Apprenticeship

Apprenticeship Electrical 1st year 2021

THE APPRENTICESHIP Are you tech savvy and fascinated by all things electrical? Did you complete electrical projects during school or at TAFE and found yourself drawn to tinkering with electronics and want the chance to work on and understand bigger projects on an industrial or commercial scale? If you have an investigative mind, are a maths whizz and an eye for detail, an Electrical Apprenticeship could be the one for you!

Undertaking this four-year apprenticeship will give you the opportunity to become a qualified Electrician and earn your Certificate III in Electrotechnology Systems (High Voltage)!

You will learn the ins and outs of performing high voltage electrical repairs and maintenance on a variety of mobile mining equipment and related.

There are multiple positions available all around the Muswellbrook and Ravensworth region and you will be hosted with a client who one of the world's largest mining providers, offering a wide range of in-house surface and underground mining capabilities across Australia. Their expertise spans most of the world's commodities including metallurgical and thermal coal, iron ore, copper, nickel, gold, diamonds and oil sands.

THE BEST BITS

- No HECs Debt – in fact, most apprenticeships are fully funded by the Government. So you will leave your 4 years with a qualification, no debt and ready to earn the big bucks in an industry that is eager for more qualified tradespeople to join their ranks;
- We will actually pay you to learn! How many of your Uni mates get paid to study?
- Potential to be selected for one of MIGAS' annual MiScholarship funding, a combination of a cash prize and additional financial support;
- Your own personal MIGAS mentor who will guide you through your apprenticeship; and
- Free uniforms and PPE when you start with MIGAS;
- We are a culturally diverse employer and actively advocate for local Indigenous Australians and women in trades

WHO SHOULD APPLY

We're looking for committed and motivated applicants who have a genuine interest in starting a long-term trade career within the Electrical industry. The person we're looking for enjoys hard work, adaptable with the ability to follow direction with excellent attention to detail.

Applicants with a Certificate II level prevocational qualification in electrical, or related work experience (paid or volunteer), and who live within the local region will be highly regarded.

Must have's

- Reliable transport to and from work on a full-time basis
- Be able to pass a pre-employment medical test / drug and alcohol

If you think this could be you – apply online now by submitting your resume and cover letter explaining why you think you would be the best Electrical Apprentice! Not sure what to say in a cover letter? Don't sell yourself short – visit our website for some great tips on how to write a stand-out cover letter: <https://www.migas.com.au/news/how-to-write-a-cover-letter/>

Apprenticeship Plant Mechanics 2021

THE APPRENTICESHIP

Have you ever pulled apart an engine just to put it back together again; or have you ever wanted the chance to change from working on your car to something a lot bigger?

Becoming Plant Mechanic Apprentice could be what you are chasing. Undertaking this four-year apprenticeship will give you the opportunity to become a qualified Plant Mechanic and earn your Certificate III in Automotive Mobile Plant Technology.

You will learn the ins and outs of servicing, repairing and maintaining a variety of large scale mining equipment and related.

There are multiple positions available all around the Muswellbrook and Ravensworth region and you will be hosted with a client who one of the world's largest mining providers, offering a wide range of in-house surface and underground mining capabilities across Australia. Their expertise spans most of the world's commodities including metallurgical and thermal coal, iron ore, copper, nickel, gold, diamonds and oil sands.

THE BEST BITS

- No HECs Debt – in fact, most apprenticeships are fully funded by the Government. So you will leave your 4 years with a qualification, no debt and ready to earn the big bucks in an industry that is eager for more qualified tradespeople to join their ranks;
- We will actually pay you to learn! How many of your Uni mates get paid to study?
- Potential to be selected for one of MIGAS' annual MiScholarship funding, a combination of a cash prize and additional financial support;
- Your own personal MIGAS mentor who will guide you through your apprenticeship; and
- Free uniforms and PPE when you start with MIGAS;
- We are a culturally diverse employer and actively advocate for local Indigenous Australians and women in trades

WHO SHOULD APPLY

This role would be suited to a person who has a genuine interest in working with vehicles of all forms and finding out what makes them work, and working out solutions to technical problems. You will also have the drive and commitment to see this apprenticeship through from commencement to completion.

Applicants with a Certificate II level prevocational qualification or related work experience (paid or volunteer), and who live within the local region will be highly regarded.

Must have's

- Reliable transport to and from work on a full-time basis
- Be able to pass a pre-employment medical test / Drug and Alcohol

If you think this could be you – apply online now by submitting your resume and cover letter explaining why you think you would be the best Mobile Plant Apprentice!

Apprenticeship

1st Year Apprentice Baker - Bakers Delight GreenHills & Rutherford

We are recruiting 1st Year Apprentice Bakers for our bakeries at Green Hills and Rutherford.

Joining our team and completing an Apprenticeship with Bakers Delight involves more than just going to school or training. Our Apprentices are hands-on from day one. You will learn the art and science of baking through formal training, one-on-one coaching and support from baking team members.

If you are a reliable team player with the energy, enthusiasm and willingness to learn, then this could be the opportunity for you.

Please forward your resume to bd.maitland@bigpond.com.

Apprentice Baker - Banjo's Bakery Café Glendale

Junior Apprentice Baker

Banjo's Bakery Café Glendale

Part Time

We are currently seeking a Junior Apprentice Baker to join our Banjo's Bakery team in Glendale.

As an Apprentice Baker, you will receive on-going training and development, and the opportunity to work as part of a winning team in a fun, busy and supportive environment.

The successful candidate must be available for starts as early as 1 am and must be available to work a variety of shifts across a seven day roster.

Weekend and public holiday work will be required.

Your key roles and responsibilities will include:

- Producing great tasting breads, pastries and sweets
- Working with other Bakers and the Production Manager to ensure a high standard of the product quality and range is achieved
- Excellent organisational and communication skills to ensure product is delivered on time to meet customer demands
- Achieving a high standard of cleanliness
- Maintain a high level of safety
- Providing excellent customer service
- Supporting other team members and foster good working relationships

At Banjo's we love making great tasting, fresh out of the oven food and most of all making our customers happy. We are also passionate about bringing out the best in the people who work for us.

If you are passionate about people and about food, we would love to hear from you.

Hairdressing - 1st Year Apprentice 2nd Year Apprentice Salon Assistant

In New Lambton are seeking an energetic and motivated 1st/2nd year apprentice to join the dynamic team at our busy salon. You should have a genuine passion for hairdressing and be friendly and honest and enjoy dealing with people. You should be hardworking with a positive, mature mind set with the goal of a long term career in the hairdressing industry. Professional presentation is expected and you should be able to follow instruction, work under pressure and enjoy working as part of a team.

