Dear Parents and Friends of St Clare’s

While driving home this week I listened to a very interesting conversation on Radio National about church attendance, faith and values. According to the national census and related research, 61% of Australians regard themselves as Christian. Approximately 20% of Australians say they have no religious belief. Of those who identify as Christian, approximately 8% attend worship on a weekly basis and somewhere in the vicinity of 20% attend a place of worship on a monthly basis; meaning that about ¼ of the population attend a Christian religious ceremony each month. While three to four million people gathering at least once a month to engage in Christian religious practice is a large number it means that our Christian Churches are not attractive to an even larger number of Australians.

Further research has shown that, while a large number of our neighbours are not regular attenders at church or may not have any religious belief, 80% like to have a church in their neighbourhood and feel “reassured” when they drive past a church and see people gathering around the church. They take heart from the idea that their neighbourhood has people who have a faith that allows them to put faith based values into practise. Values like honesty, respect for the rights of others, being helpful to those least able to help themselves, being compassionate and forgiving, seeing the good in others, welcoming a stranger and engaging in self-reflection to ensure that what we say and do are aligned to our religious faith.

The committed catholic knows that if we follow the example of Jesus we will be doing God’s work in the world. That is what we aim to do each day at St Clare’s High School. Follow the example of Jesus and teach our young people, your sons and daughters, to do the same.

God Bless

Principal

P & F – NEXT MEETING, WEDNESDAY, 8 JUNE 2016
6 PM HOLY NAME PRIMARY SCHOOL, FORSTER

PRAYERS: Please pray for those who are currently experiencing health difficulties and continue to pray for community members experiencing challenges, pain, sickness and grief in their lives at this time.
CHAPLAINCY/PASTORAL CARE: A reminder to all that the school has a Chaplain. Please feel free to contact our Chaplain, Deacon Vince Ryan, through the school office if he can be of assistance to you or any member of our whole school community.

Sunday Mass: 9:00 am

**St Mary, Star of the Sea Church, Tuncurry**
15 Peel Street, Tuncurry
Saturday Vigil: 6:00 pm
Sunday Mass: 7:00 am

PRAYER POINT: TRINITY SUNDAY – 22 MAY

ACCLAMATION: CF REVELATION 1:8

Alleluia, alleluia!
Glory to the Father, the Son, and the Holy Spirit:
to God who is, who was, and who is to come.
Alleluia!

What does the theology of the Trinity say to us? Firstly, the Trinity is about the Godhead of 3 Persons: Father, Son and Holy Spirit - all equal, all God. I can’t get my head around that. Secondly, though, the Trinity is about relationship - a seamless intimacy between three distinct Persons who cannot be divided, who flow into one so that there is no beginning and end. The Trinity is Communion at its deepest. For us today, this is the model for how our relationships should and could be. In this Communion there is an end to the thinking that separates man from woman, economic development from the environment, us from them, black from white or earth from heaven and the ‘haves’ from the ‘have-nots’. It’s the end to that ‘either - or’ thinking and becomes ‘and - both’.

Have a great week
Denise Ryan, Ministry Coordinator
Fr Rob Galea is a singer and songwriter with an international fan base. Fr. Rob has appeared on the X Factor and has recorded with several renowned artists, including Guy Sebastian, Paulini, Garry &, Natasha Pinto & Amelia Farrugia. Fr Rob has a significant evangelistic and outreach ministry, speaking and singing at schools, conferences and churches around the world.

Manning Entertainment Centre on Friday 3rd June commencing at 8.00pm. Tickets are $5.00 for Students under 18 years and $15.00 for Adults.

Tickets may be purchased at the MEC telephone 6592 5466 or via their website mec@gtcc.nsw.gov.au

Event promoted by Our Lady of the Rosary Catholic Parish, 75 Albert Street, Taree NSW 2430
CAREERS CORNER:

Year 12

Careers Day 2 for Year 12 students was very successful, helped by the fact that 100% of available students were present – only those with TAFE commitments were absent. The quality of the presentations was excellent and students intending to pursue a university or non-university future were assisted. Special thanks to former student, Noni Hardes (nee Loughland) and former Careers Adviser, Carol Healey, for lending their expertise in terms of organising and running the day.

