

JobJump Careers News Subject Bulletin

22 April 2021

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19

Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.

Academy of Entertainment Information Evening

17 June

Discover the courses designed to get you started in game development, 3D animation and visual effects at the AIE Information Evening on **Thu 17th June, 2021**. The evening will include presentations on different areas of industry to get into as well as information about AIE full-time and part-time courses and entry requirements. Student work will be on display and our teachers will be available to speak with you one on one about our courses and how AIE can get you into a creative career.

https://aie.edu.au/aie_event/information-evening/

Academy of Entertainment Industry Experience Day

6 July

AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

The sessions are run by industry professionals who have worked on some blockbuster games and films. Everything is provided for you to participate in the hands-on workshops and you will be using the same software that is used in the industry.

If you are thinking about a career in the games or film industry then we highly recommend registering for this free event. We are limiting numbers for this event due to physical distancing requirements, with Year 12 students having priority to register.

https://aie.edu.au/aie_event/industry-experience-day/

AFTT Theatre Production High School Workshop

5 July. 9.30am to 5pm

This is a fantastic opportunity to participate in a one day work shop at AFTT. We are offering the chance to gain hands on experience in every facet of Theatre Production, from Stage Management to Lighting & Sound design and operation. Participants will be guided by our team of professional industry specialists through a step by step process in how to produce a Theatrical Performance, culminating in the hands on running of the show.

<https://www.aftt.edu.au/events/high-school-workshops/theatre-production-high-school-workshop>

AFTT Acting High School Workshop

7 July 2021. 9.30am to 5pm

This workshop is a great opportunity to visit our campus and experience the way we teach our students as we showcase acting in a concise one day workshop. This is a very hands on day where students will have a chance to interact, use state of the art equipment and learn new techniques.

Explore an introduction to the Morris Technique preparation exercises, coupled with improvisation and script work in the AFTT theatre. You will also have the chance to apply acting techniques whilst performing on camera and collaborating with peers to write, perform and shoot your very own single shot short film.

<https://www.aftt.edu.au/events/high-school-workshops/acting-high-school-workshop>

AFTT Film High School Workshop

6 July 2021. 9.30am to 5pm

This workshop is a great opportunity to visit our campus and experience the way we teach our students as we showcase film in a concise one day workshop. This is a very hands on day where students will have a chance to interact, use state of the art equipment and learn new techniques.

Using AFTT's industry standard film gear, students will be taught the basics of film making and post production workflow. An industry professional tutor will guide them through the process, setting a strong foundation on which they can easily build upon.

<https://www.aftt.edu.au/events/high-school-workshops/film-high-school-workshop>

New Area of Study: Music Theatre

Music theatre is a form of theatrical performance that combines singing, acting and dance. From next year, students will be able to draw on the Conservatorium's expertise in producing healthy vocal technique with skills in acting and dance, taught by industry leaders, to become triple threat musicians.

<https://bit.ly/scmtheatre>

SAE Film Masterclass

3 May. 1.30pm to 4pm

Are you an emerging filmmaker looking to break into the short film industry? Don't miss this exclusive masterclass where prominent industry experts will share their knowledge and give advice on how to get your big break into the world of short films.

ENGLISH

Dorothea Mackellar Poetry Awards

Entries accepted: **March 1 to June 30, 2021 and results announced during early September.**

A unique national project, giving Australia's youth a voice and an opportunity to strive for excellence in literature.

"Our poets are encouraged to take inspiration from wherever they may find it, however if they are looking for some direction, competition participants are invited to use this year's optional theme to inspire their entries."

In 2021, the Dorothea Mackellar Memorial Society has chosen the theme "Rich and Rare." As always, it is an *optional* theme, so please write about whatever topic sparks your poetic genius.

VET COURSES

Fee-Free Apprenticeships are a great way for students to launch their careers

There's never been a better time to start an apprenticeship in NSW. The NSW Government is paying the course cost for 100,000 new apprenticeships – meaning apprentices undertaking a government funded apprenticeship no longer face a student fee of up to \$2000.

Apprenticeships are a great career pathway. They combine on-the-job training with classroom study to give you the skills and experience employers are looking for. Apprenticeships generally take around 3-4 years to complete, and apprentices earn a salary while they learn. There are more than [120 different apprenticeship courses](#) available in NSW, in a range of industries including construction, cooking, aviation and automotive.

[grams](#) available if you're starting a new career or a new business.

Under its fee free apprenticeship initiative, the NSW Government will pay the course fee for 100,000 new apprentices who commence their training from 1 July 2018 to 30 June 2022 – employers won't have to pay a cent for the qualification training for new apprentices.

6 July 2021. 9.30am to 5pm

This workshop is a great opportunity to visit our campus and experience the way we teach our students as we showcase film in a concise one day workshop. This is a very hands on day where students will have a chance to interact, use state of the art equipment and learn new techniques.

Using AFTT's industry standard film gear, students will be taught the basics of film making and post production workflow. An industry professional tutor will guide them through the process, setting a strong foundation on which they can easily build upon.

New Area of Study: Music Theatre

Music theatre is a form of theatrical performance that combines singing, acting and dance. From next year, students will be able to draw on the Conservatorium's expertise in producing healthy vocal technique with skills in acting and dance, taught by industry leaders, to become triple threat musicians.

Hospitality - William Angliss Institute Scholarships Now Open

Closes 27 May 2021

The William Angliss Institute Foundation provides educational opportunities and financial assistance to support disadvantaged students in achieving their career ambitions. The Foundation has been established in recognition of the pioneering work in the areas of hospitality and foods by the late Sir William Charles Angliss.

Through a scholarship fund built on the generous support of our many friends and industry partners, the Foundation provides ongoing assistance to students and the wider community through the establishment of various scholarship programs across the Institute.

Contact trainingnsw@angliss.edu.au or 02 91255111 for more information.

OTHER FIELDS

Why Aged Care is a Great Career Move

A career in the fast-growing aged care industry could be absolutely right for you. Be inspired, challenged and bring comfort and dignity to older Australians.

To make sure working in aged care was really going to be right, Aiden took up an aged care short course which included four weeks of work experience. Next, he applied for a traineeship vacancy with a large provider. "Of course, there were a few hoops to go through," he says. But very quickly he was offered a place. "I accepted, I started and I'm loving it!" he says. "The advantages of taking up a traineeship over just doing a course are that you are getting paid on the job while you learn," he says.
