

# JobJump Careers News Subject Bulletin

6 May 2021

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF  
and to Parents,**

**It may only take one piece of news to lead a student towards success in their life's career.**

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

## **SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19**

**Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.**

---

## **HSC SUBJECT KLA / FACULTIES**

### **CAPA**

Dance, Drama, Music, Visual Arts

### **National Youth Concerto Competition**

Closes 30 June 2021

Winner: \$3,000

Other Finalists: \$1,200

The 2021 National Youth Concerto Competition (NYCC) Finals Week is Saturday 2 to Sunday 10 October. The NYCC is recognised as the most prestigious competition in Australia for string soloists aged up to 18 years. It was established by Queensland Youth Orchestras in 1976 to encourage the development of young Australian string players.

For the first round of the competition, each applicant records and submits audio files of audition works to be judged by a panel of professional musicians. Up to three finalists and four recitalists are then invited to Brisbane to take part in the NYCC Finals Week from 2 to 10 October 2021.

The finalists compete for the first prize with their chosen concerto (preferably performed from memory) in the public NYCC Finals Concert titled 'String Sensations'. This concert takes place at the Old Museum Concert Hall, Brisbane on Sunday 10 October 2021 where finalists perform their concerto with the Queensland Youth Symphony (QYS).

## **Brent Street Winter Dance Camp – Act, Sing, Dance**

5th – 9th July 2021

### ***BRACE YOURSELF – A WINTER STORM IS COMING!***

These winter holidays, join us in 25 incredible classes with the country's best choreographers and teachers across 5 massive days.

Each day starts at 9:30 am, with five 1-hour classes with an industry-leading dance teacher/choreographer. Students are divided into age groups, subject to numbers. The day concludes at 3:30 pm.

On the final day, participation certificates are awarded on the final day of the workshop, plus the chance to win a scholarship to the 2021 Spring Intensive.

Please note, this program is suitable for 7 – 18-year-old students of intermediate to advanced level.

<https://brentstreet.com.au/workshop/winter-camp-2021/>

## **Reminder – Sydney Design School – Interior Design Open Day**

Saturday 29 May 2021. Starts 10am

Includes 40 minute presentation

Join us for our biggest day of the year! Our Director will take you through our courses and give you a comprehensive introduction to our School community. Meet our passionate Educators and explore our inspiring student work. This event may be held on campus or online.

<https://sydneydesignschool.com.au/information-sessions/>

## **Orana Fashion Business College Scholarships**

The value of each scholarship is 20% off the tuition fee.

### **Scholarships are available for the following accredited courses:**

- 10118NAT Diploma of Social Media Marketing (major in fashion, beauty and lifestyle)
- BSB50215 Diploma of Business (major in fashion)
- BSB40215 Certificate IV in Business (major in fashion)

## **ENGLISH**

### **Micro journalism unit in May 2021**

Jschool Journalism College offers senior secondary students a 'taste of journalism' in its micro news writing unit starting 11 May. Offered online over five weeks (one lesson each Monday with weekly exercises) the course shows how journalists develop and craft news stories. (The unit is repeated in August and December.) More information:

<https://jschool.com.au/micro> or email [anne@jschool.com.au](mailto:anne@jschool.com.au).

## **LANGUAGES**

### **Languages at Sydney: Go Global 2021**

26 May, 2021 4:00pm

In this information session you'll meet our lecturers, current students and alumni to learn about the different ways you can study a language at the University of Sydney. From degrees to majors or the diploma, understand which is the correct study option for you. You can then experience two different languages in short taster sessions. With our breadth of study options, exciting overseas opportunities and diverse career outcomes, find out how it's really like to study with us and the ways languages can give you a competitive edge for your future.

## **P.D.H.P.E.**

Community and Family Studies, P.D.H.P.E.

### **UOW Tottenham Hotspur Global Football Program**

Apply now to start in February 2022

The UOW Tottenham Hotspur Global Football Program is a unique opportunity to study a qualification of your choice at UOW's Wollongong campus, while also developing your football skills with training provided by fully qualified coaches from English Premier League (EPL) club **Tottenham Hotspur**.

The first of its kind, the program brings together one of the world's best-known football clubs and one of the **world's best modern universities**.