Apprenticeship

Molycop Apprentice Program 2021

Get hands on trade experience, be mentored by experienced trades people & work and learn in a supportive team environment.

Molycop is a global market leader in the manufacture and supply of grinding media, mining chemicals, and rail consumables. The company has built a strong reputation over many years for outstanding service, industry knowledge, and trusted supply. Molycop produces high-quality products with maximum durability, designed to resist wear and deliver exceptional performance to mining assets. These businesses supply direct to mining companies and manufacturing suppliers to the mining industry.

Molycop's twelve grinding media operations are strategically located around the world to service the growing global mining industry, particularly in copper, gold, and iron ore sectors. Molycop's locations are in Chile, Peru, Mexico, USA, Canada, Indonesia, Spain, and Australia.

The Railway Wheels & Forge business is an industry leader in high-performance rail wheels, axles and wheelsets, and has the ability to deliver its Comsteel range of products to both domestic and international markets.

The Molycop Australasia business employs around 600 staff and wages roles across operations in Waratah, Newcastle and Cilegon, Indonesia and competes in the global market with its' world class Rail and Grinding Media products. In delivering value to our shareholders, we know organisational strength comes from valuing different opinions, perspectives and embracing diversity in all its forms.

Molycop's Waratah site is made up of 4 business units; Grinding Media, Rail, Steelmaking and Bar Mill.

We are currently seeking 1st, 2nd and 3rd year apprentices for mechanical, electrical, fabrication and bricklayer trades to begin at the start of 2021!

Our 4 year Apprentice Program is based on the 70/20/10 development model, combining ongoing studies at Tafe with structured, practical on-the-job training to ensure a well-rounded and high level of development is achieved. The program also includes rotations across the multiple business units on site, allowing apprentices to gain exposure to a variety of different working environments and technical skills.

Molycop apprentices achieve a nationally recognised qualification after being trained by some of the most experienced engineers and tradespeople in the region. Working in an environment where safety is the highest priority, you will be part of a down-to-earth and open company with a friendly culture. You will have a supervisor to mentor you, as well as the support of your colleagues and peers to ensure your time on the Apprentice Program is a positive learning and working experience.

To be successful, you will have completed year 10 or higher, have a demonstrated interest in undertaking an apprenticeship and possess the energy and motivation to undertake 4 years of study and training. You'll be the sort of person who has a strong commitment to working safely and is able to work collaboratively within a diverse team.

This is an exciting opportunity to build your career with a global leader in mining consumables. With diverse operations in both Australia and internationally you can be sure that there are many opportunities both during and beyond your apprenticeship.

Apply now and set yourself up for an extraordinary career. Do real work with real outcomes right from the start of our Apprentice Program.

Note that the selection process will include ability and medical testing and face to face interviews.

Applications must include:

- A cover letter which introduces yourself and your reasons for applying- please note in your cover letter which field you are applying for (Mechanical/ Electrical/ Fabrication/ Bricklaying).
- Your resume including personal details, any relevant work history and your education level
- Copies of your last two years school reports/ TAFE results/ University results and evidence of any work related training

Applications close Friday 28th June 2020 at 12pm

We work smarter, appreciate diversity and never back away from a challenge. If that sounds like you, we'd love to hear from you.

Apprenticeship

Who We Are

WesTrac is one of the world's largest Caterpillar dealers with more than 15 locations across NSW/ACT and over 1500 employees.

At WesTrac our primary focus is our people and we put a strong emphasis on nurturing the very best talent and providing our employees with the support and tools they need to succeed. We live by our values of Safety, Pride, Accountability, Respect & Customer.

WesTrac is an Equal Opportunity Employer and welcomes applicants of all ages, genders and backgrounds. Individuals currently undertaking an apprenticeship are encouraged to apply.

About the WesTrac Apprenticeship Program

We are seeking expressions of interest for Apprenticeships in the following trades

- Plant Mechanics
- Fitter Machinists (Mt Thorley Only)
- Spray Painters (Tomago Only)
- Auto Electricians (Tomago Only)
- Boilermakers (Mt Thorley Only)

The 2021 intake has vacancies available in the following locations:

Tomago (Newcastle), Hunter Valley (Mt Thorley), Bathurst, Dubbo, Casula (Sydney) and Tamworth.

An Apprenticeship with WesTrac equips you with both theoretical knowledge and hands-on learning with exposure to a wide range of CAT Machinery as well as business functions. You will develop the skills and knowledge needed to become an expert in your chosen discipline and have the ability to learn from some of the best in the field. At the end of your Apprenticeship you'll have a nationally recognised trade and a wealth of experience to ensure you can tackle anything that's thrown at you.

As a WesTrac Apprentice you will receive the very best training and support to aid in your development as a Tradesperson. You will also receive:

- Uniforms + Welcome Pack
- Invitation to our Graduation Gala night
- Laptop and on-line learning platform
- Access to Fitness Passport
- Subsidised tool kit and discounted tool box insurance
- Discounts on CAT, Apple, JB Hi-Fi, Blackwoods + loads more
- Discounted health insurance
- Accommodation during off-site training periods
- Option to compete in our Apprentice of the Year competition
- Prospect of completing a dual trade at our onsite RTO

How to Apply:

To be considered for these exciting opportunities you must submit an online application before the closure date. Applicants need to be over 16 years of age by January 1st, 2021 and have a driver licence or the ability to arrange travel to and from work each day and to Tomago periodically for training. Mature aged applicants are encouraged to apply.

You will be prompted to upload a current resume, covering letter and will need to answer a short series of application questions. In your covering letter tell us why you're interested in your chosen trade, why you want to be part of our WesTrac Family and what you hope to do once you're Trade Qualified. We would also love to hear about any training or projects you have completed that are related to the trade you're applying for.

We receive a high volume of applications so it's important you put detailed information in your application and ensure your contact details are correct. You will be kept informed of the status of your application via email and we encourage you to check your inbox regularly during the application period.

Further information:

Applications close Friday June 26th at 5:00 PM. The first stage of assessment is an online skills test that will be sent to you within 2 weeks after your application submission. Be sure to check your junk and spam folders for the assessment. Individuals who do not complete the online assessment within the specified time frame will be unable to progress to the next stage.

Apprenticeship

1st Year Electrical Apprentice - Newcastle

Company description:

TransGrid operates and manages the major high voltage electricity transmission network in NSW and the ACT, connecting generators, distributors and major end users.

Our core role is to connect electricity consumers to a safe, secure and reliable network through efficient maintenance, proficient operation of assets and prudent investment. Our network is the backbone of the NEM, enabling energy trading between Australia's three largest states along the east coast and supporting the competitive wholesale electricity market

Job description:

Electrical Apprenticeship Program 2021

- Join us and make it happen for your career
- Starting salary package starting from \$54,400 (includes 15% superannuation)
- Based in Newcastle

Applications are now open!

