ABOUT THE SUMMIT

RDA Hunter's 2020 Regional Development Summit will draw on the knowledge of well-credentialed commentators, industry experts, government and business representatives to examine the Hunter's industrial landscape. We'll have a keynote on macro trends impacting economic growth. We'll hear about Industry 4.0; the role of innovation and skills in Australia's industry growth; the Government's Industry Growth Centres Initiative; and Hunter industry will help us understand how our sectors of competitive strength are transitioning for the future [READ MORE](#) or [REGISTER HERE](#)