One exercise students were asked to complete was to identify possible courses of study (university, TAFE, other tertiary providers) in NSW and Queensland. In doing so, students have been asking for clarification of the differences in entrance scores. Below is a brief summary and a table of score comparisons.

ATAR versus IB versus OP

In Australia, students going straight from Year 12 to university normally seek entry through one of three qualifications:

1. ATAR – Australian Tertiary Admission Rank which is determined by following courses run by all states and territories (except Queensland). It is also known as the Nationally Agreed Common Index;

2. IB – International Baccalaureate is an international educational qualification headquartered in Geneva, Switzerland, founded in 1968. It has been developed to facilitate the mobility of students internationally, so specialises in preparing students for a more global environment. The IB is recognised by leading universities in Australia and around the world.

3. OP – Overall Positions, only used in Queensland, are calculated and used similarly to the Australian Tertiary Admission Rank (ATAR) in other states. Instead of being a percentile rank (0.00 - 99.95), however, the OP is a number from 1 to 25, where 1 is the highest and 25 is the lowest. This range of possible results is bell curved so the percentage of students receiving the very highest and very lowest results is much less common than those receiving mid-range OPs. Overall Position (OP) scores will be scrapped for Queensland’s senior high school students and replaced by the ATAR ranking system to be introduced in 2018. The new system will include a mix of internal and external exams, starting with students entering Year 11 in 2018 - 2016 Grade 9 students.
Year 11 Mid-Course Examinations commence on Monday, 23 May. Provided that a Parental/Carer Permission Note has been completed and returned to the school (acknowledging parental/carer responsible for duty of care), students are not required to be at school unless an examination is scheduled.

Year 10
Year 10 Careers Classes continue by withdrawing students on a rotational basis from Thursday afternoon sport. It is envisaged that all students will receive two such lessons. It has been encouraging to note the enthusiasm with which the students approach the work – maybe after a little initial hesitation. It is also encouraging that students have ALREADY sought advice on how to fund their intended tertiary studies through scholarships. Again I mention the CEF Scholarship Guide which lists about 800 scholarships, although not all apply to students enrolling in the first year of a course.

Years 10-12
The University of NSW will offer a full Medicine course at Port Macquarie from next year – 2017. If medicine is on your career list, check out the following Open Day info for this Saturday, 21 May 2016.

Ian Evans, Careers Adviser
YEAR 12 HOSPITALITY EXCURSION: Year 12 Students have again been putting their skills into practice as part of the H.O.T.E.L school in Queensland. Those students excelled themselves during the three days in all duties performed. They followed instructions from their direct supervisors in all sections of the hotel and restaurant.

Duties included:
- Room service
- Dishwashing
- Kitchen
- Porters
- Front office
- Conferences/banquets
- Housekeeping

ALL the students led by example and received high praise from the management of the resort as well as the guests. I would like to express my thanks to Karen McCann for all her help, as the success of these days was due to effective team work.

Laurent Gonfond, Hospitality Teacher
Last Thursday, 12 May, the Year 10 Elective Music students competed in the Secondary School Rock/Modern/Folk Bands section at the Taree Eisteddfod. The students were fabulous. Not only were they competing against each other, but eight other items from local secondary schools. The competition was fierce.

The guys performed first: Ethan Bosmans (bass), Sam Brown (piano & guitar), Daniel Davis (vocals), Sam Holliday (cello & guitar), Saksham Lama (drums), Nicholas Parsons (vocals) and Hamish Ross (vocals & violin). Their opening song was Home by the Foo Fighters, a slow, ballad which demanded accurate intonation and musical feeling. Their second item was Holiday, Greenday which brought the house down. The adjudicator commending the ‘liveliness’ and how they ‘drew the audience in!’

The ladies, Hannah Dormor (vocals & beat-box), Teisha Farr (bass guitar, piano & vocals), Charlotte Higgins (guitar & drums) and Clare Sephton (vocals, violin & percussion), demonstrated they were not going to let the boys off easy. Their performance of Sia’s Breathe Me was captivating. The adjudicator commented on how the ‘building of texture through this piece was excellent.’ Their second item, Ghost by Ella Henderson once again demonstrated the versatility of the class.
We narrowly missed out on the top spot. First place going to Forster High, who were deserving winners. However we came home with two trophies, 2\textsuperscript{nd} (94) & 3\textsuperscript{rd} (93) places. Out of eight items, that’s a great result. I was very proud of the students.