TransGrid is seeking motivated individuals to join our exciting apprenticeship program from 2021.

At the heart of the National Electricity Market, our high voltage transmission network connects more than 3.5 million homes and businesses across New South Wales (NSW) and the Australian Capital Territory (ACT) to deliver safe and reliable electricity. We take a leading role in encouraging the connection of renewable generation and more broadly, the transition to a low carbon future. We offer fulfilling careers where every person is encouraged to take advantage of ongoing opportunities to develop their skills. Our people come from a broad range of backgrounds that reflect the communities we serve, and bring different perspectives to different challenges. Together they play a critical role in our continued success.

About our Apprenticeship Program

Each year, TransGrid offers electrical apprenticeships at various locations throughout NSW. As a TransGrid apprentice you can look forward to hands-on learning and development in a supportive and stimulating environment. You will have the opportunity to work on significant infrastructure projects that will shape the future of the energy industry in Australia, including connecting renewable energy to the network. We provide a structured development program for our apprentices. During your time as an apprentice with us, you will have access to development activities like:

- Industry leading training in the installation and maintenance of high voltage equipment
- Hand-tools and workshop machinery skills
- Welding courses
- Nationally accredited safety training and various high risk licences
- On-the-job training
- TransGrid technical capability development in a variety of specialist areas
- On completion of the apprenticeship you will receive a certificate of proficiency as an Electrotechnology Electrician

A career at TransGrid includes:

- A friendly and open team oriented culture
- An exciting and rewarding place to work
- A competitive salary plus allowances
- 15% Superannuation
- 9-day fortnight
- Protective clothing and tools required for the job
- Access to study assistance
- Salary sacrificing for superannuation and motor vehicles
- A flexible workplace and leave provisions to encourage a healthy work/life balance

To be considered, you must have:

- Completed high school studies (minimum year 10 or equivalent) and have sound mathematics and communication skills
- A genuine interest in a trade working within a high voltage electricity transmission network
- A current driver's licence or be willing to obtain one as soon as possible after appointment

Join us and make it happen for your career, and for the millions of Australian's who rely on our services every day. If you are interested in becoming an apprentice at TransGrid, please visit our website at <https://careers.transgrid.com.au/go/Apprentice-roles/4580610/> and apply online.

Applications close Sunday, 28 June 2020

TransGrid is committed to Work Health and Safety, the Environment, Equal Employment Opportunity, Cultural Diversity and Ethical Practices. All applicants are expected to demonstrate an understanding of and commitment to these areas.

Profile description:

TransGrid has an exciting opportunity for an Apprenticeship. Join us and make it happen for your career!

BENGALLA

MIGAS
APPRENTICES & TRAINERS

Apprenticeship Electrical 2020

- Entry level apprenticeships with Bengalla Mine
- Access to industry leading training at the Mining Skills Centre
- Four year, full time programme with community-minded local employer
- Achieve a nationally recognised Certificate III in Electrotechnology

The apprenticeship

Reporting to the Maintenance Supervisor, you will be mentored by qualified tradespeople over a four-year period to gain electrical knowledge and skills within the mining industry. Your involvement within the maintenance team will include efficient and continuous operation of all assets on a 24 hour, 7-day open cut mine site.

At the completion of the Apprenticeship, you will complete the Nationally Accredited qualification - Certificate III in Electrotechnology - Electrician (UEE30811).

On a day to day basis, your main responsibilities will include: Electrical repairs, maintenance, diagnostics, component change outs in field and workshop environments.

Essential requirements

- Current drivers licence or learner's permit
- Access to your own reliable transport to from site
- Possess strong mathematical aptitude with a minimum of Year 10 completion
- Comfortable working at heights and in a physically demanding environment
- Demonstrate a genuine passion for your chosen trade
- Take pride in the quality of your work
- Be able to work independently, as well as contribute to a team
- Be reliable for full-time working hours Monday to Friday
- Be committed to completing and passing all practical and theory-based study requirements of your Apprenticeship

Applicants with a Certificate II level prevocational qualification in electrical, or related work experience (paid or volunteer), and who live within the local region will be highly regarded.

About Bengalla Mine; Bengalla has long been a part of the upper Hunter Valley and is committed to investing in the region through creating jobs and supporting the local community. It is a single pit, open cut mine using a dragline, truck and excavator method to keep the site operating 24 hours, seven days. As a busy and highly productive site, a range of practical skills are required to keep the mine operating safely and smoothly.

All Bengalla Apprentices undertake a six-month Mining Skills Program at the Centre, in conjunction with Hunter TAFE, to develop valuable technical skills, including welding, electrical, automotive, and training in financial awareness, health and nutrition, personal fitness, communication skills and road safety awareness.

If you think this could be you apply online now by submitting your resume and cover letter explaining why you think you would be the Electrical apprentice!

Apprenticeship

Indigenous Opportunities | BHP 2021 Apprenticeship Program | QLD & NSW

About the Role

We are seeking diverse and talented 1st year applications for our **2021 Apprenticeship Program** across BMA Queensland and BHP New South Wales Operations. For commencement in early 2021, we are offering a number of residential positions available in Moranbah, Dysart, Blackwater, Hay Point, and Muswellbrook.

This is an outstanding opportunity for both school leavers and mature aged candidates to develop a dynamic and fulfilling career. The program is delivered to develop cultured, engaged, highly skilled and work ready apprentices to the business, via structured practical and theoretical training competencies.

On completion of your 4 year apprenticeship, you will have earned a trade qualification that is recognised globally.

Nationally Accredited trades Certificates being offered may include:

- Automotive Electrical (Certificate III in Automotive Electrical Technology)
- Electrical (Certificate III in Electro Technology Electrician)
- Diesel Fitting (Certificate III in Mobile Plant Technology)
- Mechanical Fitting (Certificate III in Engineering - Mechanical Trade)
- Boilermaking (Certificate III in Engineering Fabrication Trade - Boiler Making/Welding)
- Refrigeration Mechanic (Certificate III in Air-conditioning and Refrigeration)
- Plumbing (Certificate III in Plumbing)

About You

These opportunities are available for enthusiastic and motivated individuals wanting to obtain a trade and embark on a career within in the mining industry, this is a chance to be apart of something big!

We are eager to engage with people who have a genuine interest their chosen trade and come from a diverse range of backgrounds. We are looking for individuals that are adaptable, positive, and open to exploring the world of mining whilst learning something they have a demonstrated passion for.

As residential roles, apprentices will be required to live within in a safe distance from our Mine sites aligned with our Fatigue Management policies. Please note accommodation and travel is not provided for these positions.

