

JobJump Careers News Subject Bulletin

11 June 2020

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19

Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.

AFTRS Talks with Leaders in the Film Industry – Live Stream and Free

Tony McNamara

16 June

Oscar-nominated screenwriter/AFTRS alumnus Tony McNamara (*The Favourite*) and producer Marian Macgowan join AFTRS' Head of Screenwriting Pieter Aquilia to discuss their latest production *The Great* for Hulu (available on STAN) and other works from their celebrated careers. This is one not to be missed.

Talks @ AFTRS is a series of free, live-streamed events for the screen and broadcast industry. Each Tuesday lunchtime, we'll be hosting an inspiring chat with industry luminaries, who will talk about their current projects, careers, and inspirations. We'll focus on creativity and great storytelling. The sessions will be moderated by top industry professionals, including some of AFTRS' finest, and you'll be able to submit your questions in realtime.

AFTRS Film Emerging, Gifted and X (EGX) Featuring Maria Tran

18 June

Emerging, Gifted and X (EGX) is a fortnightly series of free, 30-minute discussions with some of the most exceptional and talented screen creatives, who come from diverse backgrounds. Diversity to AFTRS means a screen community and culture that is representative of all Australians, including those from non-Anglo-Celtic cultural backgrounds, people with a disability, diverse gender and sexual orientation, and those with geographic and other socioeconomic disadvantages.

Join Maria Tran and AFTRS' Pearl Tan as they discuss creating your own work and space in the screen sector. Hear about traversing acting, writing, producing and in Maria's case doing some memorable stunt, action choreography and martial arts work, all as a woman of colour on screen.

During this event you'll be able to ask questions and get all the detail you need to make an informed decision about your creative future. Register at:

<https://sydneydesignschool.com.au/information-sessions/>

Mercer School of Interior Design Open Day

29 August

At the Mercer School of Interior Design, we approach education with a different perspective. In addition to providing all of the essential skills for a successful career in design, we challenge our students to think beyond the latest trends by providing them the tools to discover their own unique styles.

With an exclusive focus on Interior Design and Decoration our nationally accredited courses and intensive short courses are developed and taught by the industry's leading innovators.

At our **Open Day**, we invite you to come and experience Collarts life. Just like our previous Open Days, enjoy **detailed information sessions** about our courses, and jump into **live chat Q&A sessions** with teachers and student advisors. The best part? You can enjoy all of this online—and **at your own pace**. Thanks to Open Day also running online, you won't have to worry about having to choose between seeing a workshop or a course overview, and **our key staff will be available to answer your questions directly via video conference**. You can view our previous **Online Open Day from May 16 here**.

<https://www.collarts.edu.au/open-day>

ENGLISH

HSC Preparation Courses for English Standard, Advanced Students and Extension 1

From 6 to 17 July

We offer an extensive program of HSC preparation courses across a range of subjects as well as complementary study skills courses for HSC students to help maximise their HSC results. Taught by experienced and practising senior HSC teachers with hands on knowledge of the HSC syllabus, assessment guidelines and examination procedures, these courses are designed to give students the invaluable knowledge and skills necessary to make their HSC studies effective and successful, and boost HSC results. Content taught is highly relevant, and designed to be transferable to any individual HSC elective or module, as well as being specific to essential syllabus and assessment requirements.

University of Sydney Grand Challenge Program

Healing the World; Real World Solutions

TBC August 2020

90-minute online sessions, plus self-guided work to be done in your own time

Cost: ~\$12-19 per student (group discounts for 30+)

Supervision: each student must have a teacher or adult supervisor present during the online sessions. Supervisors attend for free.

<https://www.sydney.edu.au/science/industry-and-community/community-engagement/grand-challenge-program.html>

University of Sydney Spectacular Science

This event will run again in November 2021. Stay updated on programs by joining our [Science Alliance mailing list](#).

University of Sydney, Camperdown Campus

Cost: \$24.20 (inc GST) per student

Please note, Spectacular Science is a school excursion day, and is not designed for individual students to attend without a class. For high school students from Years 7 to 11

Students will experience first hand some of the intriguing and important areas scientists are working in and spend a spectacular day submerged in science.

Take a journey into the fascinating world of science, with a day trip to Spectacular Science. Do hands-on science activities and meet real scientists who'll share what they are discovering about the world around us.

Designed for high school students from Years 7 to 11, Spectacular Science will engage and spark your students' interest in the huge diversity of science.

<https://www.sydney.edu.au/science/industry-and-community/community-engagement/spectacular-science.html>

UNSW HSC Maths Course Selection Advice

While we encourage everyone to study the level of maths at which they feel sufficiently challenged, below are some guidelines for the minimum level of maths required for some of our degrees. Please also see [Assumed Knowledge](#) for more information.

<i>Type of Degree</i>	<i>Assumed Knowledge</i>
Science with Mathematics Major	Mathematics and Mathematics Extension 1, but study as much maths as you can!
Science or Engineering	Mathematics and Mathematics Extension 1
Commerce with Actuaries, Finance or Accounting Major	Mathematics and Mathematics Extension 1
Health Sciences	Mathematics

<https://www.maths.unsw.edu.au/highschool/hsc-course-selection>

UTS Adjustment Factor Caps

You may apply for and receive adjustment points from more than one admissions scheme (check each scheme for eligibility criteria) but some faculties at UTS apply a cap to the total number of adjustment points that you can receive for their courses:

- Design, Architecture and Building; Engineering and IT - 13 point cap

William Angliss Great Chefs Series

William Angliss Institute's Great Chefs 2020 series will be announced soon. Sign up to our mailing list to be the first to find out who'll participate this year. Taste our delicious food and see why we are the ringleaders in hospitality and professionalism. Sit back and enjoy the atmosphere of the event as our cookery and hospitality graduates greet.

