

JobJump Careers News Subject Bulletin

27 May 2021

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.
If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19

Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.

HSC SUBJECT KLA / FACULTIES

NSW Fashion Design Studio TAFE

With a list of alumni that reads like a 'who's who' of Australian fashion, the TAFE NSW Fashion Design Studio (FDS) in Ultimo is a "fashion school of excellence⁺." Consistently ranked in the top 20 fashion design schools worldwide*, FDS has over 60 years of creating fashion design excellence.

FDS also has established partnerships with International Design Institutes in India, United Kingdom, The Netherlands, Hong Kong, Sweden and the United States that allow final year students the opportunity to complete a fourth year overseas and gain an international degree.

No matter what area of fashion you want to be involved in – be it design, couture, tailoring, patternmaking and construction, styling or media – FDS gives you the skills, experience and exposure you need to be a cut above.

Sydney Actors School Acting Application and Audition Monologues

Do you have stories to tell? Do you love to collaborate with passionate and creative people? Is acting what you want to do with your life? Do you need guidance and opportunity to 'make it'?

If your dream is to build a thriving career in the screen, stage and media industry, then Sydney Actors School is almost certainly the acting school for you.

Minimum 18 years of age preferred. Applicants turning 18 years of age in the year of admission will be considered through an interview and audition process. As a domestic student, you must have Australian or New Zealand citizenship, Australian permanent residency or similarly hold an Australian permanent humanitarian visa.

International students are furthermore welcome to apply to our acting and musical theatre courses— see our [international students](#) page if you need to know more about visa application and other requirements for study at Sydney Actors School.

AIE Open Day

15 August

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Open Day on Sun 15th August, 2021. AIE will be running this event on campus and online.

AIE Campuses in Sydney, Adelaide, Melbourne and Canberra will be open for you to check out the facilities, meet our teachers and see our student work. We will also be holding a livestream of our Open Day for prospective students interested in studying online.

We will be covering everything you need to know about the:

- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer - from beginners to professional mastery, and;
- the software, skills and knowledge we teach.

AIE's Open Day will also include presentations on entry requirements and how to apply. Find out how AIE can get you into a creative career.

https://aie.edu.au/aie_event/open-day/

Meet the Producer - Events at the Academy of Interactive Entertainment

3 June. 6pm

Beau graduated the Design course in 2017. Beau joined Nightjar growing in the company as he brought his experience in the wholly interactive medium of video games alongside his enthusiasm for people, to the world of digital production & management. Join us to talk about his amazing journey.

<https://aie.edu.au/workshop/meet-the-producer-beau-bradburn/>

Designing Better Futures: Moving Magic with Mark Lamb

2 June. 4.30pm to 5.30pm

The JMC series on all things design - Join us to learn more about Animation in UX!

Mark is a freelance UX designer and startup advisor with nearly 20 years of experience in visual, interaction, and motion design. Previously, he served in design leadership roles at Google, Uber, and Adobe in San Francisco.

In this talk Mark shares his journey from studying Multimedia in Brisbane to helping shape some of the biggest game-changing digital products of all time in Silicon Valley. He'll discuss what's important to have a successful career, how motion helps "make magic" at Uber, and the 8 areas to use animation in digital product design.

UN Youth - Junior Leadership Weekend Registrations for 2021 Express Your Interest

September 2021

Sydney Academy of Sports and Recreation, Narrabeen

If you are interested in Junior Leadership Weekend 2021, please complete the **Expression of Interest Form**.

Are you in Years 7 – 8 and passionate about making change in your community? Come to Junior Leadership Weekend 2021!

In September 2021, more than 100 students from across NSW will come together to take part in Junior Leadership Weekend. You will learn about leadership, diplomacy and advocacy in the context of a yet to be revealed theme of international importance. You will form connections and friendships with a diverse array of students and work with them to deliver change in your local communities, and beyond.

<https://unyouth.org.au/event/jlw/>

Evatt NSW - Australia's Premier Debating and Diplomacy Competition

Now open for registration

Registrations are still OPEN for the 2021 Evatt Competition.

If you'd like to participate, grab a friend and register NOW via the form below!

