

CAREERS ADVISERS NEWSLETTER

April Update: Digital Resources & Events

With Term 2 already underway in this uncertain and crazy time, we hope you were able to take time for a break over the holiday period.

We are continuing to work and move towards digital resources to support your school communities. In this update there are digital links to our resources and also details of upcoming digital events for career advisers, students and parents.

HSC Subject Support Sessions

We have partnered with InspirED to deliver a free series of HSC subject specific webinars. They will be delivered by teachers and HSC Markers.

The first one of these sessions is on this coming Tuesday 5 May, 5:30pm via zoom webinar. We invite students to join Shane Hardcastle (Managing Director, InspirED and former HSC Marker) as he provides **'practical strategies on how they can ensure they stay on track with their HSC studies while learning remotely'**.

Date: Tuesday 5 May, 5:30pm

Audience: HSC students and their parents

To register: [Click here](#)

In the weeks following this session we will begin a series of HSC Subject Support sessions. They will be free to students, run by teachers/HSC markers and a great support to their studies. Further communication around these sessions will commence next week (week 2). A copy of the schedule is below:

Webinar Sessions: Parents & Career Advisers

Parent Info Session - Wednesday 13 May, 6pm

We invite parents to join us via Zoom webinar to hear from our expert staff on the following topics:

- How to Apply
- Admissions 101
- Our Pathway Programs
- Student Services and Support

Plus there will also be plenty of time to ask questions!

Details

Date: Wednesday 13 May

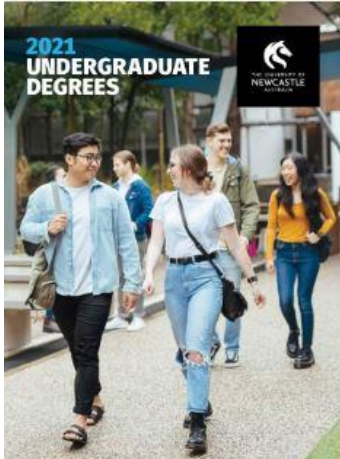

Time: 6:00pm

[Register now](#) a Zoom Webinar link will be sent to you via email.

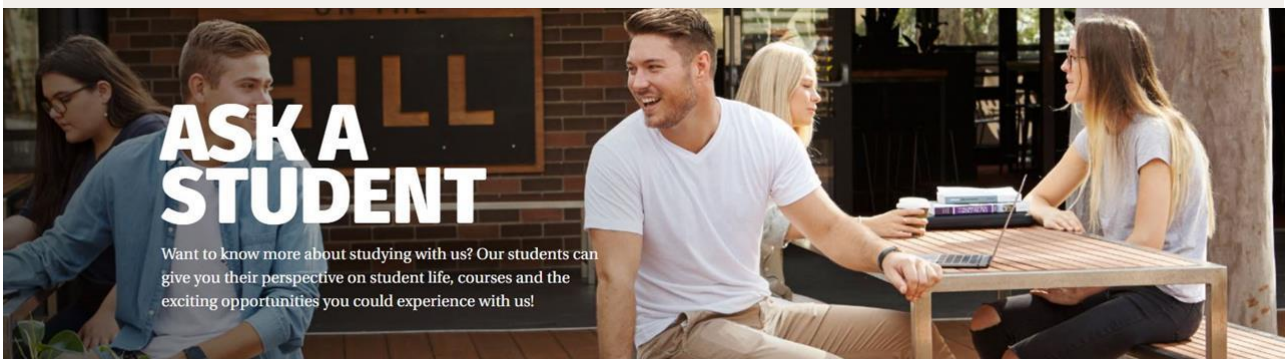

Year 12 Digital Presentations

We are now delivering our Year 12 information sessions via zoom webinar. We have lots of bookings for this term, please contact your Future Student team member to book in your school.

Digital Publications

Our [2021 Prospectus](#) and [Intro Guide](#) (replaces previous years Year 10 guide) is now available online.

Ask a Student

Our '[Ask A Student](#)' webpage has been proving popular as a means for high school students to connect with current Uni students. The page has FAQs that our students have answered or they can select a student profile and ask any questions that they may have around transitioning to university study, student life, degree programs and student support. Students can find the page here: <https://www.newcastle.edu.au/study/ask-a-student>
