AIE Animation Industry Experience Days – Sydney, Canberra, Melbourne, Brisbane

7th July

30th September

Limited places available.

AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If you are thinking about a career in the games or film industry then we highly recommend registering for this free event. We are limiting numbers for this event due to physical distancing requirements, with Year 12 students having priority to register.

Practice Tests for Cabin Crew Entrance Used by International Airlines

Are you fully prepared for the cabin crew recruitment process? At most airline's, long gone are the days where you could simply turn up at an Open Day and hope the recruiter liked the look of you. Nowadays, you have to submit a detailed online application including a bespoke resume or CV to stand a chance.

Luckily, we've sat through many of these online cabin crew exams and know exactly what international airlines are testing candidates on. With that knowledge, we've created a series of bespoke practice tests to help you prepare for the cabin crew application tests. **And the best bit? – they're completely free!**