The ideal candidate we are seeking will:

- Demonstrated interest in their chosen trade through work experience and / or hobbies and interests.
- An overriding commitment to health, safety, environment responsibility, and sustainable development.
- A strong desire to learn and develop a range of new skills associated with your chosen trade.
- Motivation to achieve individual and team goal and objectives with a willingness to actively contribute to attain results.
- Hold a current Australian Drivers License (Learner and Provisional accepted)

Prerequisites for 2020 Year 12 Leavers:

- Mechanical trades is a minimum Year 12 pass in Mathematics & English
- Electrical trades is a minimum Year 12 pass in General Mathematics / Q Smart Mathematics (QLD), Advanced Mathematics (NSW), and English

Supporting a diverse workforce

BHP acknowledge that we operate on the traditional lands of Barada Barna, Gaangalu, Yuwibara, Widi, Wonnarua people. We recognise the traditional rights to maintain the cultures, identities, traditions, and customs on their country, and strongly encourage their job seekers to apply. At BHP, we recognise that we are strengthened by diversity. We are committed to providing a work environment in which everyone is included, treated fairly and with respect. We are an Equal Opportunity employer and this position will only be open to Aboriginal or Torres Strait Islander applicants. The filling of these positions is intended to constitute an equal opportunity measure under section 8(1) of the Racial Discrimination Act 1975 (Cth), and section 105 of the Anti-Discrimination Act 1991 (QLD) and 8(1) of the Racial Discrimination Act 1975 (Cth), and s 126 of the Anti-Discrimination Act 1977 (NSW).

Providing employment opportunities for Aboriginal and Torres Strait Islander people is an important part of our 2017 – 2020 Reconciliation Action Plan (RAP). For more information about our RAP, please visit our website.

We know there are many aspects of our employees' lives that are important, and work is only one of these, so we offer benefits to enable your work to fit with your life. These benefits include flexible working options, a generous paid parental leave policy, other extended leave entitlements and parent rooms.

Important

The safety of BHP's people and our candidates is our number one priority. Due to the unfolding circumstances of COVID-19 and the Government regulations in place to deal with the pandemic, your working location and/or roster as advertised in this advert may be temporarily subject to change whilst the government regulations are in place. This is to ensure the health safety of our workforce, and to implement effective social distancing measures. These changes if applicable will be discussed at screening and interview stage.

Application close 12PM AEST on Wednesday June 17th 2020. Please note late application will not be accepted.

Apprentice Plant Mechanic

Kentan Machinery Apprenticeship 2021

Entry Level - Plant Mechanic

Kentan Machinery is a leading player in the provision and maintenance of Agricultural and Construction equipment in the Newcastle, Hunter Valley and Taree areas. With a focus on quality, product knowledge, internal development and customer service, we have achieved an enviable reputation in the market and been a consecutive winner of the much coveted "MTA NSW Farm Machinery Dealer of the Year" award.

If you are completing School or are seeking a new career, the Kentan Machinery Apprenticeship Development Program will set you on the path to a fulfilling and rewarding career. This apprenticeship commences in January 2021 but we would like a start date ASAP to induct the selected candidate into the business prior to the apprenticeship start date.

What we seek in our apprentices:

- Minimum Year 10 Maths and English;
- Technical aptitude and a mechanical interest;
- Self-motivated with a responsible attitude and mature outlook;
- Strong commitment to a structured on site workshop and off site training program;
- Ability to work within a team environment;
- Drivers Licence is mandatory (minimum P plates).

What we can offer you:

- Sponsored Certificate III training at TAFE;
- Extensive technical and business skills training program;
- Safety equipment and protective uniformed clothing for work purposes;
- A strong team culture focused on your success and career growth.

How to Apply:

To apply for an Apprenticeship opportunity with Kentan Machinery, please send your application via email to craig@kentanmachinery.com.au.

Please remember, you must be available to start ASAP even though the apprenticeship does not start until January 2021.

To all of you who sent through your resume, we appreciate your interest but due to the high volume of applicants, we will not be contacting you unless we feel you may be suitable for the position.

Painting & Decorating Tradesmen and Apprentices

R. Baxter Painting & Decorating are currently seeking full-time tradesmen and/or apprentices who are well presented with a personable manner in addition to an excellent work ethic and willingness to work in both a small and medium sized team environment for a variety of clientele and for a range of projects including residential, industrial, shopping centres, schools/Tafes and various other government and insurance work. Applicants with a current Driver's Licence will be considered favourably. Due to our clients' requirements, the successful candidate/s will need to have a Criminal History Police Check in order to undertake work for our business. Above Award rates will be paid to the right candidate/s.

Apprentice Baker

1st year Apprentice Baker required for immediate start. We have a position available for an enthusiastic, passionate & driven individual looking to start a career with us at Bakers Delight Wallsend. Daily tasks will include learning all aspects of baking bread, daily cleaning tasks, customer service & more. 2021 Apprenticeships-Electrical, Mechanical & Metal Fabrication

AGL Energy

★★★★☆ 3.2 overall rating (261 employee reviews)

[More jobs from this company](#)

There's never been a better time to be at AGL

It's an extraordinary time for the energy sector. A time of complex challenges and unprecedented opportunities.

At AGL we have the scale, resources and ambition to take the lead and make real the possibilities the future holds. We're renewing and expanding our portfolio of sources and products to make them more sustainable, reliable, affordable and useful for all Australians.

That's what we call progress. To achieve it, we're bringing together people with unique stories, perspectives, and talent - and we need yours too.

At AGL, we believe progress is powered by our people. Let us empower you to make a positive difference and help bring progress to life.

About the Company

Proudly Australian, AGL Energy is one of the leading integrated energy companies and the largest ASX listed owner, operator and developer of renewable energy generation in the country.

The Roles

We are currently recruiting for highly motivated people to join our team and undertake an Apprenticeship in the areas of Electrical, Mechanical (Fitting & Machining) or Metal Fabrication.

Our Apprentices receive:

- A nationally recognised Trade Qualification, gained within a broad learning environment
- The opportunity to work for a supportive Company that is renowned for developing outstanding Apprentices
- The ability to learn in a team oriented and supportive environment

To be successful, you'll have:

- Completed Year 10 or equivalent prior to the end of 2020
- A demonstrated interest in your nominated trade
- A willingness and ability to participate in potential shift work
- A strong commitment to safety

Submit your application, ensuring to include:

- Your Cover Letter and Resume, clearly outlining your relevant qualifications, experience and nominated trade

If you are a school leaver your last 2 school reports will be requested throughout the recruitment process, Aptitude testing will also form part of the overall selection process.

Applications close on Sunday 28th of June.

Please direct any queries to Hiari Pearce at HPearce@agl.com.au.