In addition to your academic fees, the cost of the program is \$15,000 per year. As part of the program, you will undertake up to 20 hours of Global Football Program content each week for 36 weeks around your academic timetable, and will have opportunities for selection to compete at a local, national and international level (through the UOW football team).

**Download the brochure now. Find out how to apply.**

<https://www.uow.edu.au/globalfootball/>

### **ACPE Elite Athlete Program**

Are you an elite athlete, coach or performer looking to study a higher education degree?

The Australian College of Physical Education has supported student athletes strive for academic and sporting excellence since 1917, and is among national leaders in providing the highest standard of services for elite athletes, coaches and officials. ACPE is an endorsed member of the Elite Athlete Education Network recognised by the Australian Institute of Sport and the New South Wales Institute of Sport.

Our **Bachelor degrees in Sport, Health, Education and Dance** offer the highest quality learning in a flexible and supportive environment in Sydney's home of sport, Olympic Park. Selected subjects, degree and postgraduate options can be studied fully online.

<https://acpe.edu.au/future-students/admissions/elite-athlete-program/>

### **SEDA Sports College Open Days**

**11 May**

**20 May**

**13 July**

Learn more about SEDA College

and the exciting opportunities waiting here for you!

Attend one of our upcoming information sessions or open mornings to discover more about our curriculum and industry partnerships offered through our unique HSC programs.

This is the best opportunity to hear from our Principal and speak to current teachers and students.

<https://www.sedacollege.nsw.edu.au/events>

## **MATHS and SCIENCE**

Senior Science, Biology, Chemistry, Earth and Environmental Science, Physics

### **University Clinical Aptitude Test (UCAT) registrations close soon**

17 May

If you're applying for an undergraduate medical or health-related degree, you may need to sit the **University Clinical Aptitude Test** (UCAT). The deadline to register for UCAT is 11.59pm on **Monday 17 May 2021**. UCAT will be held in various locations across Australia in July.

Check the course description of the course you're interested in studying in 2022 and register as soon as possible: **UAC undergraduate course search**.

And if you missed UAC Digital's recent **Let's Chat – Medicine webinar**, you can watch it on YouTube. Get information about additional selection criteria and pathways to medicine, and answers to FAQs.

Remember, entry into undergraduate medicine degrees is highly competitive so don't miss out!

### **Application dates for undergraduate medical degrees**

#### **UCAT preparation advice and practice tests**

<https://www.uac.edu.au/media-centre/news/ucat-registration-closing-soon>

### **National Youth Science Forum**

Apply by 2 July, 2021

Inspiring Australia's young scientists.

Applications are now open for the 2022 Year 12 Program.

In 2022, the NYSF will deliver a 12-day program from 10-25 January via a combination of in-person and digital STEM experiences. 2022 participants will experience everything the NYSF is famous for, including keynote speakers, lectures, hands-on workshops, debates, expos and enriching social activities. In-person STEM visit days and events will be held over a week of the program at major city hubs across the country, enabling students to meet each other and network with like-minded peers. A continuous program of digital events will run alongside the in-person events meaning the program is accessible to all. This option also means the NYSF experience is still accessible and stimulating should there be a COVID-19 hotspot emerge or lockdown called at a hub location.

<https://www.nysf.edu.au/programs/year-12-program/>

Apply here:

<https://nysfau.secure.force.com/ApplicationforProgram?ProgramID=a077F00000w6xoT>

### **What you can do with a Physics Degree**

If you're thinking about enrolling in a Bachelor of Science, there are loads of reasons why majoring in physics is a good idea. And despite the maths-meets-science elective often overlooked for those with clearer post-grad pathways, there are loads of industries crying out for a physics major's advanced maths, analytics, problem-solving and computational skills.

"Physics gives us a language and a framework to describe the world around us," stresses Jennifer MacLeod, Head of QUT's School of Chemistry and Physics. "Through physics, we can understand why things are the way they are, and we can make informed predictions about the future."

### **The University of Sydney - Propel Program Engineering and IT**

18 May	<a href="#">EA Experience it!</a>	7-10
4-10 July	<a href="#">Indigenous Australian Engineering School (IAES)</a>	10-12
6-8 July	<a href="#">Indigenous Australian Engineering School (IAES) Online</a>	10-12
Feb-July	<a href="#">School of Computer Science High School Fellowship Program</a>	9-12

### **Where can STEM take you?**

We have more than 20 high school events to help you explore the many options within engineering, computer science and project management and discover where your passion lies. Attend any four of these events and you will be eligible for a \$2000 travel scholarship.

