Dear Parents and Friends of St Clare’s

Last week’s Year 12 Graduation was a lovely celebration of the contribution the 2016 HSC cohort has made to St Clare’s High School. The Year 7 cohort of 2011 have made a wonderful contribution to school culture, particularly in the area of student leadership, social justice and the interpersonal relationships established between students in the school. A large contingent of parents and staff were on hand to support the group as they came together formally for the last time as current students of St Clare’s.

My thanks to the team of students and staff who worked diligently to make the night a success. Bronwen Davidson and her team for the setup of the room (beautiful!), Gabrielle McFarlane and the Hospitality students for their fine work across the day, setup and service, Ian Evans, Marian Parvin and our excellent support staff for their continuing efforts to ensure that the evening was a fittingly joyous occasion for all involved.
Congratulations to award winners and thank you to our Year 12 parents for their continued support of our school community.

A good number of people attended the annual St Clare’s Bring Your Own Device parent meeting on Monday evening. Parents were given an overview of the changing educational and employment landscape and had the opportunity to ask questions and inspect devices supplied by Harvey Norman. (The school has no business relationship with any company supplying devices and receives no commission for access to our parent meeting or from sales of devices).

A number of parents noted that the meeting had helped them clarify their thoughts about which device would be best for their young person and their family. Year 7 and Year 10 students will receive an increased amount of training in the first four days of the new school year to ensure they are able to use the device to support their learning.

The St Clare’s program will see all of our students equipped with their own device at the commencement of the 2018 school year.

Year 10 Music students performed their assessment pieces in front of their parents and invited guests on Tuesday. A major part of the assessment was built around students’ ability to work collaboratively to arrange and perform a song from a musical. The results were impressive. Our Year 10 musicians are a talented group and their teacher, Mrs Carmel Brown, is rightfully proud of their progress over the year. My thanks to the students and Carmel for their invitation to attend and the fine musicianship and collaborative practices they showed during the performance.

Year 10 Music Performance
Master Plans for the development of the St Clare’s property were tabled at our most recent staff meeting. Architect, Russell McFarlane, presented draft plans for building and grounds and discussed possible variations with staff.

The 3D plans will be on display at the next P & F Meeting which will be held Week 7, 6 pm to 7 pm on Wednesday, 23 November 2016.

Year 10 parents will have received notification of an extensive Transition Program for Year 10 students in preparation for Stage 6 Years 11 and 12. The program is designed to address issues that could arise as our Year 10s move into the final stage of their Secondary Education. Students will sample their subjects for 2017, work on their resilience and study skills and work collaboratively to ensure that their learning environment is supportive of the cohort.

Thanks to Marian Parvin and the team for their significant work in creating the comprehensive program.

A reminder that students are expected to wear the school cap or bucket hat during PE and sport.

God Bless

Principal

FROM THE SENIOR SCHOOL: Last week I had the very great pleasure of accompanying our Captains and Vice Captains for 2017 to their Senior Leadership Retreat at Riverwood Downs. Each year this retreat is run for all the school leaders across the Maitland-Newcastle Diocese. All of these young people get together to look at the challenges that they will face in the coming year and how they can best cope with and maintain their individual and group leadership commitments. Our students (Michael O’Dwyer, Sarah Ward, Sean Page and Hannah Lewis) were wonderful ambassadors for our school and showed their excellent leadership potential.

Left to Right - Hannah Lewis, Sarah Ward, Sean Page & Michael O’Dwyer

Most students seem to have settled into their HSC Courses now and are well into the swing of study and homework routines. The Year 12 Graduation dinner last Friday night reminded me of how quickly time flies and that at this time next year it will be our turn. This means that before you know it you will be finished High School and heading out into the world. This is a very exciting time and one that you need to make the most of.
Please don’t forget to open all your emails and check them each day. Mr Evans will be sending you very important information with instructions on what to do with early entry, SRS schemes, possible apprenticeships (when they come through the school), traineeships and possible scholarships for beyond 2017.

Please don’t forget $5.00 to the Bursar for next Wednesday’s Elevate Education program on Wednesday, 23 November Periods 3 and 4.

CAREERS CORNER: This week, the careers article is all about Year 12... and for them...

After a fabulous Grad Evening, the next item on the agenda for ALL 2016 Year 12 students is ‘results’. These results come in four (4) categories:

1) The **HSC subject results** – based on 12 months of school-based assessment AND the recent HSC exams;
2) The awarding of the **NSW Higher School Certificate** i.e. the actual paper certificate itself (all students have met the requirements for this award);
3) The **ATAR** – Australian Tertiary Admissions Rank where you are reminded that it is a **RANK** and NOT a **mark** (this rank indicates how many % of others a student has surpassed);
4) **Offers of employment or further training.**

**HSC subject results** – HSC results will be delivered to students via email and text message from **6 am on Thursday, 15 December 2016**. Students will also be able to access their results at the same time via **Students Online**.