About Us

Proudly Australian for more than 180 years, AGL operates a diverse generation portfolio supplying energy to 3.7 million customer accounts. We have a passionate belief in progress and a relentless determination to make things better for our communities, customers, employees, the Australian economy and our planet.

Our goal is to make energy simple, fair and transparent and we're continuing to innovate to enhance the lives of Australians now and into the future. It's an extraordinary time for the energy sector and we need extraordinary people to meet the challenges.

We're bringing together people with unique stories, perspectives, and talent - and we need yours too. Let us empower you to make a positive difference and together we'll bring progress to life.

At AGL all employees are encouraged to be themselves and to bring their whole selves to work every day. We encourage applications from Aboriginal and/or Torres Strait Islander people, people living with disability, culturally and linguistically diverse people and people of the LGBTI+ community, including transgender, gender diverse, and intersex people. AGL has a commitment to maintain a diverse workforce, so welcomes the opportunity for applicants to share their lived experiences but recognises that some applicants may not wish to disclose, so that option is supported.

Traineeship

Sales and Marketing Traineeship

Based in the Newcastle region, this opportunity is perfect for someone wanting to learn the ropes of sales and marketing. Whilst completing a Nationally Recognised Qualification, you will work collaboratively with our sales and marketing team and be responsible for creating, editing and monitoring digital marketing campaigns, social media channels and creative blogs. You will also work directly on our digital sales and learning platform to assist potential students with enquiries and drive enrolments, as well as liaising with our team of professional development consultants and field officers to create engaging marketing material to help showcase our products and brand in the market.

This is an entry level position where you will manage competing priorities to tight deadlines. You will use creative skills to develop and implement marketing material consistent with our brand, use your initiative to identify innovative trends within the market and provide support to our business divisions to analyse key data insights. You will be working with technical, strategic and creative team members to ensure our deliverables are completed effectively, on time, and to budget.

About you

This is an exciting opportunity to start your career in sales and marketing! We can teach you everything you will need to know, but you need to bring a positive, fun and friendly attitude, high attention to detail, and a passion for creativity and design. Working in a fast-paced environment, you will be reliable, resilient and consistent, and an honest, open communicator. At Novaskill we value the importance of ongoing education so you will also be a lifelong learner, who will be keen to keep up to date with emerging digital trends and technologies. As this role requires a high level of digital literacy, experience using Adobe Creative Cloud (including Photoshop, Indesign, Illustrator, Premier etc.), WordPress, Google Marketing Platform (Ads, Analytics, Search Console, My business etc), management of social media accounts (Instagram, Facebook, Linked In), as well as video editing experience would be would be advantageous but not essential.

About us

Since 1980, Novaskill has been providing superior trainee and apprenticeship management and are a proudly non-for-profit Group Training Organisation. Our apprentices and trainees, host employers, internal employees, students and stakeholders can be assured of our dedication to supporting our communities and enriching people's lives through the provision of quality training and employment services.

This year, we are celebrating 40 years, and welcome the interest to join us!

We offer an attractive remuneration package that includes 10.5% superannuation contribution and leave loading, and discounted health insurance. In addition, we a focus on work/life balance by offering the option of a 9-day fortnight (full time staff), paid company days off over Christmas, and salary sacrificing.

Apply now!

This position needs to be filled as soon as possible. If you believe you have the necessary skills and would like to be a part of our dynamic team, please apply now with your resume and cover letter addressing the selection criteria.

For more information about this position, please contact our HR Team, on [\(02\) 4906 6700](tel:0249066700) or email us on CareersI@novaskill.com.au.

To be considered for this position, we require a cover letter to accompany your resume.

We are a proud equal opportunity employer and encourage all persons to apply. All successful candidates will be required to undertake an Australia Federal Police Check prior to commencing employment. Unfortunately, due to the high volume of applications, we are only able to contact shortlisted candidates.

This position has been deemed a "child-related" role therefore will require applicants to present a current Working with Children Check clearance prior to commencement.

Novaskill's vision is to have a diverse workplace that welcomes employees of all backgrounds that will ultimately bring a range of benefits to our organisation. We encourage Indigenous applicants to apply.

Traineeship

Business Administration Trainee

We know drilling....

CH₄ Drilling was established as a Drilling Services company in 2016, to provide underground in-seam drilling to coal mines along the east coast of Australia. We promptly gained contracts in New South Wales and Queensland which enabled us to quickly prove ourselves to be a quality supplier of UIS drilling services and establish a strong reputation for drilling efficiency and technical ability as well as employee fairness and inclusivity.

As a Business Administration Trainee, you will be joining a high performing team and will be based at Hexham Head Office.

What we are looking for....

Your proactive attitude to your traineeship and a driven work ethic will see you as a much-valued employee in line with CH₄ Drilling's Values and 'can do' attitude. You will value this rare opportunity to gain a Certificate III in Business Administration over a 12-month period and will commit to the competencies and learning plan for the duration of the traineeship.

You will have the motivation to build your career and a willingness to uphold and practice CH₄ Drilling's performance requirements, be a solid team player with great communication skills and will be available to work Monday to Friday each week during normal business hours.

Your key responsibilities

- Provide administrative support to meet CH₄ Drilling facilities and operational needs, ensuring a high attention to detail.
- Assist with enquiries and requests from internal and external customers in an efficient and courteous manner.
- Coordinate and organise all travel requests in relation to the business and employee uniforms.
- Organise the administration aspects of fleet vehicles, including registrations, fuel cards, reporting requirements, etc.
- Organise the reconciliation of credit cards.
- Project work and support as required.
- Data entry and record keeping.

What you need....

- A positive and professional attitude in dealing with all customers, consistently projecting a positive image of the CH₄ Drilling.
- Outstanding organisational skills and the ability to handle multiple projects/tasks simultaneously.
- Eligibility to undertake a Certificate III Traineeship in Business Administration.
- Genuine interest in the business administration profession and a commitment to the traineeship.
- Effective verbal and written communication skills.
- Ability to prioritise tasks in a fast-paced environment, while handling interruptions as part of the routine.
- Attention to detail and the drive to get things 'right the first time'.
- Strong team player, willing to help out and assist others when needed.
- Self-starter approach to work, with an eagerness to consistently meet and exceed objectives and take on more responsibility.
- Proficiency in Microsoft Office suite.
- Driver's licence.

What you will receive in return....

- Full time traineeship with nationally recognised qualification
- Above Award salary
- Support to undertake training relevant to your role
- Annual/personal leave entitlements.

We are an ambitious team looking to lead from the front. We have a strong vision to create an unbreakable team culture based around safety, innovation, family and accountability.

Applications close 18 June 2020.