<https://www.sydney.edu.au/engineering/industry-and-community/high-school-outreach/propel.html>

### **ANU Girls in Engineering**

9 September 2021

The Girls in Engineering and Technology Program (GET Set) is designed for female identifying students in years 7-10, who wish to explore an education and career in engineering or technology. This free, digital, fun-filled afternoon of non-competitive activities will have students designing, coding, testing and more.

#### **Delivery**

This event will run between 12pm-3pm via Zoom.

Teacher participation is required at all times.

### **Expressions of interest**

We are currently taking expressions of interest from schools.

Requirements for participating include:

- a minimum of 10 students attending
- access to a classroom or flexible learning space
- access to a computer lab or laptops (internet and web browser required), and
- access video conferencing equipment (to participate in group conversations with other schools).

Preference will be given to schools located in regional, remote or rural areas. For more information please contact [marketing.cecs@anu.edu.au](mailto:marketing.cecs@anu.edu.au)

<https://cs.anu.edu.au/events/girls-engineering-and-technology-program-get-set>

### **ANU The Kim Jackson Scholarship Female Undergraduate Engineering**

13 June

The Kim Jackson Scholarship is a new scholarship at ANU. It supports a promising female engineering student to pursue her passion for technology/engineering through an undergraduate degree at the ANU College of Engineering & Computer Science.

This exciting opportunity is valued at \$20,000 per annum for each year of an ANU undergraduate engineering degree. The recipient must come from a non-metropolitan area to apply for this scholarship.

### **UTS Undergraduate Engineering and IT - on campus tours**

16 June, 22 June, 30 June

Throughout the month of June the UTS Faculty of Engineering and Information Technology will be offering on-campus tours of our Engineering and Information Technology facilities.

Check out the state-of-the-art UTS Engineering and IT building! Guided by one of our students, you will explore the facilities and study spaces that are available for engineering and IT students at UTS.

16 June:

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/undergraduate-engineering-and-it-campus-tours-0>

22 June:

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/undergraduate-engineering-and-it-campus-tours-1>

30 June:

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/undergraduate-engineering-and-it-campus-tours-2>

### **Intro to Software Engineering at UTS**

18 May. 5.30pm

Learn how Software engineering is the application of engineering principles to the design, development and maintenance of software. Software engineers develop systems that must work the first time and every time. Register today for our live webinar to gain an insight into what software engineering is all about and find out if it's right for you. Hear from key academics about what it's like to study software engineering at UTS and how best to prepare. There will also be a Q&A session where you can have your questions answered live.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/webinars-demand/engineering-undergraduate-students/intro-software-engineering-uts>

### **UTS - Women in Engineering and IT**

19 May. 5.30pm

Learn more about the Women in Engineering and IT Community and the scholarships that are available for women in engineering or IT and how to prepare an awesome application. UTS offers a number of generous scholarships for highly motivated female students with a passion and interest to pursue a career in Engineering or IT.

Register today for our live webinar to gain an insight into the Women in Engineering and IT Community and scholarships available. Hear from key academics and scholars about how to apply and what it's like to undertake a scholarship at UTS. There will also be a Q&A session where you can have your questions answered live.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/webinars-demand/engineering-undergraduate-students/women-engineering-and-it>

### **Intro to Mechanical and Mechatronic Engineering at UTS**

20 May. 5.30pm

Learn about dynamics (the science of moving things) and learn to calculate and control the movement and interaction of solid objects, fluids, heat and electricity. Design, build and manage automated and autonomous mechanical systems, with an emphasis on robots, smart machines, intelligent control systems, and biomedical devices.

Register today for our live webinar to gain an insight into what Mechanical and Mechatronic Engineering is all about and find out if it's right for you. Hear from key academics about what it's like to study Mechanical and Mechatronic Engineering at UTS and how best to prepare. There will be also be a Q&A session where you can have your questions answered live.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/webinars-demand/engineering-undergraduate-students/intro-mechanical-and-mechatronic-engineering-uts>

### **Year 10-12: Head-start or continue UCAT Preparation**

23 May 2021

Intensive Training UCAT Workshop - LIVE ONLINE INTERACTIVE (2-days event) Parents are invited to Day 2 of the workshop (Pathways into Medicine and Medical Interviews).