Accordingly, it is important that BOSTES has accurate student contact details. Students need to log into **Students Online** and check that their **email addresses** and **mobile telephone numbers** are recorded correctly. If it is our school email address that is recorded, students should consider changing it to their personal one.

**NSW Higher School Certificate** – About one week later, on **Wednesday, 21 December 2016**, students will be able to download all their BOSTES credentials from **Students Online** as a PDF. Eligible students will receive their **HSC testamur (the certificate itself) in the post from 18 to 20 January 2017**. Students will be able to order a further copy of their HSC testamur or a printed copy of their Record of Achievement (RoA) and course reports at a cost of $17.00. Alternatively, they can print all of the documents themselves from **Students Online**.

**ATAR** - 2016 Year 12 students can access their ATAR on the website **http://www.uac.edu.au/atar/** or the **My UAC app** from 9 am on Friday, 16 December 2016. Students will need their Year 12 student number and UAC PIN to log in.

**Offers of employment or further training**

**Employment** – Commendably, a number of students have already secured employment, be that with local businesses, regionally, or in the ‘big smoke’. Those yet to make a move are advised to contact employment support services (where different individual circumstances might apply) such as:
- Castle Personnel Services Ltd
- ETC (Employment, Training, Community)
- Mid Coast Connect
- OCTET Employment Service
- TIDE (Taree Indigenous Development & Employment)
- Tursa Employment & Training
TAFE – courses can be sought at individual college campuses OR online through the Open College network [http://www.opencolleges.edu.au/](http://www.opencolleges.edu.au/)

Open College courses include:

- Open College of Accounting and Finance
- Open College of Aged Care
- Open College of Animal and Pet Care
- Open College of Art and Design
- Open College of Beauty
- Open College of Business, Management and Marketing
- Open College of Child Care
- Open College of Community Services
- Open College of Counselling and Coaching
- Open College of Fitness
- Open College of Health Care
- Open College of Information Technology
- Open College of Natural Therapies
- Open College of Photography
- Open College of Teaching and Training
- Open College of Technical Trades and Languages
- Open College of Tourism and Hospitality
- Australian College of Journalism

Students seeking information about the local North Coast TAFE Campus should go to the rightpath website [https://rightpath.northcoasttafe.edu.au/app/course_search/home](https://rightpath.northcoasttafe.edu.au/app/course_search/home) where over 600 courses are available. This dedicated TAFE website enables students to find out about:

- Your USI (Unique Student Identifier)
- 2016 Course Guide
- Payment plan for course fees
- Smart & Skilled subsidised course fees
- How to pay for your course
- Applying for a fee concession
- When to pay your course fees
- Who do I contact for assistance with a USI?

Applications can be made up until the date on which a course commences OR until that course is fully subscribed. Students are also encouraged to book an appointment with a TAFE Careers Counsellor by ringing 6591 3600.

UNIVERSITY – options for uni courses were covered in last week’s edition of the school newsletter. This can be accessed online at the school portal.

OnSTAGE: Nick Smith has been selected for OnSTAGE for his monologue BRONSON. OnSTAGE is a showcase of the most exemplary HSC performances in the State and a key goal for any Drama student to perform at. To get into Onstage a student must first be nominated, which means achieve perfect marks in their performance.

St Clare’s has had a multitude of nominations over the last five years but this year were fortunate enough to have the whole class nominated. This included two group performances and two monologues. To have all students nominated is a rarity, but to have a student selected to make the program is unheard of.

Nick’s piece was adapted from the film Bronson, and tells the story of Britain’s most violent prisoner and his rise to attain this title. The character thrives in his prison environment, treating daily life as if it were a theatre production in which he has cast himself as the lead role. Nick is a natural performer with an outstanding stage presence that allowed him to shine on performance day and truly bring life to such a dynamic and complicated character. We look forward to watching him represent the school and congratulate him on this momentous achievement.

Callam Howard, Drama Teacher

HUMAN RIGHTS GROUP: At the St Clare’s Human Rights Group we have been researching more facts in relation to the issue of domestic violence. In NSW there were twice as many female victims as male victims of family domestic violence related assault, while females were four times more likely to be the victim of assault within an intimate partner relationship. Due to this we will be having White Ribbon Day early in December. White Ribbon started as a male-led movement that speaks out against violence towards women, and is still based around the oath of “I will stand up, speak out and act to prevent men’s violence against women. This is my Oath.”