Trainee Locomotive Drivers

About Us:

One Rail Australia is one of Australia's leading rail-based logistics partners, delivering value through customer service, operational excellence and innovation. Our number one priority is to deliver for our customers safely – when and where they need it. We operate in South Australia, the Northern Territory which includes the Tarcoola-to-Darwin rail line, Queensland and New South Wales, including the Hunter Valley. We provide tailored solutions across a diversified commodity mix of minerals and agriculture.

About the Role:

One Rail Australia have an exciting opportunity for multiple Level 1 Driver Trainees to join the business. The positions will be based in Newcastle and will commence September 2020.

One Rail Australia will support you through and provide you with all the comprehensive training you need to become a successful fully Qualified Locomotive Driver. Upon completion of your training contract, which will take approximately 2 1/2 – 3 years, you will be able to operate a locomotive and provide operational support to ensure the safe and efficient working of short haul train movements throughout the Newcastle region. You will also be provided with a very competitive pay rate which increases as you progress through the traineeship program until you become qualified, as well as many other great benefits.

About You:

Previous industry experience is not a requirement of this role; however, it is essential that you are able to demonstrate the following:

- Sound mechanical aptitude.
- Above average numeracy and literacy skills.
- Excellent problem solving skills and the ability to troubleshoot challenges as they arise.
- Proven ability to maintain high levels of concentration for long periods of time.
- Dedicated commitment to safety including working within stringent safety protocols and procedures at all times.
- Ability to work a 24/7 roster including night shifts, weekends and public holidays.
- The ability to work as part of a team and the rail community.
- Hold an unrestricted motor vehicle licence.

The Process:

As part of One Rail Australia's recruitment and selection process, short listed applicants will be required to:

- Successfully complete and pass literacy, numeracy, mechanical comprehension and concentration testing.
- Provide a recent national criminal history check & provide recent referees.
- Successfully complete and pass a Category 1 pre-employment health assessment.
- Provide a Current C Class or higher Drivers Licence.

To apply, submit your resume and cover letter as a single document. Applications close June 19th 2020.

Traineeship

Human Resources Traineeship

Who you'll be working with...

HVTC Hunter is an expert in the employment and training of apprentices and trainees. We believe skills change lives and that apprenticeships and traineeships can open doors to incredible careers. This is why we partner with businesses to match the right person with the right career.

During your traineeship, you'll be employed by us and complete on-the-job training with HVTC Hunter in the Rutherford office. We'll provide you with ongoing mentoring and support to help you achieve your career goals and unleash your true potential.

So what are you waiting for?

What you'll be doing...

You will complete a [Certificate IV Human Resources](#) over 24 months through a combination of formal training with a Registered Training Organisation (RTO) and practical on-the-job experience.

Throughout your formal training and practical experience in the workplace, you will:

- Support the recruitment and selection of apprentices and trainees
- Source new candidates using a multitude of channels
- Screen candidates face-to-face and over the phone
- Conduct reference checking
- Maintain records and data entry
- Create induction documents
- Draft job advertisements
- Deliver quality customer service, via phone, email and face to face
- Assist with screening, booking interviews and on-boarding of candidates for the HVTC PaTH Program
- Carry out other duties that are within the limits of trainee skills, competence and ability

What you'll bring to the table...

To be successful in this role, you'll need to meet the following selection criteria:

- Genuine interest in recruitment and selection
- Flexible, with the ability to prioritise tasks in a fast-paced environment with competing demands
- Results driven attitude
- Confident, clear & concise written & verbal communication skills
- Outstanding attention to detail
- Excellent administration skills including the use of Microsoft Office suite
- A positive attitude towards taking on tasks, big and small
- Committed to working collaboratively within a diverse team
- An honest, punctual & reliable work ethic
- P1 drivers' licence or above

It will also help if you have:

- Certificate III in Business Administration or equivalent
- Experience in an administrative based role

What you'll get in return

As well as a fun, supportive and inclusive environment where you'll be challenged and given room to grow, you'll also receive:

- Rostered Days Off (RDO) entitlements
- Annual Leave Loading 17.5%
- Employee Assistance Program (EAP)
- Access to Corporate Gym & Health Insurance Rates
- Corporate uniform (after your probation period)

What to do next

To apply for this role, click the 'Apply for this job' button and then follow the steps to complete your application. You can also apply online at www.hvtc.com.au by clicking on 'Vacancies' and selecting the relevant position, then the 'Apply Online' button at the bottom of the page.

All applications require a resume and cover letter addressing the selection criteria.

If you have any questions about this role please contact Kiara Nicoll or Rebecca Sparks on [02 4932 4222](tel:0249324222).

Applications close Friday 19th June 2020

As a recognised 2019 Diversity Champion HVTC are committed to Equal Employment Opportunities, Ethical Practices, and the principles of Cultural Diversity. We encourage applications from all members of the community, including people from indigenous backgrounds, women seeking non-traditional trade opportunities and mature aged people.

Traineeship

Indigenous Customer Service Trainee | Westpac | Singleton

- Aboriginal and Torres Strait Islander Traineeship Program
- Career development in retail banking and sales
- Gain a nationally recognised Certificate III in Financial Services

About Maxima Group Training

Maxima is a not-for-profit national employment services and training organisation, working in partnership with small and large businesses across Australia. We have a successful 30 year history delivering employment outcomes for people of Aboriginal and Torres Strait Islander backgrounds, with approximately 280 Aboriginal and Torres Strait Islanders currently placed in Indigenous Traineeships.

Your Host Employer

Westpac is Australia's first and oldest bank operating for over 200 years and also one of its largest. Westpac Group provides personal, business and corporate banking services, as well as superannuation, investment and wealth management services. Westpac offers its employees many opportunities for career progression and skills development in the banking and financial sectors.

The Opportunity

This position provides Aboriginal and Torres Strait Islanders an opportunity to engage with their local community as a Bank Teller. As the face of Westpac Bank, you will provide customer service, conduct banking transactions, assist with general enquires and market Westpac products and services.

National traineeship wages and conditions apply.

Day-to-day duties will include, but not be limited to:

- Provide face-to-face customer service in branch to personal and business customers
- Pitch sales of Westpac Group products and services and refer specialist enquires
- Produce financial reports, transaction summaries and balance sheets
- Assist management and team with daily administrative tasks
- Conduct banking transactions, cash handling and EFTPOS

Skills and Experience

- Focus on achieving sales targets and exceeding KPIs
- Have a sound mathematical and financial acumen
- Exhibit a passionate and positive work attitude
- Demonstrated customer service experience
- Ability to utilise financial computer software and systems
- Great verbal and written communication abilities

Benefits

- Participate in Westpac's Best Banker Programme to obtain professional qualifications
- Align yourself with a strong and nationally recognisable brand
- Obtain a nationally recognised Certificate III in Financial Services
- Job security and career development opportunities
- Work alongside supportive colleagues and management
- Innovative and progressive office environment
- Be a part of a career, not just a job

How to Apply

Please note that you must identify as Aboriginal or Torres Strait Islander descent to be eligible for this role.