TEL (02) 4367 0404 / MOB: 0412 439 115 / MOB: 0404 197 178 / [enquiries@nie.edu.au](mailto:enquiries@nie.edu.au)

<https://www.nie.edu.au/products-listing/product/216-simulated-ucats-day-workshop>

### **Western Sydney University - CDMS Webinar Series**

The School of Computer, Data & Mathematical Sciences at Western has developed a series of webinars for senior high school students focusing on Information and Communications Technology (ICT), Computer Science, Data Science and Mathematics. To find out more, visit:

[https://www.westernsydney.edu.au/schools/socdms/events/multiply\\_your\\_opportunities?cid=em:CAA-news-CDMS-webinar-page-EGMT\\_Apr21](https://www.westernsydney.edu.au/schools/socdms/events/multiply_your_opportunities?cid=em:CAA-news-CDMS-webinar-page-EGMT_Apr21)

### **Marine Biology experience in Tasmania**

The University of Tasmania was excited to see the annual marine biology experience week for Year 11 and 12s (XAS101) go ahead over the Easter break. 24 students from around Australia dived in to monitor reef fish, intertidal, soft-sediment and zooplankton communities in the hotspot of global ocean warming at Maria Island on Tasmania's east coast. Express interest for 2022:

<https://bit.ly/3v6wk7q>

### **Taronga Zoo Podcast Talks**

The deep connections our staff develop with wildlife and the natural world affects the lives of others, near and far. From Sydney to Dubbo, Taronga's people all have amazing untold Zoo stories that will touch your heart and open your eyes.

Hayden Turner invites you to listen in each week and join our family with 'Taronga Talks'.

<https://taronga.org.au/get-involved/taronga-talks/season-1>

### **Reminder - 2021 Sleek Geeks Science Eureka Prize**

Closes soon – 28 May

Produce a film based on the **2021 theme, 'big'**.

Films must be **2 minutes** in duration and no longer.

The University of Sydney Sleek Geeks Science Eureka Prize is offered to primary and high school students nationally. If you have a passion for science and for communicating ideas, then enter this competition by telling a scientific story

via a short video piece. We're looking for the next generation of amazing science communicators, such as [Dr Karl](#) and [Adam Spencer](#).

Judges will make their selection based on the assessment criteria. [Learn about the 2021 assessment criteria](#).

Films must focus on a scientific concept, discovery, invention or your own scientific hypothesis - anything goes, but keep the science in the story, and keep the science real!

Entrants are able to commence working on their films. The online entry system will open on Wednesday 24 March.

Please email [eureka@australian.museum](mailto:eureka@australian.museum) with any questions.

For more information about the University of Sydney Sleek Geeks Science Eureka Prize, including entry conditions and tips and tricks from past winners, please visit the [Australian Museum](#) website.

## **H.S.I.E.**

Aboriginal Studies, Ancient History, Business Studies, Economics, Geography, Legal Studies, Modern History, Society and Culture, Studies of Religion

## **International College of Hotel Management – ICHM Scholarships 2022**

We are offering over \$100,000 in scholarship funds for successful applicants. If you are a first year student looking to enrol into our Bachelor of Business Degree, or Masters Programme in 2022 you could be eligible to receive a scholarship.

<https://www.ichm.edu.au/future-students/ichm-scholarships>

## **AIQS Yr12 Scholarships - Up to \$5000**

Applications for 2021 are now open!

**Applications close Sunday, 31 October 2021.**

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited university in Australia.

Of the scholarships offered, at least one Equity Scholarship will be awarded to a student experiencing educational disadvantages.

We offer a limited number of scholarships for year 12 students who qualify for entry into an [AIQS accredited course in Australia](#).

The value of the scholarship is AU\$5,000 and includes:

- AU\$4,000 (\$1,000 upon enrolment, \$1,000 after completion of eight units, \$2,000 upon completion of degree. This is paid as cash into your bank account.
- Text books and manuals (published by AIQS) including the Australian and New Zealand Standard Method of Measurement
- AIQS Student membership whilst studying the accredited degree
- AIQS Graduate membership for one year (post graduation).

For further information on the requirements for scholarships, please refer to the [AIQS Scholarships Criteria and Conditions](#).