At the end of May Cadence will compete in the Secondary School Vocal Section. Cadence will compete in the Secondary School Group section. Good luck to Mrs McKendry and Cadence.

**ST CLARE’S VOCAL GROUP**
The Vocal Group is in the final stages of preparation for the *Ubuntu* African Children’s Choir tour and concert. We have our last combined rehearsal with St Joseph’s, Taree next Thursday with Mrs Brotherton and the wonderful Joey’s choir.

The *Ubuntu* Concert is on **Friday, 27 May 2016**, at **7 pm** at Taree Baptist Centre, 441 Kolodong Rd, Taree.

This is a very exciting collaboration and will be an excellent concert. Our students will open the show and will perform the finale with the African Choir.

Tickets are:
$20.00 for an adult and
$10.00 for a child (under 16)/concession
$50.00 for a family of four.
Tickets are available at [www.kwaya.org](http://www.kwaya.org).
A reminder to our performers that $5.00 for their ticket is due to the Bursar on Monday.

**DIOSOUNDS**
DioSounds is an annual event that captures the amazing musical talent of our secondary students in the diocese. It is on **Thursday, 2 June**, at **6:30 pm** at the Civic Theatre, Newcastle. Tickets are available from the Civic Theatre box office or Ticketek.

Many of our Elective Music students are preparing for the concert. This year marks 10 years of DioSounds and the theme is ‘The Decades’. St Clare’s will present items from the 1950’s.

**Viva la Musica,**
**Mrs Brown**

*Raise your voice & come along to*
**St Clare’s Vocal Group**
**Monday Lunch**
**Room 36**
**ALL WELCOME!!!**
ST CLARE’S SOCIAL JUSTICE IMMERSION TRIP TO SYDNEY: During our last school holidays 12 members of our Year 12 group spent three days of social justice work with various agencies who support people who feel marginalised or isolated.

On our way to Sydney we visited our friends from Penola House in Newcastle where we chatted with refugee families. The stories we heard were amazing, particularly around the resourcefulness of their human spirit to survive incredible hardships. On Sunday night we went to St Mary’s parish at North Sydney to enjoy celebrating with other young people at Mass. The singing and joyfulness was inspiring.

The following two days we spent working with the Salvation Army Street Mission which offers a variety of services including a drop in centre where breakfast and lunch is served. Our group engaged with the people who used the facilities, we also provided an evening meal, entertained them and made a fun night extra special. We also supported the centre’s op shop helping to sort clothes that were donated. We re-decorated the gateway to the centre which was much appreciated by all who use the centre facilities.

On our last day we visited Ozanam Industries which is a supportive workplace for people with a range of disabilities. This was a relaxing and fun activity and a great way to finish our three days.
Some feedback from the students…

“I found the trip broadened my outlook on those who live on the margins of society. The conversations I had were inspiring, considering their challenges in life. They were able to stay positive and appreciated the time I gave them.”

“I had a once in a life time experience, not only did I get to bond with amazing people and listen to their inspiring stories, I got to bond with my peers and connect with them on a deeper level.”

“It was really great to just sit back and see just how happy our guests were to be at this dinner altogether, having fun and laughing. Although for some, revisiting their childhood is painful, the guests participated well in our games and interacted really well with both each other and us kids. It was just a really fun and happy occasion for everyone.”

“I cannot tell you how much I have taken away from this trip; it was just wonderful.”

We would like to thank all the staff who came along – Deacon Vince, Mrs Ryan, Mr Masters and Miss Rowsell.

SPORTING NEWS:

Rugby 7’s: On Tuesday of Week 10, Term 1 five teams from St Clare’s competed at the Local Rugby 7’s competition against schools from the area reaching as far as Wauchope. All teams enjoyed themselves and played well throughout the day. The U14 Boys showed a high level of skill in this sport and were undefeated. The U14 Girls was a team of novice players who improved massively throughout the day. As the day progressed they grew in confidence and become more familiar with the game of Rugby. With a lack of numbers the U16 Boys’ team combined and assisted each other in all of the games. They had some wins and some losses throughout the day. The U16 Girls continued their success within this sport and were undefeated at the end of the day. I would like to say a huge thank you to the parents Lance Bungie, Ben Hunter and Mark Coble that assisted on the day, your help and expertise in the sport of Rugby was invaluable. I would also like to thank Lachlan Daczko and Lenae Simon who were extremely helpful on the day assisting.