To apply, complete the online application form and attach a copy of your resume and cover letter outlining your suitability for the available role.

Only shortlisted candidates will be contacted directly.

Applications close Friday 12 June 2020

Child Care Traineeship

About the business

At Little Miracles we are a Christian family owned business who believe our best assets are our staff. We develop our Educators by building on their strengths through our strength coach, so that you may lead positive lives both inside and outside the business. Throughout your traineeship you will be supported by a mentor and the team who will all ensure your success.

We also love giving back by supporting various charities which are chosen by both our employees and owners. You will have the opportunity to be part of our team and make a difference to people's lives particularly those who are disadvantaged or in need.

About the role

On offer is a 12-month Certificate III Early Education traineeship. At the end of your traineeship you will hold the qualification which will allow you to work in Preschools and Long Day Care centres. You will be given the support and guidance to learn on the job whilst getting paid to build yourself a new rewarding and lasting career.

During your traineeship you will work with our trained educators who will support you to grow into a well-rounded educator. You will work with our beautiful children and families and be a vital person in their lives to help them reach their full potential, while supporting each child to transition into their next stages of life.

Benefits

Here at Little Miracles we are a "people come first" business and our educators, our parents and our children are valued above everything else. If successful you will have the benefits of:

- A Supportive environment with a strong focus on a culture of honour
- First class virtual training given off the floor to complete part of your study
- On the job training which will gain you a certified qualification in a rewarding career
- Personal and professional development with the possibility of further career development once your traineeship is complete
- Work in a business which makes a difference to lives and communities
- Participate in Fun days held through the year

Skills and experience

- No previous experience is required.
- A can-do attitude and willingness to learn is essential.
- To be successful you need to be organised and multitasker.

Educator (Certificate III Trainee)

Obtain a Certificate III in Early Childhood Education and Care (CHC30113)

Full-time contract for 12 months

Based within our Newcastle based Early Learning Center

What will you do?

The successful applicant will complete their traineeship on the job while working full-time over a minimum period of 12 months. The duration of the fixed-term traineeship and working arrangements hours of work will be reviewed with the successful applicant to determine the 'best fit' for the individual within organisational and traineeship requirements.

This trainee role will provide the successful applicant with:

- On the job training.
- The opportunity to gain a qualification with the support of qualified staff.
- The opportunity to develop skills and knowledge while working with children and studying.

A little bit about us

Samaritans is a not-for-profit organisation who for over 30 years has been offers support to those in need. The Samaritans values of **Compassion, Integrity, Justice** act as our tagline and describe the principles behind the work we do and the way we do it.

Samaritans Early Learning Centre is located in the inner city of Newcastle. It caters for children aged 6 weeks to 6 years and is open 5 days a week 7.30am – 6.00pm, 49 weeks per year. A core focus of our Center is to enhance individual learning outcomes by creating an environment that develops the abilities and confidence for each child attending the Centre.

What is required?

The successful applicant will need to demonstrate the following Essential Criteria:

- Successful completion of the HSC.
- An understanding out of hours study will be required
- Must be over 18 years of age to be counted as primary contact staff toward the staff to child ratios as specified by the Regulation for a centre or mobile children's service
- An energetic and reliable individual committed to completing a Certificate III traineeship in Early Childhood Education and Care.
- Have a genuine passion for working with children.
- Valid NSW Driver's License, Senior First Aid Certificate, and the ability to obtain a National Criminal History Check and Working with Children Check

What are you waiting for? APPLY NOW!

You must have the right to live and work in Australia

No third party applications

Samaritans is fully committed to providing every employee with an inclusive workplace that offers respect, training and opportunities to succeed.

Traineeship

Traineeship - Optical Dispenser

The position involves dispensing optical appliances, customer service, sales and administration. Working between the two practice locations (Lake Macquarie and Hunter Valley), the successful applicant will be required to complete Certificate IV in Optical Dispensing.

This course contains primarily maths and science subjects woven around the optical industry.

As a part-time position, rostered Saturday work will be included.

Previous experience in retail/customer service would be beneficial, no optical experience is required.

To be successful in this role you will need to have;

- An interest in providing a high level of customer service
 - Good verbal communication skills and numeracy
 - Ability to work with machinery and keen eye for detail
 - A strong work ethic, be self motivated and pro-active
 - Good computer skills including social media
- Exceptional personal presentation and interpersonal communication skills are essential for this position.

Please send your resume, including any experience, along with a cover letter detailing why your application should be considered and what you will bring to this position.

Junior Trainee Spare Parts/Warehouse Person

4wd Industries is a fast paced, four-wheel drive focused business located in Rutherford, NSW. Our small team has over 100 years of experience with four wheel drives. Due to rapid growth, we are seeking a junior to join our close knit team to assist with our warehouse and parts duties.

About the role

Your duties will include, but will not be limited to:

- receiving daily deliveries
- unpacking and checking incoming stock
- picking and packaging orders in a timely and accurate manner
- stock control and checks
- conversing with customers
- maintaining a tidy work environment
- assisting workshop personnel with required parts
- movement of larger items around the warehouse

Benefits and perks

On the job training and coaching is provided. We are seeking a Junior who will be provided with a traineeship following the probationary period. This role is for a traineeship for the right employee. There is also a chance of advancement into a management or sales based role.

Skills and experience

What we are looking for:

- a positive and respectful attitude.
- someone with a hunger to learn about automotive parts and accessories.
- an individual who can perform in a fast paced, but rewarding environment.
- confidence using a computer.
- the ability to work effectively unsupervised.
- forklift ticket an advantage but not a necessity.

If this sounds like you please send your resume to jodie@4wdindustries.com.au

Traineeship

Receptionist-Trainee Certificate 3 Business Admin or Real Estate (Agency) Cert 3

We are currently seeking an individual that is polished, presents immaculately and has a warm and welcoming personality and is a qualified barista.

We are a forward thinking agency with around 50 team members who do things differently. We feel the right personality and fit for this position would be currently working in a service industry such as hospitality, retail or a school leaver that has an established work ethic, is mature and a fast learner.

The role is essentially customer service comprising of telephone and front of house reception with basic admin. tasks. There is on offer, a Certificate 3 in Business Admin which would require your commitment to complete within 12 months.

This is a business that is open 8am to 7pm Monday to Friday, 8.30am-5.30pm Saturday, Sunday and some Public Holidays. Interested candidates would need to be available to meet these opening times on a roster.

