## We're changing up Open Day - don't miss out!

Hi Karen,

This email probably won't come as a surprise. We're transforming this year's Open Day into an online event. And we don't want you to miss out – it's going to be epic.

### Why go online?

At Charles Sturt your safety is always our top priority. Current COVID-19 restrictions in NSW mean the safest way we can help you get to know what we're all about at Charles Sturt is to revamp Open Day into a single online event.

Our Open Day website is live, so jump online and have a look around. You'll be able to plan your day by booking info sessions and tours that interest you.

There will be limits on numbers at info sessions and campus tours. Booking early will help secure your spot.

### Get the word out

Want to spread the word to your students and their families about Open Day? Our [media toolkit](#) can help you. Grab information tiles to use on your school's social platforms or in newsletters, and download a poster.