If you would like to apply for a scholarship, complete the essay as detailed in the above Criteria and Conditions then submit the [Student Application Form](#) to [education@aiqs.com.au](mailto:education@aiqs.com.au).

<https://www.aiqs.com.au/scholarships-students>

## **National History Challenge**

Closes 27 August

The theme for 2021 – 'Significance – History Matters'

The National History Challenge is a research-based competition for students. It gives students a chance to be an historian, researching world history, examining Australia's past, investigating their community or exploring their own roots. It emphasises and rewards quality research, the use of community resources and effective presentation. [More information](#)

## **VET COURSES**

### **Bert Evans Apprenticeship Scholarship**

**Closes soon on Friday 28 May 2021.**

The Scholarships are worth \$5,000 each year for up to three years.

Scholarships are available to assist apprentices in NSW who have demonstrated:

- hardship in their personal circumstances
- aptitude for vocational education and training that leads to successful completion of their trade training
- a positive attitude and application in workplace and off-the-job training.

Scholarships are open to NSW registered apprentices in both metropolitan and country areas, including school based apprentices.

There will be a maximum of 100 Scholarships awarded in 2021.

[https://www.training.nsw.gov.au/apprenticeships\\_traineeships/students/bert\\_evans\\_scholarships.html](https://www.training.nsw.gov.au/apprenticeships_traineeships/students/bert_evans_scholarships.html)

### **TAFE NSW Degrees**

We offer a number of degree level courses and higher education options.

- 3D Art & Animation
- Fashion Design
- Interior Design
- Information Technology
- Business and Commerce
- Early Childhood Studies
- Property
- Community Services

With strong industry links to over 25,000 employers, your students will get both the practical skills and theoretical knowledge to land a job faster and succeed in their chosen career. For more info visit:

<https://www.tafensw.edu.au/degrees/our-degrees>

### **Guide to Apprenticeships and Traineeships**

Apprenticeships and traineeships combine practical work with a course of structured training. This allows apprentices and trainees to acquire theoretical knowledge and gain a nationally recognised VET qualification, while working part-time in the industry.

### **Brent Street Winter Dance Camp – Act, Sing, Dance**

5th – 9th July 2021

#### ***BRACE YOURSELF – A WINTER STORM IS COMING!***

These winter holidays, join us in 25 incredible classes with the country's best choreographers and teachers across 5 massive days.

Each day starts at 9:30 am, with five 1-hour classes with an industry-leading dance teacher/choreographer. Students are divided into age groups, subject to numbers. The day concludes at 3:30 pm.

On the final day, participation certificates are awarded on the final day of the workshop, plus the chance to win a scholarship to the 2021 Spring Intensive.

Please note, this program is suitable for 7 – 18-year-old students of intermediate to advanced level.

<https://brentstreet.com.au/workshop/winter-camp-2021/>

## **National Youth Concerto Competition**

Closes 30 June 2021

Winner: \$3,000

Other Finalists: \$1,200

The 2021 National Youth Concerto Competition (NYCC) Finals Week is Saturday 2 to Sunday 10 October. The NYCC is recognised as the most prestigious competition in Australia for string soloists aged up to 18 years. It was established by Queensland Youth Orchestras in 1976 to encourage the development of young Australian string players.

For the first round of the competition, each applicant records and submits audio files of audition works to be judged by a panel of professional musicians. Up to three finalists and four recitalists are then invited to Brisbane to take part in the NYCC Finals Week from 2 to 10 October 2021.

The finalists compete for the first prize with their chosen concerto (preferably performed from memory) in the public NYCC Finals Concert titled 'String Sensations'. This concert takes place at the Old Museum Concert Hall, Brisbane on Sunday 10 October 2021 where finalists perform their concerto with the Queensland Youth Symphony (QYS).

## **VET Financial Services**

### **AIQS Yr12 Scholarships - Up to \$5000**

Applications for 2021 are now open!

**Applications close Sunday, 31 October 2021.**

AIQS offers a number of scholarships each year for Year 12 students who qualify for entry into a Quantity Surveying, Construction Economics, Construction Management (Economics) or other appropriate course at an AIQS accredited university in Australia.

Of the scholarships offered, at least one Equity Scholarship will be awarded to a student experiencing educational disadvantages.