Sid Joon on behalf of the St Clare’s Human Rights Group
MANNING GREAT LAKES HIGH SCHOOLS TECHNOLOGY DISPLAY: This year’s Manning Great Lakes High Schools Technology display is to be held at the Manning Regional Art Gallery Macquarie Street Taree on **Wednesday, 23 November to Sunday, 4 December 2016.**

Collectively, all staff and students are very proud to announce, promote and display the tremendous work of our local high school students.

The display will be open to the public from 10am to 4pm Wednesday, 23 November to Sunday, 4 December when the prize giving ceremony will occur from 2:30pm to 3pm. Students and parents will be notified early in the week so they can attend the ceremony to receive prizes awarded in person.

The technology display showcases students work from local high schools from Gloucester, Bulahdelah, Forster-Tuncurry, Taree and Wingham. It has a proud history of some 25 years, organised and run by a local group of dedicated technology teachers from public and private high schools.

On display will be students work from Year 7 to Year 12, encompassing many and varied innovative and imaginative projects. Major prizes will be awarded to the winners of many categories, including junior mandatory technology through to senior design and technology subjects.

Projects will include areas of wood working, metal working, design, engineering, graphics, electronics, furniture, textiles and many more.

We have been very fortunate to have the support of many local businesses. We wish to acknowledge and show our appreciation to all those businesses that have so very kindly sponsored the prizes, these include: Manning River Steel, MidCoast Water, Rocket Tools, Southcott Engineering, Bunnings, Masters and Dr David Gillespie MP, Member for Lyne.
Each year we have a “People’s Choice Award”. This is awarded to the student whose project is deemed to be the best by the general viewing public. The process will be to fill out a “best project ticket” when visiting the display and enter it into the collection box at the display. The entries will be counted on Sunday, 4 December afternoon just before the prize giving.

The work on display could have been produced by a relative or close friend of yours, so you can show your support of our local schools and students by spending a few minutes (maybe while shopping in Taree) and drop in and have a look at the wonderful work created. Just across the road from the Roads and Maritime Services (the RTA office).

So please, come in to the Manning Regional Art Gallery and be astounded by the spectacular work of our local high school students. Wednesday, 23 November – Sunday, 4 December 2016.

Mark O’Neill, TAS Teacher

VINNIES CHRISTMAS HAMPER APPEAL: It is amazing how the year has come and almost finished. It is the time to open our hearts and give generously to those families who will struggle financially over the Christmas period. Our Hamper Appeal has commenced with the baskets in each of the Pastoral Care Rooms. I am attaching our list of suggested items – there’s plenty to choose from!!

Catholic Care have also asked for our support this year to assist with the 40 families they care for, so that will put an extra bit of pressure to our ensuring we have enough goodies for the over 100 families that we have cared for in previous years. Please give generously and thank you in anticipation. Deacon Vince

MATHS WORKSHOP - Mathematics Workshop provides the opportunity for every student to obtain assistance and support in improving their understanding of mathematics. Four mathematics teachers are available each week to explain the concepts you are finding difficult or give assistance to enable you to complete your homework, assignments or any work that you may have missed due to absence from class.

WHEN IS IT ON? Wednesday lunchtime - every week. Bring your lunch!

WHERE? Room 10
We hope to see you there!

LEAVE NOTES & STUDENT MESSAGES: It would be appreciated if parents/guardians would send in a written note if their child needs to leave early for appointments etc. Notes should be handed in at the front office in the morning before roll call. If parents/guardians need to notify their child of a change of afternoon arrangements, it is necessary to phone the school prior to 2:25 pm (End of Lunch – Monday, Tuesday, Wednesday & Friday) or prior to 1:55 pm (End of Lunch – Thursday Sport) as it is often difficult to locate students if their last lesson is a PE Prac or there has been a room change. Students cannot be collected from the school during school hours by anyone other than a parent or guardian without written permission. Thank you.

LATE NOTES: Lateness to school is recorded as a partial absence and must be explained to the school the same way as other forms of absence. Arriving Late for school requires a handwritten note from a parent/carer or a phone call from a parent/carer or the absence is recorded as an unexplained partial absence. Thank you.
SCHOOL CLINIC: Students are reminded that if they are unwell whilst at school they are to advise their teacher who will then send them to the Front Office. If necessary, the office staff will contact a parent while the student waits in the Clinic. Students are not to contact parents on their mobile phones as this leaves teachers and office staff unaware of the situation and is also in breach of the school policy – use of mobile phones. Thank you.