The Under 14 Boys and U16 Girls progressed through to the next level at Coffs Harbour which was played early this term. Under 14 Boys were again very successful on this day continuing their winning streak! Unfortunately this was the furthest the U14’s can progress; however, they are a very strong side and will be a team to watch in the next few years. The Under 16 Girls’ played exceptionally well and were narrowly defeated by their rivals Wauchope. The teams are to be congratulated on their sportsmanship and their dedication to this sport.
U14 Boys:
Front Row: Lewis Bramble, Lachlan Wright, Ryan Young, Dave Hinton

U16 Girls:
Front Row: Dominique Wyse, Chloe Coble, Katarina Kladia, Olivia Stewart, Thalia Kladia, Madison Hancock and Chelsea Green
Back Row: Thalia Simon, Nicole Griffin, Mia Lyons, Cortina Moundas and Klaisha Waugh-Ridgeway
(Absent from photo: Brooks Berg)
9/10 Touch: On 6 May a boys and girls 9/10 touch team travelled down to Newcastle to compete in the All Schools 9/10 competition. St Clare’s usually competes at Port Macquarie in this competition, however, due to a clash of dates we had to travel to Newcastle. This was a good experience for the players to see what the competition was like in other areas. Both teams played well throughout the day, showing that they were very capable of matching the sides from Newcastle. The boys had mostly wins in their round games which was great to see. The girls had varying results in their round games and progressed to the quarter finals, coming up against a team they played earlier in the day. The girls put in a huge effort in this game and they fought hard until the final hooter but unfortunately they ended up losing 1-0. It was an impressive game for the girls to finish on.

The students that were involved in the teams are listed below:

**Boys Team:** Mitchell Black, Tanna Hinton, Lleyton Henry, Kieran Fowler, Will Smith, Jack Wood, Jacob Cross, Isaac Cross, Travers Anderson, Jake Jones, Patrick Luckie and Mathew Luckie

**Girls Team:** Emma Yarnold, Makayla Foster, Ruby McIntosh, Chelsea Green, Olivia Stewart, Thalia Simon, Molly Aiken, Bianca Debono, Kiana Richardson, Kiara Andrews, Thalia Kladis and Madison Hancock.

Jenna Rowsell, Representative Sports

RUGBY: On Thursday, 5 May, Ms Stacey Posadas and I drove some very excited students up to Coffs Harbour for the next stage of the Rugby 7’s. The second round students included U14 Boys of **Ryan Young, Drey Mercy, Dane Hinton, Kye Andrews, Lewis Bramble, Braydon Bungie, Lachlan Wright, Jake Saunders and Zenyn Proctor**, coached by **Lance Bungie** and the U16 Girls of **Nicole Griffis, Klaia Waugh-Ridgeway, Thalia Kladis, Olivia Stewart, Madison Hancock, Corinna Mundine, Thalia Simon and Chloe Coble** and coached by **Leane Simon**.

The Boys group played exceptionally well in their pool games against St Columbia Anglican, Macksville High School and St Joseph’s Regional, winning all games convincingly. They dominated the second ranked team being St Joseph’s Regional 8-3 in the final.

The Girls team beat St Joseph’s Regional and Macksville High School in the pool games. In the final they played their arch rivals Wauchope High School in a very tough and close game, but unfortunately Wauchope won 3-2.

Although the U14 boys were victorious in the northern region there is no state final and the U16 girls will have to wait and see if they are able to gain a wild card entry into the state finals in Sydney.

A huge thank you to **Ms Stacy Posadas** for looking after all students and also thank you to **Lance Bungie and Lenae Simon** for their efforts coaching the teams. **Jason Koenig**
MATHS WORKSHOP - Mathematics Workshop provides the opportunity for every student to obtain assistance and support in improving their understanding of mathematics. Four mathematics teachers are available each week to explain the concepts you are finding difficult or give assistance to enable you to complete your homework, assignments or any work that you may have missed due to absence from class.