We offer a limited number of scholarships for year 12 students who qualify for entry into an AIQS accredited course in Australia.

The value of the scholarship is AU\$5,000 and includes:

- AU\$4,000 (\$1,000 upon enrollment, \$1,000 after completion of eight units, \$2,000 upon completion of degree. This is paid as cash into your bank account.
- Text books and manuals (published by AIQS) including the Australian and New Zealand Standard Method of Measurement
- AIQS Student membership whilst studying the accredited degree
- AIQS Graduate membership for one year (post graduation).

For further information on the requirements for scholarships, please refer to the AIQS Scholarships Criteria and Conditions.

If you would like to apply for a scholarship, complete the essay as detailed in the above Criteria and Conditions then submit the Student Application Form to [education@aiqs.com.au](mailto:education@aiqs.com.au).

## **OTHER FIELDS**

### **University of Canberra Bachelor of Primary Education Entry Questionnaire**

#### **Additional Admission Requirements**

The four-year Bachelor of Primary Education is a rigorous course which will prepare you to teach national literacy and numeracy at a primary school level, from Kindergarten to Year 6. You'll develop a sound understanding of the educational theories and teaching skills required in today's classrooms, largely by regularly observing them in a primary school environment and putting your academic learnings into practice during one of the many teaching placement opportunities you'll undertake.

All applicants will be required to complete a written statement in response to questions designed to assess their suitability for the teaching profession. Applicants' responses to these questions must be deemed satisfactory for them to be admitted to this course. You can find the questions in the 'resources' section of the online application portal when you are applying. You can upload your responses in PDF format as part of your application.

### **TAFE NSW Aviation Program Expanded**

Over 260,000 new pilots are required to sustain the aviation industry within Asia-Pacific over the next two decades. To meet this demand, TAFE NSW recently joined forces with Basair to continue training aspiring commercial pilots at Bankstown. From August, TAFE NSW will also offer the Diploma of Aviation (CPL) at Lismore with partner, Airways Aviation. Find out more

### **NSW Fire & Rescue Open Day 2021 will be moving online and running for a whole week!**

Come behind the scenes of Australia's busiest fire and rescue service at our Open Day on Saturday, 15 May 2021. From fires, chemical spills, car crashes, natural disasters and humanitarian relief across the state, the country and even overseas - our firefighters are prepared for anything!

Open Day is your chance to meet a firefighter, see our trucks in action, check out our equipment and find out more about what we do. We'll be on scene to answer your questions, show you around and help you prepare your home for a safe winter. We can't wait to see you and show you what we have been up to.

Check out what we have planned below:

#### **Online Open Day**

##### **Thursday, 13 and Friday, 14 May 2021**

Online Open Days will provide you with a unique insight into what it is like to be a firefighter. Jump online to be taken on a tour of some of our stations, and find out what it is like to be a firefighter. Follow us on [www.facebook.com/frnsw](https://www.facebook.com/frnsw) to be part of the action.

#### **Station Open Day**

##### **Saturday, 15 May 2021. 10am - 2pm**

This year, we will be holding our Open Day at key location hubs and participating fire stations throughout the state. View the map below to find your nearest participating fire station or key location hub that will be open on Open Day. This list will continue to be regularly updated so please recheck closer to the date.

### **Temora Aviation Museum Aircraft Showcase**

12 June 2021. 10am to 4pm

The Temora Aviation Museum's June Aircraft Showcase event on Saturday 12th June 2021 will feature all serviceable aircraft from Temora in the RAAF Heritage collection. Some visiting aircraft may also attend.

At Temora you can get closer to the action as you witness a themed selection of Australia's ex-military flying history come alive.

Aircraft Showcase promises to deliver a full day of entertainment for all generations, including:

- Flying displays demonstrating the aircraft's capabilities
- Informative commentary and music
- Guided tour of static exhibitions
- Interviews with pilots and veterans
- Children's activities and playground
- Engineering workshop tour
- Pilot meet and greet

### **Advice for Choosing HSC Courses from NSW Education Standards Authority**

Your aim is to attain the best HSC result you can. So, you should choose courses that you are good at, interested in and may use in the future. When considering which courses to study, explore the content of a course. For example, what are the course outcomes? Will you be required to submit a major work, or perform, as part of your exams? Talk with your teachers about your strengths and weaknesses, as well as individual course requirements, before making your selections.
