon tea was prepared for Charlotte’s mother, Maree, her grandmother, Val Audet, the Learning Support Staff and Charlotte’s Pastoral Care Teacher, Shannon O’Mara.

All food and coffees were prepared by Charlotte with the assistance of Mrs McFarlane.

It was a lovely afternoon and a wonderful way for Charlotte to display the Food Preparation skills she has been taught at St Clare’s.

Congratulations Charlotte!!

Gabrielle McFarlane, Food Technology Assistant

COMING EVENTS

2016
Term 1
Week 1 Wednesday 27/1 ♦ Staff Development Day – Pupil Free Day
   Thursday 28/1 ♦ Staff Development Day – Pupil Free Day
   Friday 29/1 ♦ Years 7, 11 & 12 Students Commence
   Monday 1/2 ♦ Years 8, 9 & 10 Students Return

Week 3 Wednesday 10/2 ♦ P & F Meeting – 6 pm School Library

WORKWISE CLOTHING GROUP

Are closing on 23 December 2015 and reopening on 11 January 2016.