It also provides the food lovers of Melbourne the chance to experience exclusive menus from well-known chefs at prices between \$55-85 while supporting the next generation of chefs and hospitality leaders.

Hear from the Great Chef on the night, enjoy the opportunity to taste their specially designed menu and learn about the inspiration behind their creations!

Australian Patisserie Academy

250 Blaxland Road Ryde

Established in 2014, the TAFE NSW Australian Patisserie Academy was designed to give food enthusiasts, culinary professionals, businesses and individuals the opportunity to immerse themselves in the world of patisserie.

Utilising the professional kitchens of TAFE NSW, the Academy team alongside international guest chefs, ensure you emerge with a dream patisserie skill set. From perfecting the art of cake decorating to baking the perfect sourdough, pulling exquisite sugar ribbons to creating one-of-a-kind chocolate show pieces, the Academy is dedicated to preserving the art of patisserie.

Classes are short, flexible and constantly changing to reflect industry trends. So whether you're a passionate weekend baker or master chocolatier, there's a course that's your perfect mix. Phone: [02 9448 6222](tel:0294486222)

Blue Mountains Careers Focus Days

14th – 16th July

A 3-day residential program for students considering a career in the hospitality industry, designed for those aged 16 and over. This program gives prospective students insight into what it's really like to study at BMIHMS and is held at both our Practical Learning Centre (Leura Campus) and Executive Business Centre (Sydney Campus).

VET Information and Digital Technology

UNSW CompClub for IT - 2020 Virtual Winter Workshops

This year we will be providing 3 free workshops in an online format instead of in person! We will have a series of videos covering three workshops:

Game Development (HTML/CSS)

Cyber Security

Web Development (Javascript)

There will also be a livestream covering an introduction to Python during the holidays (date TBD), where students can take part and ask questions in real time!

There is no cost or registration needed and is open to all high school students of any ability. We will be releasing the virtual workshop site closer to the Winter School Holidays, and will update the link here once it is ready!

If you are looking for a flyer, [here's one we prepared earlier!](#)

SIBT (Sydney Institute of Business & Technology) Information Sessions Open

Level 4, 255 Elizabeth St, Sydney

We treat every day as an Open Day, there are no set times or days, we can meet you at a time that's convenient to you. At Sydney Institute of Business and Technology (SIBT), transitioning to university is simple. An SIBT diploma is the equivalent to the first year of a bachelor's degree, so you can fast track your way into your second year of a bachelor's degree at Western Sydney University, Sydney City Campus. If you're unsure of what to study or if you need help to plan your pathway to university, let our experienced team help you with these difficult choices. 02 9964 6555. E: study@sibt.nsw.edu.au

The Tocal Beekeepers Field Day

Saturday 10th October from 9am

Without bees we have no agriculture. Get along to this great event. There will be a full program of informative presentations, a large trade show to buy beekeeping supplies and more, live demonstrations, honey tasting and sales, and food and coffee available all day. Entry is free!

The Tocal Beekeepers Field Day has been running for 40 years, and is run by the Amateur Beekeepers Association, NSW Apiarists Association, NSW Department of Primary Industry and Tocal College.

Reminder - Tocal Farming and Agriculture Open Days

Friday 10 & 17 July

Friday 2 & 9 October

Our College Open Days are a wonderful opportunity to visit Tocal and experience first hand all that it can offer students who are eager for a rewarding career in agriculture, agribusiness or horse breeding and training. The Open Days are held on the Fridays of the winter and spring school holidays and provide prospective students, their families and carers an ideal forum to visit the College and get a feel for what life as a student is really like. Should you require accommodation while attending the Open Days, Tocal College has a range of excellent and affordable accommodation options. These include motel rooms, flats and cottages. Please contact our accommodation booking team for further information at tocal.bookings@dpi.nsw.gov.au

OTHER FIELDS

Sydney Trains Apprenticeships - Join the team that keeps Sydney moving!

We advertise apprenticeship positions in July on:

<https://iworkfor.nsw.gov.au> and our apprentices commence in January of the following year.

If you're looking for a rewarding career in a boom industry, there's never been a better time to join the rail industry. Sydney Trains is the biggest passenger rail operator and maintainer in Australia and is the training ground for the NSW rail industry.

Sydney Trains offers a [range of apprenticeships \(PDF, 1.05 MB\)](#) in the electrical, telecommunications and mechanical engineering trades.

As a Sydney Trains apprentice, you'll have access to a wealth of experience, a workforce that takes pride in its work, and a culture of collaboration and innovation. You'll gain nationally recognised trade qualifications with opportunities to further develop your career post trade.

<https://www.transport.nsw.gov.au/sydneytrains/careers/sydney-trains-apprentices>

For further information please contact Rhonda Moore on 0428166359 or