The position is full time, and offers a 5 day roster, (with a rotation roster sharing early and late shifts, Saturday and Sundays with our current team members).

You will be surrounded by a team of outstanding and supportive people and an environment where working hard and having fun go hand in hand. The knowledge you will learn of the real estate industry, will provide you with the ability to advance your career should you choose to.

If you would like to join a team who achieve outstanding results, have an amazing culture, work hard and are hugely successful then we would love to meet you.

You will need to have

- Basic computer skills, Microsoft Office (Outlook ,Word) and we will train you on our software.
- Spelling and grammar are extremely important..
- Ability to be a master the juggling of competing priorities (this is definitely going to be a necessary skill).
- Have an insatiable LOVE of people with a desire to make them feel like the most important person in the world.
- Have a bright and bubbly phone manner, so people can hear the smile in your voice.
- The ability to make barista quality coffee
- A positive, self regulating , "leave your personal emotional stuff at the door" approach to each new day.
- Immaculate, refined, neat and tidy appearance, (consider the way flight attendants present).

To find out more please forward your resume with a brief summary of why this sounds like the perfect role for you marked Admin, to careers@loverealty.com.au

FIND THE ALDI IN YOU

Aldi Retail Assistant Newcastle

At ALDI, our people are the key to our success.

We're looking for high energy team members who love to keep active and busy. A Retail Assistant at ALDI needs to be able to thrive in a fast paced, team environment and always be willing to go the extra mile for their customers and team. The role is physical in nature, so you'll need to enjoy hands-on work and meeting deadlines. Our shifts can start at 6am some mornings, and finish at 10pm others, so being flexible and available for those shifts is important. Being available to work any 5 out of 7 days is also something we are looking for. Finally, prior experience in a fast paced, retail environment will be viewed favourably; however a positive attitude and hardworking spirit are an absolute must.

What's in it for you?

- Market leading remuneration - \$25.31 per hour*
- Be a part of a leading international retailer
- Career opportunities in our rapidly growing store network including progression to Store Management Trainee
- Extensive training and development.
- Rotating roster and guaranteed contracted hours.
- 4 weeks annual leave
- Work alongside friendly and supportive colleagues

You will be responsible for:

- Maintaining and replenishing stock storewide
- Operating manual pallet moving equipment
- Merchandising stock storewide
- Serving and assisting customers in a professional and efficient manner
- Operating tills and calculating change manually

*Hourly rate for Retail Assistants over 18 years of age.

Office Assistant

Gymnastics Direct is Australia's leader in online sales of gymnastics equipment. We are a family business with a loyal and growing base of customers that has been in business since 2006.

Our growth in recent years means that we need to expand our team. We are looking for someone capable of working as a part of a team who is dedicated, enthusiastic and able to work under pressure at peak times of the year.

Job requirements include, but are not limited to; attending to customer enquiries, handling logistics bookings, updating website and social media platform communications and various incidental communication activities.

Gymnastics knowledge is useful, but not essential, as is an understanding of graphic art, using photoshop and other web based applications.

Gymnastics Direct is a relaxed and flexible working environment, and we like to think, a great place to come to work. If this job sounds like you, please send your CV and application so we know who you are.

Administration Support

Join our growing team! If you can multi-task, while maintaining a welcoming and friendly nature with clients and colleagues, this could be a great fit for you.

WHO WE ARE:

Our business is one of the very few family-owned and operated accounting firms in Newcastle, owned for 25+ years by local Novocastrians. We're looking for a candidate that fits in well and shares similar values of family, honesty & loyalty; somebody who likes to have fun and join in with regular team bonding events. The position is for 2 days per week or 15 hours per week (on Tuesday, Wednesday or Thursday).

Our small team manages a growing and dynamic client base, requiring quick thinking and dynamic individuals to maintain our high standards of customer service.

Key skills & experience preferred (but not essential):

- Experience in an office environment OR roles that require strong customer service abilities.
- A love of technology and a willingness to learn
- Experience with Microsoft Office; Outlook, Word, Excel
- Strong organisational and multitasking skills
- Shared sense of family values, honesty, loyalty, and a desire to give back to the community
- Fun, energetic personality
- Strong team player and communicator

Role will include, but not limited to:

- Phone, email and mail correspondence management
- Appointment scheduling
- Filing (manual and electronic)
- Banking
- Maintaining office presentation
- Welcoming clients through the office
- General administration duties

If this sounds like you, please email your cover letter and resume (including at least 2 professional references) to adminsupport@garis.com.au or contact us through the seek application button above.

Gardener/Junior Gardener

Torryburn Stud is expanding rapidly and we are seeking a Gardener or a Junior Gardener to join our busy team.

The successful applicant will join a small, friendly and cohesive team with a passion for excellence and be involved in a diverse range of tasks.

THE ROLE:

The position of Gardener/Junior Gardener will report directly to Torryburn Stud's Head Farmer.

The successful applicant will be required to undertake the following tasks:

- Ideally you will have a minimum of 2 years in a similar role. However, we will consider applicants with qualifications with a genuine passion for gardening or a Junior looking for a traineeship or to develop skills.
- Ongoing liaison with, and taking direction from, the Head Gardener
- Any facet of gardening as required, including but not limited to, soil improvement, fertilizing, mulching, watering and irrigation, mowing, planting and planning, hedging, landscaping, brush cutting and tree maintenance, general maintenance and handyman skills.
- plant and equipment maintenance - (highly desirable but not essential)

THE SUCCESSFUL APPLICANT

(SKILLS & CULTURAL FIT):

The successful applicant will possess the following attributes:

- A willingness to work both individually and within a team
- A self- starter who is fit, hardworking and has a high level of attention for detail
- An ability to meet deadlines
- A willingness to maintain the best possible standards at all levels and in all workplaces
- An ability to communicate in a professional manner with all staff, management, visitors and owners
- An ability to demonstrate initiative and a willingness to go "above and beyond", to present the farm and gardens to the highest standard at all times

It is hoped you live within 45 minutes of the East Gresford area.

THE SUCCESSFUL APPLICANT

(EXPERIENCE):

The successful applicant will ideally have experience in one or more of the following areas:

- Experience in a similar role and a demonstrated passion for gardening
- Specific experience working in a garden is essential.

ABOUT TORRYBURN STUD:

Torryburn Stud, is a boutique thoroughbred stud steeped in Colonial history, nestled in gently rolling hills near Gresford, in the beautiful Paterson Valley.

The Stud encompasses approximately 1200 picturesque acres with advanced safe fencing, specialised water management and irrigation, improved pastures, as well as an historic homestead and facilities, surrounded by meticulously maintained gardens and lawns.

HOW TO APPLY:

Applications for this rewarding opportunity should be forwarded to torryburnaccounts@cornishgroup.com.au