Tuesday 8 June, 10am-2pm | Newcastle Grammar

Friday 11 June, 1-5pm | James Ruse Agricultural High School

Saturday 12 June, 9am-1pm | Loreto Kirribilli

The New South Wales Evatt Competition is the NSW State round of the UN Youth Australia Evatt Competition, Australia's premier debating and diplomacy competition. Evatt is a Model United Nations Security Council diplomacy competition for students in Years 9-12. It aims to educate young people about Australia's place in the world and empower them as active citizens by developing public speaking, negotiation, teamwork, research, and diplomatic skills.

The competition takes the form of a mock session of the UN Security Council. Teams of two students debate, amend, and vote on resolutions from the perspective of the country they are assigned. Teams will be allocated one of the fifteen countries that are members of the United Nations Security Council in 2021. The students judged the most effective diplomats proceed to the next round.

The competition is named after the notable Herbert "Doc" Evatt, who was an Australian High Court Justice and a leading Federal politician who became President of the UN General Assembly and helped draft the Universal Declaration of Human Rights.

ACU - I am an elite athlete or performer

The Elite Athlete and Performer Program (EAPP) is designed to give students who are top sporting or artistic performers the tools they need to achieve balance across their active and academic lives.

The program comes with a range of benefits, including:

- adjustment factors to your entry score
- priority class allocation
- academic support and flexibility (deferred exams, extensions, special considerations)
- access to financial scholarships and competition/travel grants
- networking and career development opportunities

The program is administered annually, so all EAPP students need to reapply each year to maintain access throughout their study.

You can learn more by visiting elite athlete and performer support.

Physical Aptitude Test - FireFit Training Guide from NSW Fire and Rescue

As firefighters, we put life first and we train to get it right.

Firefighting is a physically demanding occupation. Tasks include carrying heavy loads including personal protective equipment, handling temperature extremes, variable terrains and confined spaces, all of which impose unique physical and physiological demands upon firefighters.

The FireFit Training Guide is based on an eight to 12-week program, depending on each individual's fitness level, and is available to help eligible candidates prepare for the Fire and Rescue NSW Physical Aptitude Test (PAT)*.

We have created a series of exercise focused videos called "Train Like a Firefighter" that will show you how each exercise relates to the physical demands required of firefighters.

UNSW Faculty of Engineering Admission Scheme – Keep an eye open on this one

Undergraduate Alternate Admissions Pathways

At UNSW Engineering we strive for a better world, driven by our graduates who are passionate in creating solutions for humanity through their diverse perspectives.

We know that things don't always go to plan, and we recognise that your passion for Engineering and your performance in relevant subjects may not be reflected in your ATAR. We are pleased to offer you the Faculty of Engineering Admissions Scheme (FEAS) to give you the opportunity to demonstrate your passion for engineering and performance in relevant subjects to support your ATAR.

FEAS is an alternative pathway for students who want to study at UNSW but don't meet the Guaranteed Entry Rank (GE). You should apply for the Faculty of Engineering Admissions Scheme if you're expecting an ATAR between 83.00 and 90.95 and want to study at UNSW. FEAS applies to most UNSW Engineering undergraduate programs, including our double degrees with a Guaranteed Entry Rank (GE) of 91. Students who are applying for the Bachelor of Food Science (Hons) program can submit a FEAS application with an ATAR of 80 and upwards.

<https://www.unsw.edu.au/engineering/study/alternate-pathways/faculty-engineering-admission-scheme>

UNSW Join the Girls in Engineering Club

The Girls in Engineering Club is free to join – sign up today to receive our monthly newsletters packed with inspiring content and activities!

GIE Club members get...

- Exclusive invitations to Girls in Engineering Club events
- Monthly inspo delivered to your email, featuring profiles of female engineers, study tips and more!
- Opportunities to be mentored by female engineering students
- Access to a closed Facebook community to connect with likeminded girls
- Regular workshops and challenges

'Unearthed' - art in archaeology and anthropology.

Mon 14 Jun 2021, 9am – Sat 26 Jun 2021, 4.55.59pm

'Unearthed' is an exhibition exploring the intersection between art, archaeology and anthropology through works created by students and academics from the School of Archaeology and Anthropology, and the College of Asia and the Pacific. 'Unearthed' examines the role that imagery in its myriad forms plays in archaeology and anthropology: in terms of how those researchers present, analyse and record their findings, how they interpret others' findings and data, and how imagery shapes their understanding of the past. This imagery takes the form of mapping, illustrating, photographing and modelling. In this exhibition, archaeology and anthropology students and academics represent examples of these through their own artworks.