WHEN IS IT ON? Wednesday lunchtime - every week. Bring your lunch!
WHERE? Room 10
We hope to see you there!
Mrs Julie Rowsell - Mathematics Coordinator

VACancies still exist
More volunteers needed – Mondays, Wednesdays & Thursdays if you can assist please contact Cheryl Kingsford at St Clare’s: 6591 2104, home: 6552 1857 or via email: cheryl.kingsford@mn.catholic.edu.au

LEAVE NOTES & STUDENT MESSAGES: It would be appreciated if parents/guardians would send in a written note if their child needs to leave early for appointments etc. Notes should be handed in at the front office in the morning before roll call. If parents/guardians need to notify their child of a change of afternoon arrangements, it is necessary to phone the school prior to 2:25 pm (End of Lunch – Monday, Tuesday, Wednesday & Friday) or prior to 1:55 pm (End of Lunch – Thursday Sport) as it is often difficult to locate students if their last lesson is a PE Prac or there has been a room change. Students cannot be collected from the school during school hours by anyone other than a parent or guardian without written permission. Thank you.

LATE NOTES: Lateness to school is recorded as a partial absence and must be explained to the school the same way as other forms of absence. Arriving late for school requires a handwritten note from a parent/carer or a phone call from a parent/carer or the absence is recorded as an unexplained partial absence. Thank you.

SCHOOL CLINIC: Students are reminded that if they are unwell whilst at school they are to advise their teacher who will then send them to the Front Office. If necessary, the office staff will contact a parent while the student waits in the Clinic. Students are not to contact parents on their mobile phones as this leaves teachers and office staff unaware of the situation and is also in breach of the school policy – use of mobile phones. Thank you.
COMING EVENTS - 2016

Term 2
Week 5
Monday 23/5  ♦  Year 11 Mid-yearly Exams commence
Thursday 26/5  ♦  Reconciliation Mass, Hamilton
♦  Dio Tennis
Friday 27/5  ♦  Year 8 Reflection Day

VALUING FAMILY
VIVID EVERYDAY

Catholic Schools
DIOCESE OF MAITLAND-NEWCASTLE

2016 PROMOTIONAL CAMPAIGN
DEAR PARENTS, CARERS AND FAMILIES,

This weekend, the Catholic Schools Office in the Diocese of Maitland-Newcastle is, for the first time, embarking on a promotional campaign to celebrate what our schools offer: Catholic schools are ‘Vivid Everyday’!

The promotion is built around Catholic schools as being ‘Vivid Everyday’. ‘Vivid’ very much captures the nature of our schools: authentic, bold and spirited, and yet, every day, dependable and consistent. Catholic schools are at once vibrant and dynamic, yet strong and grounded communities.

Catholic schools offer a place where passionate teachers inspire confidence and facilitate academic excellence, where faith in God is lived in community, where partnerships with parents are nourished and where contemporary learning opens minds to a vivid future.

The campaign will run across all areas of the diocese and will feature some of our students, teachers, staff, parents, principals, parishioners and Bishop Bill across a variety of media including TV, radio, digital advertisements, print advertisements, buses, billboards and more. The main part of the campaign will run for approximately 2 months.

The aim of this campaign is to showcase what Catholic schools stand for and celebrate what we nurture and achieve in students. We want to have you and the thousands of families and staff currently within Catholic schools confirmed in their choice of schooling. We want to promote the qualities and values of Catholic education to families considering their choices in education and, more broadly, to highlight why more families are choosing a Catholic education for their children.

The leadership team at the Catholic Schools Office is very excited to share what Catholic schools stand for within the local community. This is a very exciting time for Catholic schools as the system is also moving through a phase of significant development and expansion.

Last year we announced that two new high schools would be built in Chisholm and Medowie (to open in 2018 and 2020 respectively) and expansion would also take place from 2018 at St Joseph’s Lochinvar and St Mary’s Gateshead (from years 7-10, to 7-12).
The ‘Vivid Everyday’ campaign is just the beginning of our celebrating the very exciting and imminent ‘Vivid Future’ of Catholic education in the Hunter and Manning regions.

I invite you to look out for the advertisements (starting on Sunday evening’s NBN news) and meet just some of the faces of Catholic education in our region, which represent our larger Catholic community and capture the essence of Catholic schools – ‘Vivid Everyday’.

For more information, please visit mn.catholic.edu.au/vivid
